As I turn a year older this month, I find myself reflecting not just on the passage of time, but on the season we are living through together. Birthdays have a way of inviting reflection and gratitude – for relationships, for resilience, and for the quiet strength that carries us forward.

It would be hard to ignore the collective unrest that seems to hum in the background of our daily lives. The news cycles feel louder. Differences sometimes feel sharper. Many of us have lived long enough to recognize that history moves in waves – and we are, once again, riding one.

But if there is one thing our community has taught me, it is this: we are steadier together than we are apart.

Here at Milan Seniors for Healthy Living, I see that steadiness every single day. It's in the warm greetings at the front desk, in the laughter drifting down the hallway after a fitness class, in the thoughtful conversations around the lunch tables. It's in the way members notice when someone hasn't been in for a few days and reach out. These may seem like small moments, but they are the threads that hold a community strong. As Helen Keller once wrote, "Alone we can do so little; together we can do so much."

Growing older has convinced me of something else, too: hope is not naïve. It is practiced. It is chosen. It is nurtured in places like ours, where stories are shared and kindness comes naturally.

Thank you for being part of this circle of steadiness. As I celebrate another trip around the sun, I am grateful to be walking it alongside you.

Love you! MaryAnn

Get ready to turn ordinary eggs into dazzling works of art! This Easter, we're putting a creative twist on tradition by dyeing eggs with 100% silk neckties (we will provide them) - and the results are absolutely stunning! The vibrant patterns from the silk magically transfer onto the eggshells, creating intricate, one-of-a-kind designs that look professionally decorated (but are surprisingly easy to make!). Join us for a colorful, creative celebration that's sure to spark smiles and maybe even a little friendly competition over who makes the most spectacular egg!

Earth Day Movie: The Lorax

Wednesday April 22 @12:30pm

Twelve-year-old Ted lives in a place virtually devoid of nature; no flowers or trees grow in the town of Thneedville. Ted would very much like to win the heart of Audrey, the girl of his dreams, but to do this, he must find that which she most desires: a Truffula tree. To get it, Ted delves into the story of the Lorax, once the gruff guardian of the forest, and the Once-ler, who let greed overtake his respect for nature.

If you can't afford activities, membership, or meals, please don't let that keep you away. We want you to join us!

Transportation Scholarship/Donor

We are pleased to share that a generous donation has been made to support transportation scholarships for our senior community.
These funds are available to help individuals who need transportation assistance but may be experiencing financial hardship.
If you or someone you know could benefit from this support, please contact our Director of Transportation, Alan Lown, at 734-322-8413 or AlanL@MilanSeniors.org for more information.
This scholarship has been made possible through the living trust of Audrey and Don Staulter. We are deeply grateful for their thoughtful generosity and the meaningful difference their gift will make in the lives of others.
