MISSION

We, the members of St. Michael Parish, are disciples of Jesus Christ. We are a welcoming community in the greater Grand Ledge area, belonging to the Roman Catholic Diocese of Lansing. With the help of the Holy Spirit, we nurture our faith and life-long formation through Word and Sacrament. We grow in holiness by faith-sharing, prayer, worship, stewardship, and service. We live by the Gospel, sharing our faith through witness and compassion. We resolve to reach beyond ourselves, dedicated to the spiritual enrichment and needs of each other, our neighbors and the world.

FROM FATHER JIM EISELE
▪ DEAR PARISHIONERS ▪

This Wednesday is Administrative Professionals Day. I am grateful for our parish secretary, Melissa Coll-Smith, our school secretary, Laurie Mooney, our Communications Coordinator, Dawn Goodman, and our Bookkeeper Mary Hulinek for their dedicated service to our staff, parishioners, and all who call or visit our parish and school.

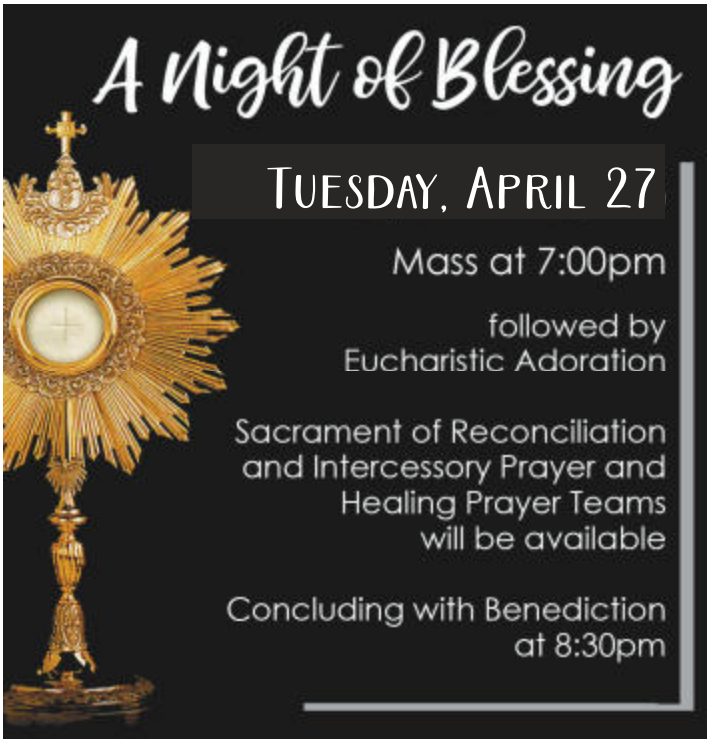
This Thursday is Earth Day. I encourage you to join with many others around the world in saying a prayer at noon such as the one printed in our bulletin for greater stewardship of God's gift of creation. I also encourage you to listen to a Roundtable discussion on *Laudato Si'*, Pope Francis' letter on the environment, that can be found at the following link: www.usccb.org/issues-and-action/human-life-and-dignity/environment/index.cfm.

Our Earth Care team will be having their scrap metal drive this Saturday, proceeds will go toward installing more energy efficient lighting in our church and school. Free tree seedlings will be available to anyone who stops by.

This Friday I will be receiving my 2nd Moderna vaccine. As it reaches its full potency, I look forward to the greater opportunities this will offer. For example, beginning May 8, I will resume hearing confessions in the confessional rather than the sacristy. I have had several people ask me about taking the vaccine. Here are a couple quotes from the United States Conference of Catholic Bishops Statement, *Moral Considerations Regarding the New Covid-19 Vaccines:*

> Receiving the COVID-19 vaccine ought to be understood as an act of charity toward the other members of our community. In this way, being vaccinated safely against COVID-19 should be considered an act of love of our neighbor and part of our moral responsibility for the common good.
>
> Given the urgency of the COVID-19 crisis, the lack of available alternative vaccines, and the fact that the connection between an abortion that occurred decades ago and receiving a vaccine produced today is remote, inoculation with the new COVID-19 vaccines in these circumstances can be morally justified. For our part, we bishops, all Catholics, and men and women of good will must continue to do what we can to ensure the development, production, and distribution of a COVID-19 vaccine without any connection to abortion and to help change what has become the standard practice in much medical research, a practice in which certain morally compromised cell lines are routinely used as a matter of course, with no consideration of the moral question concerning the origins of those cell lines.

Have a blessed week!



