## LIVE THE LITURGY

### Inspiration for the week

It's the positions of power and great authority that people often admire. We equate success with six figure incomes, high positions, management, and influence. We even go above and beyond to find favor with our bosses so that we can get a little extra recognition and maybe the next promotion when it comes up. This is the way of the world. Those who have their values set on earthly things are going to work by earthly rules. We forget that it doesn't work that way in the Kingdom of God. Success is measured not from the place of status, influence, or prestige but from the place of humility, service, and sacrifice. The authority that one hopes to achieve is not an authority over others but an authority that comes from wisdom and developing one's relationship with God. Jesus flips the tables on our priorities. Even the first disciples had a tough time understanding this. They really thought that they would somehow receive a privilege or bonus from being faithful. We often operate under that same illusion.

## SAINT OF THE WEEK

St. John Paul II was born Karol Wojtyla in the small Polish town of Wadowice. During World War II, when the Nazis invaded Poland, Karol secretly studied for the priesthood in an underground seminary. He was ordained to the priesthood in 1946, appointed Archbishop of Krakow in 1964, and three years later he was made a cardinal. In 1978, he was elected the 264th pope, where he took the name John Paul II.

St. John Paul II made evangelization a key part of his papacy and made pastoral visits to all parts of the world. In 1981, he was shot twice in an assassination attempt. Following Jesus' example of compassion, he later met with his would-be assassin in his prison cell, where he forgave him for what he had done.

St. John Paul II was well-known to be an active sportsman throughout his life, hiking and skiing well into his 60s. In 1992, his health began to decline, and it was later discovered that he suffered from Parkinson's disease, a degenerative disorder of the central nervous system.

Near the end of his papacy, it became difficult for him to speak, and his poor health and physical suffering made public appearances difficult. Still, he continued his pastoral work. He died April 2, 2005, and he was declared blessed on May 1, 2011. He became a saint on April 27, 2014.

## *A Note from the Pastor...*

*Fr. Roy Horning*

As most of you are aware I contracted the Covid-19 virus despite being fully vaccinated. This of course is no big surprise, as the vaccines were never marketed as being 100% effective at preventing infection; studies indicated that it was 90-94% effective. But, true to the pharma industry's research the symptoms were far less severe than those experienced by those who were unvaccinated. In a week's time I was exposed to individuals who were unknowingly infected and contagious (they were symptom free and later began experiencing symptoms and tested positive) at the Priest's Convocation in Frankenmuth and the Fatima Convention. I started having symptoms on Tuesday, October 5<sup>th</sup>, that mimicked my usual fall allergies with sinus drainage and a slight headache. On Thursday, I began feeling fatigued and immediately got a Rapid Test for Covid-19; it was positive. I self-isolated and contacted people who I had been in contact with during the previous four days. Once quarantined, I experienced mild to moderate cold symptoms (low grade fever, sinus congestion and fatigue) and then also lost some of my sense of smell and taste. I will be free to exercise priestly ministry on Saturday October 16<sup>th</sup> if no new symptoms present themselves. I occupied myself with prayer, private Mass, some light chores, and a long nap each afternoon. But, as advertised the vaccine did prevent me from having serious illness and some of the more debilitating effects of this nasty virus. I thank you for your prayers and understanding during this past two weeks, and anticipate that things should be back to normal moving forward.

The readings this weekend echo my experience of Covid-19, the difference being that Jesus who was sinless willing experienced the effects of humanities sin for our redemption and salvation. The prophet Isaiah spoke to this truth in the First Reading in one of his several passages referring to the Suffering Servant of Yahweh. *The Lord was pleased to crush him in infirmity. If he gives his life as an offering for sin, he shall see his descendants in a long life, and the will of the Lord shall be accomplished through him. Because of his affliction he shall see the light in fullness of days; through his suffering, my servant shall justify many, and their guilt he shall bear.* Jesus' infirmity was the humanity that he freely chose in becoming Incarnate. In his humanity, he freely accepted his arrest, humiliation, unjust trial, scourging, and death by crucifixion. He willingly accepted our death in his humanity, to offer his pure and noble life to God as expiation for our sins. He bore the guilt and punishment for sinful humanity in order that we might share in his victory over sin and death. Those who accept Jesus as Savior and Lord are justified in the eyes of God, by their faith in what He endured and suffered for our sake. Disease and suffering are a part of every human life, but every one of us will die due to the incurable wound of original sin.

St. Mark reminded us last weekend of our Lord's words to his astonished disciples when they asked: *"Then who can be saved?"* Jesus looked at them and said, *"For human beings it is impossible, but not for God. All things are possible for God."* No man can avoid death, as all are sinners. But praise be to Jesus Christ who suffered and died for us! God has given life to all who believe and accept Jesus as the Savior and Lord of their lives. St. Irenaeus' words come to mind, "The glory of God is man fully alive." There is no fuller life than participating in the very life of the Triune God that is given to us through baptism into the life of Christ. In baptism, we become a new creation, are adopted sons and daughters of God, and are given the gift of the Holy Spirit. Our new life is the life of grace, an unmerited gift from God. This is indeed impossible for man, but God in his great love bestows it abundantly upon us through Christ. St. John teaches us that this is why the Son of God became the Son of Man: *For the Son of Man did not come to be served but to serve and to give his life as a ransom for many.* Let us live as redeemed Son's and Daughter's of God, living lives of virtue and holiness--as the living and embodied testimony of the Gospel of Jesus Christ. Modern man does not believe or trust public proclamations of truth by any institution or authority, but he will believe the witnesses and testimony of those whose bear the undeniable truth of lives changed and transformed by God's grace.

*Holy Rosary Catholic School*

Many Blessings to all on this Glorious Day!

The Lord has been kind to Holy Rosary over the past few weeks as we have welcomed three new families to Holy Rosary. Enrollment from last year at this time to this year has increased, as more families have said yes to providing the great gift of Catholic Education.

We are so excited to invite the Parish Community to join us for a fun night (weather permitting) on Friday October 22, 2021 from 4:30-6:30 in the school parking lot. This fun night will include games, food, friends and more! If the weather is poor an announcement will be made on our school and parish Facebook page. We have fun games and family activities planned for all who join. We hope to see you there!

Our Food drive for the Food Bank of Eastern Michigan is in high gear and the competition is heating up. Thank you to all who have helped make the start of this event so great.

Mark Callahan, Principal

**VG'S Receipts and Coke Product Codes**

Holy Rosary is still collecting VG's receipts. for the Direct Your Dollar Program; every time you shop at any VG's (Family Fare) save your receipts. For every \$150,000 in receipts we collect, we will earn a \$1,000 donation back from Spartan/Nash. With your support and your receipts-we'll be raising money to purchase items needed.

We are also collecting Coke product codes which are in each bottle cap and Coke product packaging (such as cans).

Unfortunately, the Campbell Label program is no longer in existence.

Thank you for all your support of Holy Rosary School! We sincerely appreciate your generosity!
