## GOSPEL MEDITATION

September 12, 2021

We need to get our bearings straight and properly lay life's cornerstone. Otherwise, the rest of our journey will be skewed, and our judgment clouded. We can recall Jesus' famous rebuke of Peter, "You are thinking not as God does, but as human beings do." Even he, as one of Jesus' closest friends struggles with understanding things and grasping the big picture. Pierre Teilhard de Chardin (1881-1955) a renowned and learned French Jesuit priest often has these words attributed to him: "We are not human beings having a spiritual experience. We are spiritual beings having a human experience." Whether they were actually from his lips, they certainly mimic his thought. These wise words orient us and capture the essence of who we really are.

Many people consider spirituality an option. It is no wonder that they come to this conclusion when they predominantly define themselves using human terms and concepts. Immersed in this world view, they struggle finding any semblance of God because God does not work according to human expectations! This is especially true when suffering and death enter life's picture. If we are only human beings having a spiritual experience, then we wrongly expect our spirituality to serve us as we desire. The human expectation is that my spiritual life is something that is useful in avoiding pain, hardship, and death, not something that gives the courage to live through it!

So, when we protest and get upset with God because our journey is becoming difficult, painful, treacherous, disappointing, and even pointing us toward death, Jesus rebukes us as he did Peter and gently reminds us how to see. It is God who inspires and opens hearts to see truth and beauty. In God, the true meaning of things is understood, and we receive a depth of insight and understanding that is not found following purely human paths. It is not our task to understand God, as God is beyond human understanding. Ours is the joyful privilege of simply resting in God's presence simply because God is God and we are who we are. As spiritual beings having an exciting and adventurous human experience, it is in our DNA to do so. Through prayer we can let go and let be. This is how we lose our lives but then save them.

### ***The Exaltation of the Cross: 14 September*** **The Story of the Exaltation of the Holy Cross**

Early in the fourth century, Saint Helena, mother of the Roman Emperor Constantine, went to Jerusalem in search of the holy places of Christ's life. She razed the second-century Temple of Aphrodite, which tradition held was built over the Savior's tomb, and her son built the Basilica of the Holy Sepulcher on that spot. During the excavation, workers found three crosses. Legend has it that the one on which Jesus died was identified when its touch healed a dying woman.

The cross immediately became an object of veneration. At a Good Friday celebration in Jerusalem toward the end of the fourth century, according to an eyewitness, the wood was taken out of its silver container and placed on a table together with the inscription Pilate ordered placed above Jesus' head: Then "all the people pass through one by one; all of them bow down, touching the cross and the inscription, first with their foreheads, then with their eyes; and, after kissing the cross, they move on."

To this day, the Eastern Churches, Catholic and Orthodox alike, celebrate the Exaltation of the Holy Cross on the September anniversary of the basilica's dedication. The feast entered the Western calendar in the seventh century after Emperor Heraclius recovered the cross from the Persians, who had carried it off in 614, 15 years earlier. According to the story, the emperor intended to carry the cross back into Jerusalem himself, but was unable to move forward until he took off his imperial garb and became a barefoot pilgrim.

**JOIN OUR PARISH IN PRAYER**

The Rosary is prayed daily, except Mondays, beginning at 11:30am followed by the Divine Mercy Chaplet. These are two powerful means for prayerful preparation for the Holy Eucharist.

**Act of Spiritual Communion**

My Jesus, I believe that you are present in the Most Holy Sacrament.

I love you above all things and I desire to receive you in my soul.

Since I cannot at this moment receive you sacramentally,

Come at least spiritually into my heart.

I embrace you as if you were already there

And unite myself wholly to you.

Never permit me to be separated from you.

Amen.