CANS FOR SEMINARIANS

(initiated by the St. Michael Council) Drop off returnables after Masses on April 17/18. There will be a K of C member at the Paper Gator to receive your cans. The week ahead is Faith Climate Action Week. It includes Earth Day on Thursday and the Scrap Metal Drive on Saturday. The St. Michael Earth Care Team urges you to pray for the care of God's creation every day during the week. Here's a short prayer you might use.

Prayer of Stewardship

God of all Creation,
At the beginning of time, You placed a single mandate on humankind - To be stewards of Creation, To replenish and nurture all generations What you have made.

We kneel today amid that same Creation - A world that is, in many ways, more splendid than ever, But, in too many ways, scarred beyond recognition.

Turn us from our unmindfulness. Help our touch be light. Help us renew the world that supports us, So we may once more know Creation, As it was in the beginning.
Amen

Annual Community-Wide Scrap Metal Drive ▪ Saturday, April 24

(Remember no items which have refrigerants, oil, or gas.) Let your neighbors and friends know, the more scrap the better! If you have questions, or would like to get a good workout while helping out, call Larry Doyle at 627-2357 to participate in this earth-friendly event.

Micah 6:8

And what does the Lord require of you? To act justly and to love mercy. And to walk humbly with your God.

"Examples from the experiences of Native, African, and Hispanic Americans demonstrate how, as a nation, we have never sufficiently contended with the impact of overt racism." For instance, "to understand how racism works today, we must recognize that generations of African Americans were disadvantaged by slavery, wage theft, "Jim Crow" laws, and by the systematic denial of access to numerous wealth-building opportunities reserved for others. This has left many African Americans without hope, discouraged, disheartened, and feeling unloved. While it is true that some individuals and families have thrived, significant numbers of African Americans are born into economic and social disparity. The poverty experienced by many of these communities has its roots in racist policies that continue to impede the ability of people to find affordable housing, meaningful work, adequate education, and social mobility. The generational effects of slavery, segregation, and the systemic use of violence - including the lynching of more than 4,000 black men, women, and children across 800 different counties throughout the United States between 1877 and 1950 - are realities that must be fully recognized and addressed in any process that hopes to combat racism."

ACTION: Check out this 2-pager from the US Conference of Catholic Bishops that explores the background of economic inequalities affected by race in our country: usccb.org/-and-action/human-life-and-dignity/racism/upload/racism-and-economic-inequality.pdf

PRAYER: May our voices calling together for justice be a part of our lament for those who have suffered and died unjustly. May our voices calling to transform sinful structures of racism and violence become a healing chorus for the living. Hear these sorrows, these laments, O Lord and, as we strive to follow the loving wisdom of Christ hear our calls for solidarity and healing. Amen.

Tips for Reading Scripture

As we continue through the Bishop's Year of the Bible, many of us may be asking questions about what we're reading, how we're supposed to interpret it, and how to hear God speaking to us through it. Here are some tips offered by Fr. Mike Schmitz, who recently started a separate Bible reading program. You can watch the full video at https://bibleinayear.fireside.fm/launch-episode-3, and find the outline for his discussion below:

1. Pay attention to the genre. The Bible includes a mix of historical, narrative, legal, narrative, and storytelling texts, along with wise sayings and the Psalms. Not all are inspirational or uplifiting.
2. In interpreting, keep in mind that God is revealing Himself to us through human words, so be attentive to the following:
   a. The sacred author's intentions (conditions of the time, culture, literary genres in use, modes of feeling/speaking, all as narrated in that time)
   b. Content and unity of Scripture (the books of the Bible inform each other)
   c. Living tradition of whole church (beyond what we know from Scripture)
   d. Analogy of faith (interpretation does not go against the teaching of the church)
3. Note the different senses of Scripture:
   a. Literal sense – the basis or what the text means
   b. Spiritual sense:
      i. Allegorical– draw conclusions by symbolism and comparison
      ii. Moral – events should lead us to act justly
      iii. Anagogical – review realities in terms of eternal significance (e.g., heaven)
4. Read knowing the Bible has something to teach you.
5. Keep on going.

New Tuition Savings Plan

Start planning for high school today! We know that a Catholic education is important to your family.

Lansing Catholic High School has collaborated with Gabriels Community Credit Union to offer an opportunity to make a Catholic high school education more manageable and affordable. Choosing a Catholic education requires a financial sacrifice. An investment in the future of our children is more than worth it. However, as children get older and enter the most critical years of formation, Catholic school becomes more costly.

Gabriels has created a Catholic High School saving CD. Open your savings CD for as little as $100 and LCHS and Gabriels Community Credit Union will match that $100 commitment for each child. Contact Sean at GCCU to learn more or open your account: gccuinfo@gabrielscu.com or 517-484-0601 or admissions@lansingcatholic.org or 517-267-2158.
