OBSERVANCES FOR THE WEEK OF MARCH 21, 2021

LIVE THE LITURGY Inspiration for the week

How do we convince people that God's law is written upon their hearts? God is wedded to God's people. This is a simple and fundamental fact of life. Yet, many ignore this truth and carry on as if they, or humanity as a whole, are the center of the universe. As a grain of wheat has to fall to the ground and die in order to become what it really is, we too must die to our secular images and ideas of ourselves so that we can become who God really made us to be. If all of us kept our focus on God's deep bonded love with human beings, indeed with our very self, then there would be no need to teach others this fundamental life lesson. They would simply know this truth, as Jeremiah tells us. Somehow, perhaps through original and personal sin, we have lost sight of this reality. We have lost our way and our axis. It is time to find our way back, to learn the virtue of obedience, to pay attention to what God is saying and become aware of the Divine Love that is the reason for all creation. Then, even in our darkest hour when all may seem to be lost, we can say as did Jesus, the model of obedience, "Father, glorify your name," By this perseverance, people can come to know the Lord and what God has done.

*"Bloom
where you
are planted."*

— ST. FRANCIS DE SALES

A Note from the Pastor...
Fr. Roy Horning

The **Diocesan Service Appeal** is in full swing. If you haven't made your 2021 commitment or pledge I encourage you to find the envelope and make your contribution now. St. Mary's and Holy Rosary have benefited much from Bishop Boyea's support over the past several years. He is our shepherd and asking us for our financial support and prayers for the greater mission of Diocese of Lansing. We are all members of the universal Church through the communion we share with our Bishop. The ministry that we exercise as disciples flows from the ministry entrusted to him by Christ and his Church. I want to thank everyone who have already made their contributions to the 2021 DSA and encourage everyone to participate in this year's campaign.

The gospel proclaimed on **the Fifth Sunday of Lent** chronologically occurs soon after Jesus' Triumphal Entry into Jerusalem. St. John records how some Greeks were also in the City of David for the celebration of Passover. They must have seen or heard how the crowds had thrown down palm branches and shouted "*Hosanna! Blessed is he who comes in the name of the Lord!*". They approached Philip and made a request to meet with Jesus. Philip then went to Andrew, and they went and told Jesus. The Lord then responds with **that familiar image of his Passion and Death being like the grain of wheat that falls to the ground and produces much fruit.** In predicting his death Jesus also solemnly says that when he is lifted up from the earth, he would draw everyone to himself. This points directly to his death by crucifixion. **The Cross has been the symbol of our Lord's Passion and Death since that first Good Friday, but even more a symbol of hope.** The graves in our national cemeteries for those who have served in the Armed Services are marked with crosses. There is a cemetery in Normandy, France that is final resting place for soldiers who gave their lives during World War II. I wonder how many of today's visitors recognize that those crosses point directly to Jesus' words about a grain of wheat falling to the ground. Furthermore, I wonder how much longer before someone will take the US Government to court for permitting the graves in National Cemeteries to be marked by Crosses?

You may believe that this would never happen, but I fear that in time you may be proven wrong. John the Evangelist follows Jesus' teaching about the seed of grain with words from the prophet Isaiah. He writes, "*Even after Jesus had done all these miraculous signs in their presence, they still would not believe in him. This was to fulfill the word of Isaiah the prophet: 'Lord, who has believed our message and to whom has the arm of the Lord been revealed?' For this reason they could not believe, because, as Isaiah says elsewhere: 'He has blinded their eyes and deadened their hearts, so they can neither see with their eyes, nor understand with their hearts, nor turn—and I would heal them.'*" Their hardness of hearts was made worse because of their unbelief. The same was true of Pharaoh in the time of Moses. Pharaoh would not believe the signs and God hardened his heart to reveal his glory. Herein lies a lesson that would be good for us to spend some time contemplating and reflecting upon. We should never underestimate the blindness that is part and parcel of unbelief. Not only do we not always see what is clearly before us, but this blindness can lead directly to our hearts. Spiritual blindness can result in the hardening of our hearts from which all kinds of evil can come. Let us pray for this generation; that those who are ignorant of the good news of the Gospel of Jesus Christ might not become spiritually blind and hard of heart. Interceding and praying that God would pour out his grace upon them, that they might see and believe. The Cross is the sign of our redemption and salvation in Christ Jesus. It is the sign of God's love for us!! *For God so loved the world, he gave his only begotten Son.*

Can you believe we have reached the end of the 3rd marking period and Easter is near? Hard to grasp that the 2020-2021 school year is closer to the end than the beginning, and what a blessing it has been to have our students in our classrooms.

I know that it sounds like a broken record, but think of what we have accomplished thus far. A year ago, we were currently being told we had a two week pause on schooling, and teachers across the country and worldwide were feverishly preparing for an entire new world of online schooling. Teachers were working remotely, trying to meet the needs of their students while also navigating a scary and still unprecedented situation.

Now, just a little over one year later, there is hope. Teachers and students continue to come in each day, excited with the opportunity learn new knowledge and grow in Christ's love. They are excited to build and strengthen the student/teacher relationship as well as provide students with the best instructional model possible, the ability to work together face to face.

At the same time, while we are blessed and excited, we also need to take a moment and pray for those families who have dealt with the pain caused by the pandemic. Many families have lost a loved one or have been impacted in some way. It is important that we as a Catholic Community lift up our prayers and offer them to the father for the healing graces of peace and serenity for those impacted, as well as continue to pray for the safety of all in our school, community, nation and world that they will remain safe and health.

We are blessed for all that God has provided. Let us take this moment to bring about joy to others through these trying times. The future is bright and filled with many joys and adventures.

United with Christ, we will succeed.

God Bless, Mr. Mark Callahan - Principal
