things. But when it

**- Pope Gregory I**

### World Day of Prayer for the Care of Creation

**Pope Francis has established September 1st as the World Day of Prayer for the Care of Creation, encouraging the Catholic community around the world to pray for our common home.**

The day is inspired by Pope Francis' landmark Encyclical "Laudato Si", which calls on "every person living on this planet" to care for our shared Earth.

He calls us all to celebrate this opportune moment to "reaffirm [our] personal vocation to be stewards of creation, to thank God for the wonderful handiwork which he has entrusted to our care, and to implore his help for the protection of creation, as well as his pardon for the sins committed against the world in which we live." Here are themes that Pope Francis highlighted in Laudato Si' which require our urgent response today.

- **A Moral and Spiritual Challenge.** The ecological crisis, Pope Francis writes, is a summons to profound interior conversion—to renew our relationships with God, one another, and the created world.
- **Care for God's Creation.** God created the world and entrusted it to us as a gift. Now we have the responsibility to care for and protect it and all people, who are part of creation. Protecting human dignity is strongly linked to care for creation.
- **We are All Connected.** We are connected to the rest of the human family, to the created world, and to those who will come after us in future generations.
- **Impact on the Poor.** People in poverty have contributed least to climate change, yet they are disproportionately impacted by it. As a result of excessive use of natural resource by wealthy nations, those who are poor experience pollution, lack of access to clean water, hunger, and more.
- **Called to Solidarity.** We are one human family and have a shared responsibility for others and for creation. Wealthy countries have a responsibility to reduce consumption of non-renewal resources and should help poorer nations develop in sustainable ways.
- **Technological and economic development** must serve human beings and enhance human dignity, instead of creating an economy of exclusion, so that all people have access to what is needed for authentic human development.
- **Supporting Life, Protecting Creation.** Concern for nature is incompatible with failure to protect vulnerable human beings, such as unborn children, people with disabilities, or victims of human trafficking.
- **A Time to Act.** Pope Francis calls for a change in lifestyle and consumption. We can make important changes as individuals, families, and communities, and as civil and political leaders.
- **Hope and Joy.** "Injustice is not invincible" (no. 74) and we act knowing that we seek to live out God's vision of renewed relationships with God, ourselves, one another, and creation

#### Prayer

Triune Lord, wondrous community of infinite love,  
teach us to contemplate you  
in the beauty of the universe,  
for all things speak of you.

Awaken our praise and thankfulness  
for every being that you have made.

Give us the grace to feel profoundly joined  
to everything that is.

God of love, show us our place in this world  
as channels of your love  
for all the creatures of this earth,  
for not one of them is forgotten in your sight.

Enlighten those who possess power and money  
that they may avoid the sin of indifference, that  
they may love the common good, advance the  
weak, and care for this world in which we live.

The poor and the earth are crying out.  
O Lord, seize us with your power and light,  
help us to protect all life,

to prepare for a better future,  
for the coming of your Kingdom  
of justice, peace, love and beauty.

Praise be to you!

Amen.

Excerpted from "A Christian prayer in union with  
creation," in Laudato Si', no. 246

### Hurricanes, Severe Storms, and COVID-19

Planning for hurricane season and other potential disasters can be stressful, and because the 2021 hurricane season comes during the coronavirus disease 2019 (COVID-19) pandemic, it may be especially so.

Public health and emergency response professionals have advice to help you safely prepare, evacuate, and shelter for severe storms while protecting yourself and others from COVID-19. Here are some tips to help you and your family stay safe during hurricane season this year.

#### Prepare for hurricane season

- Understand that your planning may be different this year because of the need to protect yourself and others from COVID-19.
- Get a COVID-19 vaccine as soon as you can. COVID-19 vaccines help protect you from getting sick or severely ill with COVID-19 and may also help protect people around you.
- Give yourself more time than usual to prepare your emergency food, water, and medicine supplies. Home delivery is the safest choice for buying disaster supplies; however, that may not be an option for everyone. If in-person shopping is your only choice, take steps to protect your and others' health when running essential errands.
- Protect yourself and others when filling prescriptions by limiting in-person visits to the pharmacy. Sign up for mail order delivery or call in your prescription ahead of time and use drive-through windows or curbside pickup, if available.
- Pay attention to local guidance about updated plans for evacuations and shelters, including shelters for your pets.

When you check on neighbors and friends, be sure to follow physical distancing recommendations (staying at least 6 feet from others) and other CDC recommendations to protect yourself and others.

