## From our Director

Hello Friends,

Another year is ending, and it certainly has been like no other. It's surreal not setting up for the holiday season at The Gathering Place. We miss all of you, the laughter, hugs, sharing your stories and the fun. I keep reminding myself we will overcome COVID-19 and life will gradually return to some kind of normal. It will! But in the meantime, we must come together to protect one another.

If you know of anyone who needs dental care, we now offer two dental programs. The Benzie County Senior Oral Healthcare Program and In-Home Dental Program. assists with up to a \$300 voucher with three dental clinics in our area. Recently, we just added an in-home dental program for those who are homebound and would benefit from a specially trained dental hygienist to provide a dental evaluation and dental cleaning at your home at no cost. This new program is a result of a grant from the Delta Dental Foundation. Call our office for additional information.

The predicted second wave of COVID-19 is upon us and spreading rapidly throughout our communities, family, and friends. I know I have said this often, but our number one priority is the safety of our community-- especially our seniors, staff, and volunteers. While we cannot predict outcomes, we can protect those we serve. It is no secret that the most vulnerable population affected by the Coronavirus is our older adults, especially those who are more susceptible to illness because of a weakened immune system, heart disease, diabetes, respiratory conditions, etc. It is because of our concern for our community seniors, we will keep The Gathering Place Senior Center and our Administration Office closed until further notice.

I am proud of how the staff, volunteers and contractors have responded to protect themselves, their families and you, our senior friends. We are committed to providing our essential services to help support our seniors remain in their homes and independent. As winter approaches, if you are sheltering in place, please accept **this invitation** to call us at 231.525.0600 to receive a hot meal Monday-Friday through the Home Delivered Meals Program or if you know someone who could benefit from this essential program please let them know we are here for them.

One area that the staff and I are concerned about is social isolation during these times. For many, winter isolation/Seasonal Affective Disorder is real and now with COVID-19, it is of even greater concern. We are trying to address this concern with our new "Sunshine Visit Program." We are also looking at other avenues to address this issue in the future. Please, if you know someone who lives alone-- send them a note, or give them a call, connect with them so they know someone cares.

I hope you have a Very Merry Christmas and a wonderful New Year! Please be Safe and Stay Healthy.

Take Care,

Doug

# Winter Weather Preparedness

Please remember that when Benzie Central Schools close for inclement weather, we will be closed for curbside meal pick up and home delivered meals delivery.

## Here's What to Keep at Home for an Emergency

Every home should have an emergency supply kit located in an accessible storage area. It's best if you store the items in plastic containers that are easy to grab and carry. Kits should be checked every six months, and expired items should be replaced to keep the kit up to date.

Emergency kits are meant to help you survive not only during an emergency, but also during the aftermath. According to a study by the Centers for Disease Control and Prevention, after a tornado in Marion, IL, 50% of the tornado-related injuries were suffered during rescue attempts, cleanup and other post-tornado activities.

Home emergency supply kits should include:

- One gallon of water per person per day for at least three days
- Enough nonperishable food for at least three days and a can opener. Keep protein-packed foods you can cook without electricity, such as tuna, peanut butter and granola bars, and don't forget about food for your pets
- Hand-crank or battery-powered radio with extra batteries to stay up to date on the latest weather alerts
- Flashlight with extra batteries
- First aid kit with gauze, tape, bandages, antibiotic ointment, aspirin, a blanket, Non-Latex gloves, scissors, hydrocortisone cream, thermometer, tweezers and instant cold compress
- Tool kit with basic tools, in case you need to shut off utilities
- Hand sanitizer and garbage bags for sanitation
- Plastic sheeting and duct tape in case of broken windows or a leaky roof
- Whistle to signal for help so rescuers can locate you

Winter storms create a higher risk of car accidents, hypothermia, frostbite, carbon monoxide poisoning, and heart attacks from overexertion.

## Self-Quarantining

Are you still out-of-town or just returning? We want to remind you of the importance of a 14-day quarantine when returning home to Benzie County. Health officials continue to advocate for a 14-day quarantine after you have traveled. This is a long-time health practice. You may not have any symptoms of COVID-19, but could have been exposed or might be a carrier and develop the disease within the 14-day timeframe. The CDC encourages everyone to voluntarily self-quarantine after travel to prevent the spread of COVID-19. WE understand this may be challenging. Please contact our office at 231.525.0600 or the Benzie-Leelanau District Health Department at 231.256.0200 with questions.

# The Kitchen Uncovered

This is my favorite time of year in Northern Michigan. The heat and humidity are replaced with crisp cool weather. Road construction and summer traffic are replaced with school busses and color tours. And frantic summertime activities are replaced with crackling campfires and leaf piles. For me the holiday season brings all of this together. The smells, food, sounds and colors all come together one last time before the long winter begins. This is also the last time many families gather before hunkering down in preparation for the winter ahead.

