Food 4 Vets—

Connecting Veterans to Food Assistance-The Michigan Veterans Affairs Agency, through its Michigan Veterans Trust Fund, is assisting veterans experiencing food insecurity. If you are a veteran in Michigan and have a food need due to the coronavirus pandemic, job loss or other circumstance beyond your control, you can lean on us at the MVAA. Eligible veterans can receive a \$100 food card or certificate to a participating store. There is a simple application process that includes an affirmed statement of need and proof of military service and separation with anything but a dishonorable discharge. Helping those “55 or better” to live safely in the community

Program of All-Inclusive Care for the Elderly (PACE) is designed for those who need extra help to live safely in their home. If someone “55 or better” is struggling physically, with their memory or an unstable health condition, they may be eligible for services through PACE.

PACE model of care is the same, only the faces and stories of those enrolled change. PACE in Michigan is strong with 14 programs. Can you think of a neighbor, church member or loved one who might benefit?

Meet your neighbor, Linda Culp,
PACE participant.

Help us to reach those who need PACE medical and supportive services.

To enroll, someone must be:

- Age 55 or older
- Living in a zip code served by PACE
- Certified as meeting Michigan criteria for nursing home level of care *
- Able to live safely in their home with the support of PACE *

**Determined by the PACE Intake Team.*

Ascension Living PACE Michigan expanded our service area.

We now serve ZIP codes in Genesee, Lapeer, Tuscola,
Shiawassee and Livingston counties.

Call us to learn more and find out if PACE is an option: 810-236-7500

Other than emergency services, all services must be furnished or authorized by Ascension Living PACE Michigan. Participants may be responsible for the costs of unauthorized or out-of-pocket services per PACE program agreement.
