# 9 DAYS FOR LIFE

PRAY TO PROTECT HUMAN LIFE!

**JANUARY 19-27, 2022**

9 Days for Life is a novena for the protection of human life. Each day's intention is accompanied by a short reflection and suggested actions to help build a culture of life. Join today at [www.9daysforlife.com](http://www.9daysforlife.com)!

Over **62 Million** children never had a birthday or got to see a Christmas because their lives were ended by abortion, and that is just in this nation. Besides the loss of human life we also lost what those lives could have brought to society. Doctors, Scientists, Teachers, we will never know what they could have been. What about their offspring, the loss to humanity unbelievable?

We also pray for those who are faced with making this decision. We pray that they receive and are aware of all the support and services that are available to them. They are not alone in this, the help and guidance is there for them both women and men. Our prayer is that they **choose life**.

The Knights of Columbus Switzerland council 12664 invites you to join in praying for those who cannot help themselves. It is very easy to go to the link above and register for the novena. You will get an email each day with the prayers and intentions for that day. We encourage you to pray as a family in your home or with others as a witness for Christ.

If you know someone who is facing this decision and feel desperately alone, please have them contact the parish office, the diocese or any Knight of Columbus and we will make sure they have available to them all the assistance they need. They are never alone!!

**ACTION ALERT – Women's Health Protection Act (S. 1975)** The Senate is about to vote on the most radical abortion bill of all time.

This would impose abortion on demand, at any stage of pregnancy and would apply nationwide. It would force Americans to pay for abortions with tax dollars. You can take action NOW by going to the USCCB's Action Center:
