# Doctors Say Evidence Shows Mass is Safe When Guidelines Are Followed

(the evidence does not suggest that Church attendance – following the current guidelines - is any more risky than shopping for groceries.)

WASHINGTON, AUGUST 25, 2020, CAN (Catholic News Agency) — Evidence suggests that church services following public health guidelines **do not present a greater risk of spreading the novel coronavirus than other similar activities**, doctors said last week.

Washing hands, social distancing, and mask requirements have helped prevent the spread of COVID-19, even in cases when contagious, pre-symptomatic parishioners took part in church events, three members of the Thomistic Institute Working Group on Infectious Disease Protocols for Sacraments & Pastoral Care concluded. Doctors Thomas McGovern, Deacon Timothy Flanigan, and Paul Cieslak authored an article for *Real Clear Science* on Mass attendance and COVID-19 August 19.

**“For Catholic churches following the guidelines, no outbreaks of COVID-19 have been linked to church attendance, even though we have examples ... of asymptomatic, unknowingly infected individuals attending Mass and other parish functions,” they wrote. “Their attendance could have led to an outbreak if appropriate precautions were not followed, yet in each case, we found no evidence of viral transmission.”**

“This encouraging news should inspire confidence that the guidelines in place - based on CDC recommendations - are working to decrease COVID-19 transmission,” the doctors continued. “While nothing during a pandemic is risk-free, these guidelines mean that **Catholics** (and public officials) **may be confident that it’s reasonably safe to come to Church for Mass and the sacraments.**”

Over the last 14 weeks, they said, approximately 17,000 parishes have held three or more Masses each weekend, as well as daily services, combining to equal more than 1 million public Masses celebrated across the United States since shelter-in-place orders were lifted.

By following public health guidelines, these Masses have largely avoided viral spread, the authors suggested. Nick Schoen, an employee of the Archdiocese of Seattle, has initiated a contact-tracing protocol for Mass-goers in the area. Tracking individuals who have participated in church events shortly before testing positive for COVID-19, he found that none of these individuals launched outbreaks at churches.

The authors pointed to at least four examples of infected individuals attending Mass while pre-symptomatic, as well as three “Anointings” of sick individuals by priests in poorly-ventilated rooms. In each case, they said, the sick individuals avoided infecting other people.

“During a July 3 Funeral Mass (45 attendees, capacity 885), two members of one household notified the parish that they had tested positive for COVID-19 and were infected and pre-symptomatic during the Mass,” they said.

“During a July 11 Wedding (200 attendees, capacity 908), fresh air circulated from multiple open windows with the aid of fans. The following day, an attendee developed symptoms of COVID and on July 13 tested positive. The attendee was almost certainly contagious with pre-symptomatic infection during the wedding.”

In April, the Thomistic Institute’s Working Group on Infectious Disease Protocols for Sacraments & Pastoral Care released guidelines for reopening churches for Mass and other sacraments. These guidelines were incorporated by numerous dioceses into their protocols for reopening. The guidelines were built on a multi-phase proposal for resumption and expansion of public Masses while remaining in conformity with public health guidelines in force in different places.

In “Phase I” of the proposal, the institute encouraged the “Sunday obligation” to be dispensed, the elderly and those at high risk of COVID-19 to stay home, and those with symptoms to stay home from Mass. The institute also promoted social distancing, masks requirements, and the regular use of hand sanitizer.

The few churches that have reported a COVID-19 outbreak did not follow these regulations and in some cases engaged in discouraged actions such as congregational singing. In some cases, these isolated incidents have led local government officials to restrict church services more than activities in restaurants, movie theaters, and casinos. This has prompted lawsuits alleging religious discrimination, which have often been successful.

The doctors said in their article that **there is NO EVIDENCE that church services are higher risk than similar activities when guidelines are followed.** “To date, **the evidence does not suggest that Church attendance - following the current guidelines - is any more risky than shopping for groceries.**

**And the spiritual good for believers in coming to Church is immeasurably important for their well-being,”** they said. **“Indeed, for Catholics, the Mass and above all the Eucharist are central to the Christian life. In a time like this, it is even more important that the faithful be able to come to Church and receive Holy Communion.”**

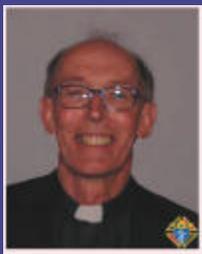

## Welcome Visitors!

Father Farrell, the staff and parishioners of Holy Family Catholic Church welcome you!

Whether you are here for a few days, weeks, or months - we are happy that you have chosen us to be your parish away from home. Those of us who reside here permanently are few in number - perhaps fifteen percent of those who attend our weekend liturgies.

We are inspired by the many thousands who join us in celebrating Mass, both on Sunday and during the week. The beautiful example of faith you give us by your presence strengthens our commitment to serve your spiritual needs. We especially invite you to worship Our Lord in our Eucharistic Adoration Chapel located to the right of the Church as you leave.

We hope your stay on our lovely island is enjoyable, we pray that your journey home is safe and we look forward to your return visit to us - your parish away from home.

