# MESSAGE FROM FLORIDA CONFERENCE OF CATHOLIC BISHOPS

**FLORIDA CONFERENCE OF CATHOLIC BISHOPS**  
The nonpartisan public policy voice of the Catholic Church in Florida

## STATEMENT ON ROE V. WADE DAY OF PRAYER FOR THE LEGAL PROTECTION OF UNBORN LIFE January 22, 2022

On this tragic 49<sup>th</sup> anniversary of the U.S. Supreme Court's decision in *Roe v. Wade* that legalized abortion and stripped the unborn of their fundamental right to life, we mourn the heartbreaking loss of over 62 million victims. The Catholic Church stands emphatically and unreservedly for the rights of the unborn. We look forward with the hope that God will soon bring our nation to a profound awareness of the dignity of human life and a recognition that all lives deserve protection under the law.

We are especially encouraged that the U.S. Supreme Court has heard arguments in the Mississippi abortion case, *Dobbs v. Jackson Women's Health Organization*. This case addresses whether banning abortions after 15 weeks gestation is constitutional. Although difficult to predict, this could very well be the case that overturns *Roe* entirely or in part. We are steadfast in praying that there will be a monumental shift in the Court's abortion precedent in favor of protecting unborn children. We entreat the faithful to commit to daily prayer and fasting along with other believers across the country for a decision that honors the sanctity of unborn life through the Pray for Dobbs campaign ([www.prayfordobbs.com](http://www.prayfordobbs.com)).

We also remain hopeful that the Florida Supreme Court will have an opportunity to reconsider its 1989 ruling that interpreted our state constitution's privacy clause to find a right to abortion in Florida. We are closely following a case currently on appeal, *Gainesville Woman Care, LLC v. State of Florida*, addressing the constitutionality of a common-sense Florida law requiring a 24-hour reflection period prior to abortion. Though this good law is being challenged on the basis that it violates the state constitutional right to privacy, we pray for a judicial outcome that upholds the pro-life law so that women have more time to deliberate undergoing an abortion. Additionally, we urge Florida's Agency for Healthcare Administration to strengthen enforcement of existing abortion regulations.

As a Church, we are committed to accompanying all women, including those experiencing unplanned pregnancies or considering abortion. One way that we have been serving pregnant women and their families is through the U.S. Conference of Catholic Bishops' initiative *Walking with Moms in Need*, which connects parishioners with volunteer opportunities at community pregnancy resource centers. We wholeheartedly support this ministry that offers tangible, life-affirming support for vulnerable families – fathers, mothers and their babies. As Pope Francis has said, "And among the most fragile are children who do not see the light because their mothers suffer economic, social and cultural conditioning that drives them to give up that wonderful gift that is the birth of a child." (Address of His Holiness Pope Francis to the Hospital of the Innocents Institute, May 2019)

The Church seeks to be a beacon in a dark world and desires to serve as a field hospital to all who are contemplating or have been harmed by abortion. Even while we recommit to highlighting the great good in embracing life so that abortion is unthinkable, may the Lord continually renew our collective passion to advocate for the protection of unborn children from harm. We ask that the Lord would guide and strengthen our elected and appointed officials in Florida and pray that the legislative and judicial branches at both the state and federal levels come to respect the sacredness of each human life, including the unborn. Let us continue to fight for a culture of life in all spheres so that our society may appreciate the truth that every person—no matter their size, ability, or location—is worthy and worth protecting.

## Catholic School Info

### Announcement for families with students in Catholic School:

In order to qualify for the Catholic Family School tuition rate and completion of the Parish Affiliation Form, weekly offertory envelopes usage is required on a regular basis.

It is important to understand an offering does not need to be included with the usage of the weekly envelopes.

This is the only feasible way to confirm your family is active in the church and meets the definition of an "active Catholic family."

If at the time of needing the Parish Affiliation Form to be completed, you do not meet the definition, we are happy to do so when your attendance at weekly Mass has met the definition.

We applaud your decision to educate your children in our Faith.

God Bless,  
Your Parish Finance Council of Our Lady of the Angels

## **RESPECT LIFE WEEKEND: JANUARY 22 AND 23**

Each year on January 22, all Catholic dioceses in the United States are called to observe a "Day of Prayer" for the Legal Protection of Unborn Children. January 22 is the anniversary of the 1973 Roe v. Wade Supreme Court decision that legalized abortion throughout our nation. Since then, over 60 million lives have been lost. That's more than the size of Italy's population.

We set aside January 22nd and 23rd to pray for the sanctity of life from conception to natural death, and the full restoration of the legal guarantee of the right to life. This includes days of penance for violations to the dignity of the human person committed through acts of abortion. We are each called to observe these

days through the penitential practices of prayer, fasting and/or giving alms. The act of abortion rejects God's gift of life. Abortion destroys the life of a child, lovingly knit together in his or her mother's womb, and for someone who has participated in abortion, the loss of a child can form a hole in their heart so deep that sometimes it seems nothing can fill the emptiness. As a human and Christian family, we grieve the loss of so many lives. And yet, even in our grief, we know there is hope. CHRIST came for the very purpose of redeeming our sins, offering us His forgiveness, and giving us His peace. Therefore, let us take courage and offer prayer and penance, that all human life would be welcomed in love and protected in law.

*If you or someone you know is suffering after abortion, confidential, compassionate care is available. You can find out more information about the Church's ministry for healing after abortion by visiting [www.hopeafterabortion.com](http://www.hopeafterabortion.com).*

## **The White Cross Project**

The Knights of Columbus have placed white crosses along the campus once again this year to mark the anniversary of Roe vs Wade with the help of the Culture of Life ministry. This year there are 125 white crosses each one representing the lives of 500,000 innocents since the Roe V Wade decision on 1/22/1973 of the unborn.

# PLANNING STUDY

Newsletter

JANUARY 23, 2022

## Parish-Wide Planning Study Begins!

As we look to the future of Our Lady of the Angels, it is important we plan for our future, together. We are moving forward with a Feasibility Study, a process designed to ensure that we, as a parish community, are committed to our goal of building a multi-purpose Education Center and Rectory.

In order to be good stewards of our resources, careful arrangement and thoughtful planning are required and the feedback of our parishioners is essential. In fact, it is paramount. Your participation in this study is an important factor in making this project a success. Your input will enable us to prepare a course of action so that together we can make educated projections concerning our future.

The parish is being assisted by Guidance in Giving, a professional Catholic development firm, to work with our staff in coordinating all aspects of the Feasibility Study. Your survey responses will be seen **only** by Guidance in Giving staff. We invite you to be forthright with your responses!

### Father's Letter Is On Its Way!

Every registered family will be mailed a personal invitation from Father Sebastian to participate in the Feasibility Study. All parishioners are asked to respond by the weekend of February 5th/6th.

The findings from the study are intended to assist us in obtaining an accurate view of the feelings, opinions, and financial support of our parish families toward a proposed capital campaign. Information provided to Guidance in Giving will be kept completely confidential.

Father Sebastian thanks you in advance for your advice, counsel, and prayers as they make plans for the upcoming project.

**Please contact the parish office if you do not receive Father's letter