This year is very different for all of us. Just following an incredibly scaled-back version of Halloween, my family and I made the painful decision to cancel our Thanksgiving dinner. This will be the first one we have missed in my entire life. It was a hard decision, but it was made with the health and safety of our family and community being the most important factors. As depressing as this decision was, it really put things into perspective for me. The parts of life we take for granted like sitting next to a family member for dinner or handshakes and hugs are some of the most valuable things we are all craving these days. But for most of us, normal will be back before we know it, and we will get back into our routines and traditions. However, there is a large part of our community who deal with this loneliness and isolation every day.

We take a lot of pride in delivering an old-fashioned Thanksgiving dinner to those who might not have other opportunities for a holiday meal. We slow roast real herb basted turkey and serve it alongside savory stuffing, our famous mashed potatoes, fresh baked bread, green bean blend, and even a slice of pumpkin pie! And it wouldn't be thanksgiving without Bonnie's Famous Cranberry Sauce! We will be serving a Pineapple Dijon Baked Ham for Christmas with Whipped Sweet Potatoes, European Vegetable Blend, Sweet Hawaiian Rolls and Fresh Oranges. (There may even be some Christmas cookies too!)

There may be many more people for whom these are the only holiday meals they receive. When things eventually get back to normal, we should all remember these feelings of loneliness and isolation so many feel throughout the year, especially around the holidays, and give our neighbors and family members a phone call or visit. Maybe bring them an extra slice of pumpkin pie!

Take care,

David Main,

## Flu Shots/ Nutrition In the Winter

While much of the world's focus this year has been on the pandemic, it's once again time for the influenza virus to begin making the rounds. Like COVID-19, older adults are at higher risk for contracting it. According to the Centers for Disease Control and Prevention (CDC), older adults account for 70% to 85% of seasonal flu-related deaths in the United States during a typical flu season. They also make up between 50% and 70% of flu-related hospital admissions.

Every year, more than 200,000 people are admitted to hospitals with the flu. Another 36,000 people lose their lives because of flu-related complications. Older adults comprise the bulk of those numbers.

While we know some members of our population, such as children, pregnant women, and people aged 40 or older, are at higher risk for the flu and its complications, anyone can catch it. Even if you don't feel sick, you might be. You can spread the virus to people you come in contact with who may have a weaker immune system.

Where can you get your flu shot?  
Hometown Pharmacy in Honor. Call 231.325.2735

## Healthy Eating Tips for the Winter Months

**Take Advantage of Root Vegetables.** Winter is peak season for root vegetables, considered to be some of the most nutrient rich veggies you can eat. Parsnips, yams, beets, and carrots are just some of the root vegetables readily available from fall to spring that are easy to cook and that pack a nutritional punch. Root vegetables are high in vitamins A, B, and C as well iron. Plus, they are high in fiber and slow-burning carbohydrates, so you'll stay fuller longer after a meal.

**Stock up on Citrus.** Oranges, grapefruit, pineapple and all other citrus fruits are in season during the winter months, so you can often find top quality citrus fruits at the best prices. High in vitamin C, citrus is a great addition to winter diets for seniors, to help you keep cold and flus at bay.

**Omega Three Fatty Acids.** Next time you visit the grocery store, consider adding walnuts, avocados, and flax seed to your cart. These foods are full of omega three fatty acids, known to reduce inflammation and help curb heart disease, arthritis, and even cancer. Flax seeds can be crushed in a food processor and added to cereals, yogurt and even salads.

**Include Dark, Leafy Vegetables.** The winter months are a great time to add more dark leafy vegetables that are high in vitamins and antioxidants to your diet. Include spinach, broccoli or chard to your meals for extra fiber, and stock up on green veggies by keeping plenty of frozen or canned selections readily available.

**More Vitamin D Rich Foods.** Our main source of Vitamin D is sunlight. During winter months, nutritionists recommend adding more Vitamin D rich foods, including egg yolks, seafood, healthy grains, and Vitamin D fortified milk.

Benzie Senior Resources is making the season extra special by assembling and delivering holiday gift bags to 200+ seniors. Items needed include: hand lotion; facial tissue; socks; large print crossword/word search puzzle books; protein/breakfast bars; trail mix; cheese crackers; sugar-free cough drops; pencils/pens; hand sanitizer; small package of disinfectant wipes; liquid hand soap and paper towel. Many recipients often say this is the only gift they receive all season. Please drop off donations at The Gathering Place Senior Center between 11:30 a.m. and 1:00 p.m. Monday – Friday. If this time doesn't work please call Dawn at 231.525.0601 to schedule a different drop off option. If you are uncomfortable shopping, BSR welcomes monetary gifts to assist us in this project. Your safety and wellbeing are a high priority for us. Gifts are needed by December 4th. Please help us spread some Christmas Cheer!