## Prayer & Worship

**PLEASE PRAY:** For the Sick: Terry Doyle and for all ill members of our parish.

For the Deceased: Father Michel Bineen Mukad, CICM, Joe Doyle, Lane Ehmke, Edward Finn, Stan Stolarczyk and for all deceased members of our parish. **Intentions for the sick are taken from PARISHIONERS for IMMEDIATE FAMILY, with permission from the infirmed, and remain on the list for one month. ### PRAY THE ROSARY EVERY DAY!

At all times and especially in this time of great distress and uncertainty Our Blessed Mother Mary is a wonderful safe haven. Father Gabriel Amorth, chief exorcist of the Vatican writes: One day a colleague of mine heard the devil say during an exorcism:

*"Every Hail Mary is like a blow on my head. If Christians knew how powerful the Rosary was, it would be my end."*

What makes this prayer so effective is that the Rosary is both prayer and meditation. It is addressed to the Father, to the Blessed Virgin, and to the Holy Trinity, and is a meditation centered on Christ. Beg Our Mother Mary's intercession for peace for yourself, your family, your community, your state, our nation, and the entire world!

Thank you for your continuous support of our food pantry. The need continues and so we ask you to continue bringing us food. Holy Family serves 40 to 65 families every week. In addition, we ask for your continued support of "Our Lady's Pantry" at Mercy Mission in Hardeeville, run by Catholic Charities of South Carolina. Any food items we collect will be shared with them. Items can be brought to office or the back of church.

**NEEDED ITEMS: cereal, breakfast bars,

**Thank you.**

### CANDLEMAS DAY - TUESDAY, FEBRUARY 2

**Candlemas Day** is another name for the Feast of the Presentation of the Lord. Forty days after His birth, Mary and Joseph brought Jesus to the temple for the rites of purification and dedication as prescribed by the Torah. According to the Book of Leviticus(12:1-4), when a woman bore a male child, she was considered "unclean" for seven days. On the eighth day, the boy was circumcised. The mother continued to stay at home for 33 days for her blood to be purified. After 40 days, the mother and the father came to the temple for the rite of purification, which included the offering of a sacrifice - a lamb for a holocaust (burnt offering) and a pigeon or turtledove for a sin offering, or for a poor couple who could not afford a lamb, two pigeons or two turtledoves. Joseph and Mary made the offering of the poor. Also, Joseph and Mary were obliged by the Torah to "redeem" their first born son: "The Lord spoke to Moses and said, 'Consecrate to me very first-born that opens the womb among the Israelites, both of man and beast, for it belongs to me' " (Ex 13:1).

So the Presentation is a proclamation of Christ - Messiah and Priest, Lord and Savior. He is the light who came into this world to dispel sin and darkness. For this reason, since the seventh century, candles have been blessed at Mass this day that will be used throughout the year, hence the term "Candlemas".

On Candlemas night, many people place lighted candles in their windows at home. Candles will be available here at Church to be blessed or you may bring your own candle to be blessed so that you too will have "**The Holy Light of Christ**" in your home to light your way in dark times.

# KICKOFF WEEKEND 2021 BISHOP'S ANNUAL APPEAL

## JANUARY 30-31, 2021

This weekend we kickoff the 2021 Bishop's Annual Appeal. The diocesan programs and ministries supported by the BAA accomplish critically important work. Just some of those funded include Catholic Charities, Catholic Schools, Vocations, Retired Priests, Youth and Young Adult Ministries and so many more.

Through the Bishop's Annual Appeal, we are challenged to look beyond our own parish boundaries and consider the broader mission of the Church. Each parish in the diocese is asked to do their part – and together we must. With an overall goal of \$4 million dollars, our parish target is \$54,823. We will receive back 50% of anything over our goal.

The needs throughout the diocese in the past year have grown exponentially and our support is more important now than ever before. Please take five minutes to watch the BAA video to learn more about it <https://youtu.be/u7t5OSUFjaw>.

I encourage you to join me by offering a sacrificial gift. You will hear more about the Appeal over the next few weeks and will be receiving an invitation from Bishop Guglielmone in the mail during the first week of February.

Together as a parish community, let us respond and do our part. May God bless you and your families for your sacrifice and generosity.

## THE BISHOP'S ANNUAL APPEAL & BICENTENNIAL CAMPAIGN DIFFERENCES EXPLAINED

Support generously offered in response to this mailing will be applied to the **Bishop's Annual Appeal**. We will continue to collect Bicentennial Campaign payments through previously established methods.

**PRIMARY GOAL:**  
Funds raised through the Bishop's Annual Appeal support the daily operations of critical programs and ministries throughout the Diocese of Charleston.

**PRIMARY GOAL:**  
Funds raised through the Bicentennial Campaign support initiatives specific to each parish as well as more strategic, comprehensive, long-range, and larger scale initiatives in both our parishes and in the Diocese of Charleston.

# The Bishop's Annual Appeal and the Bicentennial Campaign

**BUILDING OUR CHURCH FOR  
TODAY WHILE PREPARING FOR  
THE NEEDS OF TOMORROW**

The Church's mission is advanced in important ways through both the Bishop's Annual Appeal and the Bicentennial Campaign. In some areas, the Annual Appeal supports the daily operation of critical ministries throughout the Church of South Carolina while the Bicentennial funds more strategic, comprehensive, long-range, and larger scale initiatives to help the Church serve its people and prepare for doing the Lord's work in the future.
