This Week's Reflection

Dear Parish Family,

Congratulations to everyone involved with our Vacation Bible School program. VBS was a big success. Thank you to all our teen and adult volunteers and Eric Bridwell for overseeing and coordinating everything. Thank you to all supporting parents and all our children who took part.

New Prayer Opportunity

Bishop Robert Barron's Word on Fire now offers a subscription service in the form of a monthly copy of the Liturgy of the Hours (Divine Office) mailed in paperback format to the subscriber. The benefit of this service is that no knowledge of how to pray the Divine Office is required. Morning, Evening and Night Prayer for each day of the month is included. You open the book at the appropriate date and hour and begin to pray – it's as simple as that! No special training or direction is necessary. It is a wonderful resource for those who are interested. The cost is \$8 per month and the subscription can be cancelled at any time. www.wordonfire.org

The Divine Office is the prayer of the Church recited daily by clergy, religious and consecrated women and men throughout the world. It is the universal prayer of the Church and can be prayed by anyone. At times the Divine Office formulae may seem dry and dull, and not personally meaningful or relevant to our lives. At other times it may seem to be filled with meaning, light and joy. Regardless the Divine Office isn't intended to be a form of personal devotion, and is not offered for ourselves personally. When praying the Divine Office we are uniting ourselves, voice, body and soul to the Church in prayer to God for the world.

Summer Time

Summer is upon us and with it comes much needed vacation time and travel. In your time away please don't forget your parish family here in Henry County. Your kind and generous support through your weekly and monthly parish collection offering helps us so much. Thank you for the blessing that you are to our parish family.

Peace,
Fr. Liam

Gospel Meditation for the 15th Sunday in Ordinary Time

We can learn a great deal from Mister Rogers. Remember him? He was the gentle soul who found his way into living rooms worldwide starting as far back as 1968. Mister Rogers' Neighborhood was a beloved program that celebrated and exalted people, especially children. He taught us that we are neighbors and that everyone has a place. Everyone matters. He had a vision, born of his relationship with God that highlighted every human life's innocence, beauty, and uniqueness. To that end, he called us to be responsible for each other, saying nothing different than what Jesus said. Viewers quickly learned that life is not just about me.

"We live in a world in which we need to share responsibility. It's easy to say, 'It's not my child, not my community, not my world, not my problem.' Then there are those who see the need and respond. I consider those people my heroes (Fred Rogers)." It is so easy to look the other way. After all, I'm not the one who needs to leave home out of fear and try to find somewhere safe. I am not the one who is hungry and without shelter or food. I am not the one who has a child being bullied or ridiculed because of the way they dress or act. I am not the one being threatened with violence or unable to find meaningful work. The distress and agony of our neighbors are our distress and agony. We cannot walk by it with an attitude of indifference, especially if we call ourselves believers. When we no longer care, we have suffocated our souls. This is a great sin.

God's law "is something very near to you, already in your mouths and in your hearts; you have only to carry it out." We all have a need for love and acceptance. That's why Mister Rogers' television show was so popular. It spoke to something deeper, something sacred about humanity. God didn't give us his law in a book. He wrote it on our hearts. We know what we need to do. It's a matter of choice. Love is sacred. When we love another human being, especially without regard for ourselves, it is a holy moment. These moments are often missed due to our self-serving agendas and rules.

"I was sick and you visited me . . ." Mt 25:36

The month of July is dedicated to the Precious Blood. The feast of the Precious Blood of our Lord was instituted in 1849 by Pius IX, but the devotion is as old as Christianity. The early Fathers say that the Church was born from the pierced side of Christ, and that the sacraments were brought forth through His Blood.

"The Precious Blood which we worship is the Blood which the Savior shed for us on Calvary and reassumed at His glorious Resurrection; it is the Blood which courses through the veins of His risen, glorified, living body at the right hand of God the Father in heaven; it is the Blood made present on our altars by the words of Consecration; it is the Blood which merited sanctifying grace for us and through it washes and beautifies our soul and inaugurates the

LEAVING A LEGACY TO THE ST. JAMES PARISH ENDOWMENT FUND

Have you considered leaving a lasting legacy that will benefit the parish forever? Parishioners can make planned gifts to the parish endowment fund which will provide funding for our parish ministries long after we are gone. *This is a wonderful thing you can do for your parish!*

A planned gift is a gift that requires forethought, as it comes from assets or from a will or estate plan. Many find that making a gift in their will (also called a bequest) is the easiest way to support the future of the church for generations to come. The goal of planned giving is to help you plan your estate and charitable giving in a way that benefits you, your family, and the causes you care most about.

How an Endowment Fund Works

To learn more, go to the Catholic Foundation [planned giving page](#) or contact Juliet Greco at jgreco@cfnga.org.

Gifts to the parish endowment fund will ensure our parish has the resources to serve and make a difference in the lives of current and future generations.

**NEW BEGINNINGS
MINISTRY NEWS**

These past two weeks have been busy ones as we helped a family and one individual with hotel rent. One gentleman has many health issues; we are working with another organization which is trying to find him better housing. Another woman and her two year old daughter were living in her car. She works for DoorDash and had to take her child with her as she made deliveries. By helping her with hotel rent, she will be able to save enough money to help with future needs.

Members assembled Father’s Day caps and toiletries to be distributed throughout the month of June to those men in need.

Henry County has recently organized a taskforce for the homeless, and their first event was a cooling center tent erected to help the homeless endure the heat. New Beginnings Ministry attended and passed out lists of helpful resources. The cooling centers will continue to be held throughout the summer on days when the heat index exceeds 100 degrees. Hopefully, we will be able to help in more ways in the future.