#### Prepare to evacuate

- If you may need to evacuate, prepare a "go kit" with personal items you cannot do without during an emergency. Include items that can help protect you and others from COVID-19, such as hand sanitizer with at least 60% alcohol, bar or liquid soap, disinfectant wipes (if available) and multiple, clean masks for everyone age 2 or older. Masks should have two or more layers and fit snugly against your face. They should not be used by people having trouble breathing, or who are unconscious, incapacitated, or unable to remove the mask without assistance.
- Know a safe place to shelter and have several ways to receive weather alerts, such as National Weather Service cell phone alert external icon, NOAA Weather Radio external icon, or (@NWS) Twitter alerts.
- Find out if your local public shelter is open in case

you need to evacuate your home and go there. Your shelter location may be different this year due to the COVID-19 pandemic. If you need to go to a disaster shelter, follow CDC recommendations.

- Make a plan and prepare a disaster kit for your pets. Find out if your disaster shelter will accept pets. Typically, when shelters accommodate pets, the pets are housed in a separate area from people.
- Follow safety precautions when using transportation to evacuate.

#### Staying with friends or family

If you will be staying with friends or family outside your household to evacuate from the storm:

- Talk to the people you plan to stay with about how you can all best protect yourselves from COVID-19.
  - Consider if either of your households has someone who is at higher risk of developing severe illness from COVID-19, including older adults or people of any age who have underlying medical conditions. Make sure everyone knows what they can do to keep them safe from COVID-19.
  - Follow everyday preventive actions, including covering coughs and sneezes, washing your hands often, and avoiding touching your eyes, nose, and mouth with unwashed hands. Consider taking extra precautions for people living in close quarters.
- Know what to do if someone in your family or in the household you are staying with becomes sick with COVID-19. Take steps to keep your pets safe.

#### Stay safe after a hurricane

In addition to following guidance for staying safe and healthy after a hurricane, note that:

- You should continue to follow preventive actions to protect yourself and others from COVID-19, like washing your hands and wearing a mask during cleanup or when returning home.
- It may take longer than usual to restore power and water if they are out. Take steps to prevent carbon monoxide poisoning if you use a generator.
- If you are injured or ill, contact your medical provider for treatment recommendations. Keep wounds clean to prevent infection. Remember, accessing medical care may be more difficult than usual during the pandemic.
- Dealing with disasters can cause stress and strong emotions, particularly during the COVID-19 pandemic. It is natural to feel anxiety, grief, and worry. Coping with these feelings and getting help when you need it will help you, your family, and your community recover.
- People with preexisting mental health conditions should continue with their treatment and be aware of new or worsening symptoms. Additional information can be found at the Substance Abuse and Mental Health Services Administration external icon page.

Dear Families and Friends,

Our week was filled with fire drills on each campus, science experiments in middle school, classroom visits from Father Jose, and lots of fun and learning in Pre-School. In addition to our prayers, petitions, and pledge of allegiance, the students recite the mission of St. Catherine Catholic School every day:

*St. Catherine Catholic School provides a Christ-centered education and a strong Catholic foundation where children can strengthen their relationship with God and prepare for life's challenges and their service to others.*

Our Mission keeps us centered on what we do!

Praying for the safety of our parish and school community.

God bless,

Dr. Higgins  
Principal

## Remember St. Catherine's in Your Will

A bequest is a wonderful way to express gratitude to God for a lifetime of blessings! The gift you give establishes a lasting legacy of love for others by helping the St. Catherine Church to continue our Catholic heritage through its many ministries. The following is possible wording for including a bequest in your will:

"I bequeath the greater of \$\_\_\_\_ or \_\_\_\_% of the residue of my estate to Bishop Frank J. Dewane, (or his successor), Roman Catholic Bishop of the Diocese of Venice in Florida, a corporation sole, whose principal office is located at 1000 Pinebrook Rd., Venice, FL 34285, **"For the benefit of St. Catherine of Siena Catholic Church, in Sebring, FL."**

*The actual wording in your will should be determined by you and your attorney. If you have any questions or wish to consider a gift annuity or trust for St. Catherine of Siena Catholic Church, please contact Fr. José González at (863)385-0049.*

## RED MEMORIAL CANDLES

Are in the back of the church adjacent to the Chapel. A Memorial Candle is lit and remains lighted at all times for one year in memory of a person who has passed away. You may commemorate a loved one by lighting a candle for one year with a donation of \$150.

Please come to the Parish Office to make arrangements for a Memorial Candle which will be accompanied by a small plaque with the name of the person.