### A Christmas Story by Bob Lucas

As I sit here watching the Detroit Lions win, a commercial jogs my memory. I'm taken back to Christmas, 1951 in Kunsan, Korea.

Everyone was in a nostalgic mood. Christmas season, when you are a long way from home, seems to be more important than usual. We were told we were going to have some special guests for our upcoming Christmas Dinner. Speculation ranged from politicians to big brass to Hollywood movie stars. None of these seemed very exciting to me.

Christmas morning arrived and there was a commotion near our front gate of "C" company 809th Engineer Aviation Battalion, SCARWAF (Special Category Army with Air Force). Everyone clamored to see what was going on. Coming in were about twenty Korean orphans. Boys with blue shorts, suspenders and white shirts. Girls with long skirts and white blouses. All ages 5-10 years. We couldn't help but admire and appreciate the two Korean teenagers, ages 14 and 16, who were the only ones looking after these clean and polite orphans.

You wouldn't believe the excitement this generated! Better than politicians, big brass or movie stars.

During Christmas dinner, over 100 gifts all wrapped in Christmas paper, materialized on the mess hall tables. It's surprising to see what 225 men had in their footlockers or had just received from home.

The highlight of the day was when a young orphan, about age 5, stood on the mess hall table and sang, "Silent Night" in English. There wasn't a dry eye in the "C" company. We had everything imaginable for our Christmas dinner, including tons of peanuts and candy which we fully enjoyed watching the children stuff their pockets with it all.

It was the best Christmas I ever had.

# Subaru Share the Love Event

Share the Love with Vulnerable Seniors This Year

Exciting news! For the 13th year running, the Meals on Wheels network is participating in the 2020 Subaru Share the Love Event. Over the past twelve years, Subaru and its retailers have helped Meals on Wheels to deliver more than 2.3 million meals nationwide to seniors in need.

Why does Subaru support Meals on Wheels? Too many seniors are struggling to stay independent and healthy. **One in four seniors lives alone in isolation and one in seven seniors might not know from where their next meal is coming.** This is simply unacceptable, which is why Benzie Senior Resources provides the nutritious meals, friendly visits and safety checks to the seniors of area. This vital support keeps seniors in their own homes, where they want to be.

We're incredibly grateful to Subaru and its Retailers for supporting our organization and the seniors we serve. With that in mind, we thought you might want to learn a little bit more about the Subaru Share the Love Event.

## HERE'S HOW IT WORKS

This November 19, 2020, through January 4, 2021, for every new Subaru vehicle purchased or leased, Subaru will donate \$250 to the customer's choice of participating charities.\* Meals on Wheels is one of four national participating charities and has been since the inception of the event. Through this event, as a member of Meals on Wheels America, Organization Name will receive a share of the donation from Subaru vehicles sold at participating Subaru Retailers.

You might not be in the market to purchase a new car, but if you are, please look into the Subaru Share the Love Event to learn more. If you're not shopping for a new vehicle, *you can still help* by spreading the word to your family and friends. A few quick and easy ways to do that:

- Share this newsletter article!
- Share our posts about the Share the Love Event on Facebook. If you haven't liked our page yet, just type in @BenzieSeniorResources in the search bar and our page will pop up.
- Share our webpage, [www.BenzieSeniorResources.org](http://www.BenzieSeniorResources.org) where you'll find information on this event.

And remember: this holiday season you can ensure our senior neighbors are not forgotten, when you purchase or lease a new Subaru and select Meals on Wheels as your charity of choice.

\*Disclaimer: Subaru will donate \$250 for every new Subaru vehicle sold or leased from November 19, 2020, through January 4, 2021, to four national charities designated by the purchaser or lessee. Pre-approved Hometown Charities may be selected for donation depending on retailer participation. For every new Subaru vehicle sold or leased during the campaign period, participating retailers will donate a minimum of \$50 in total to their registered Hometown Charities. Purchasers/lessees must make their charity designations by January 15, 2021. The four national charities will receive a guaranteed minimum donation of \$250,000 each. See your local Subaru retailer for details or visit [subaru.com/share](http://subaru.com/share). All donations made by Subaru of America, Inc.

## NEED DENTAL HELP?

We are creating a list of those who need dental care but cannot go to the dentist. Please call **Jennifer** at **(231) 721-5337** to **register** & be ready with answers to these questions:

- Do you have insurance? (We can help with funding.)
- What makes it hard for you to go to the dental office? (We can help provide transportation for you **or** bring dental services to you.)
- What is the dental problem that you need help with? (We need to know if you are in pain, if something broke, or if you just want a check-up, etc.)
- Where do you live? (We need to determine if we can go to your house.)

When you call to discuss your dental problems, Jennifer will ask you more detailed questions in order to create a list and make a plan to get you dental care, whether it's coming to your house with the mobile dental van, or helping you get to the office. Please only call if you do not currently have dental care and need it.

Thank you!
