Don't you just love to sing Christmas songs? If you are like me, there's nothing quite like Christmas Eve and Silent Night. It just gets into your soul, doesn't it?

We invite you to commit to giving a present to Jesus this year for Christmas - that's the gift of your voice. We in the Music Ministry want to reach out to each one of you and invite you to join us in singing every song and every Mass part on Christmas and for the rest of the church year! You can do it from your pew - with your family - without committing to any practices - and at whatever mass you choose to attend - without joining any of our ministries!

You might say - "I can't read music!" Frankly, neither can a whole lot of us. Some of us don't know a B flat from a flat tire! Or you might say I don't have any musical talent. Where in the Bible does it say to make a loud noise with horn and cymbal but only if you have musical talent? (It doesn't) Or worse of all you might say "I can't sing!" or even worse "I have a terrible voice." Well, that's just not true. God made your voice. He doesn't make junk - he gave you your voice - he has known what it would sound like since... well actually he has always known because he has always known that you would be here at this time and with your voice.

So why have you decided he doesn't want to hear your voice? He wants to hear it out loud. See there's a beautiful thing that happens when many people sing - the music just sounds better - we add to each other's voices and make a truly wonderful noise unto the Lord! In almost every mass I attend, inevitably I hear a small child cry out in the middle of mass. Some people say, "take that child to the cry room!" I say, "Let's all be like that child!" That kid has it right! Call out to God at the top of your voice! Sing out to God with all your heart! Let the music kindle your faith. It's a gift that all of you can give to our savior. It's the gift of you!

So, this Christmas SING OUT. Pull out that missalette and join in the songs. We don't call ourselves a choir - choirs perform for an audience. We are of you - we are from you - we are you. Join us all in singing and praising God.

And if you are inspired, talk to me about the Contemporary Music Ministry - we are a come as you are band - we don't have auditions and we practice before mass. Or if you like a contemporary approach - and who does not love to hear some of the traditional mighty songs of praise sometimes - then speak to Rocky about joining the Sunday Music Ministry. Or if you love Christian Contemporary Praise band music - like Matt Maher (a Catholic) other current singers - join the new Praise Music Ministry. Most of all - please just SING!

9 DAYS FOR LIFE

PRAY TO PROTECT
HUMAN LIFE!

JANUARY 19-27, 2022

9 Days for Life is a novena for the protection of human life. Each day's intention is accompanied by a short reflection and suggested actions to help build a culture of life. Join today at www.9daysforlife.com!

Over **62 Million** children never had a birthday or got to see a Christmas because their lives were ended by abortion, and that is just in this nation. Besides the loss of human life we also lost what those lives could have brought to society. Doctors, Scientists, Teachers, we will never know what they could have been. What about their offspring, the loss to humanity unbelievable?

We also pray for those who are faced with making this decision. We pray that they receive and are aware of all the support and services that are available to them. They are not alone in this, the help and guidance is there for them both women and men. Our prayer is that they **choose life**.

The Knights of Columbus Switzerland council 12664 invites you to join us in praying for those who cannot help themselves. It is very easy go to the link above and register for the novena. You will get an email each day with the prayers and intentions for that day. We encourage you to pray as a family in your home or with others as a witness for Christ.

If you know someone who is facing this decision and feel desperately alone, please have them contact the parish office, the diocese or any Knight of Columbus and we will make sure they have available to them all the assistance they need. They are never alone!!

ACTION ALERT – Women's Health Protection Act (S. 1975) The Senate is about to vote on the most radical abortion bill of all time.

This would impose abortion on demand, at any stage of pregnancy and would apply nationwide. It would force Americans to pay for abortions with tax dollars. You can take action NOW by going to the USCCB's Action Center:
