New Members Class

The two session new members class will be held Thursday, January 20 & 27 for those interested in joining the church. Class begins at 6:00pm and lets out by 8:00pm. New members will join on January 30th during the service you attend.

These classes are a great way for our pastors and you to get to know each other and for you to learn about the history of EUMC. Included in the classes: a discussion of the membership vows, a tour of the facilities, a brief look at Methodism and information on ministries and programs.

If you are interested in joining the EUMC family, please call Teresa in the church office at 941-474-5588 and let her know you're planning to attend the classes. Let us know if you need childcare.

Dear EUMC Congregation:

I continue to be amazed and grateful for your ongoing generosity toward EUMC and its ministries, even in the trying times that the Covid-19 pandemic has brought. Please review the year end financial operations report below... we are blessed!

Additionally, I want to report that the special offering we received to provide UMCOR relief to tornado victims totaled \$19,282 and your Christmas offering totaled \$15,412 (to be split between Helping Hand and Habitat for Humanity local chapters). These gifts will go a long way toward relieving food insecurity and the affordable housing crisis in our community.

Thank you for being such a giving church!

Gratefully,
Beth Harrison, Business Administrator

After the funeral, when the cards & flowers have stopped coming, most of the people around you return to their normal lives. But your grief continues. GriefShare is a biblically based support group with the purpose of helping individuals gain tools to manage their grief and rebuild their lives. There is no time limit on how long ago or how recent the loss occurred, you are welcome here. Each class is self contained and you can join at anytime during the 13 sessions. You can register online, in the church office or on Sunday mornings, or you can just come to a class.

Are you interested in making a family or individual's life better? Come join us in repairing homes in the Virginia, Kentucky, Tennessee area the week of April 3rd, (Yes some of you snowbirds can do this on your way north this spring!). You do not have to have skills (but they are helpful), just a willingness to follow directions in making homes warmer, safer, drier. Come visit us in the back of the Fellowship hall the first Sunday of each month if you would like more information.
