# Doctors Say Evidence Shows Mass is Safe When Guidelines Are Followed

(the evidence does not suggest that Church attendance – following the current guidelines - is any more risky than shopping for groceries.)

WASHINGTON, AUGUST 25, 2020, CAN (Catholic News Agency) — Evidence suggests that church services following public health guidelines **do not present a greater risk of spreading the novel coronavirus than other similar activities**, doctors said last week.

Washing hands, social distancing, and mask requirements have helped prevent the spread of COVID-19, even in cases when contagious, pre-symptomatic parishioners took part in church events, three members of the Thomistic Institute Working Group on Infectious Disease Protocols for Sacraments & Pastoral Care concluded. Doctors Thomas McGovern, Deacon Timothy Flanigan, and Paul Cieslak authored an article for *Real Clear Science* on Mass attendance and COVID-19 August 19.

**“For Catholic churches following the guidelines, no outbreaks of COVID-19 have been linked to church attendance, even though we have examples ... of asymptomatic, unknowingly infected individuals attending Mass and other parish functions,” they wrote. “Their attendance could have led to an outbreak if appropriate precautions were not followed, yet in each case, we found no evidence of viral transmission.”**

“This encouraging news should inspire confidence that the guidelines in place - based on CDC recommendations - are working to decrease COVID-19 transmission,” the doctors continued. “While nothing during a pandemic is risk-free, these guidelines mean that **Catholics** (and public officials) **may be confident that it’s reasonably safe to come to Church for Mass and the sacraments.**”

Over the last 14 weeks, they said, approximately 17,000 parishes have held three or more Masses each weekend, as well as daily services, combining to equal more than 1 million public Masses celebrated across the United States since shelter-in-place orders were lifted.

By following public health guidelines, these Masses have largely avoided viral spread, the authors suggested. Nick Schoen, an employee of the Archdiocese of Seattle, has initiated a contact-tracing protocol for Mass-goers in the area. Tracking individuals who have participated in church events shortly before testing positive for COVID-19, he found that none of these individuals launched outbreaks at churches.

The authors pointed to at least four examples of infected individuals attending Mass while pre-symptomatic, as well as three “Anointings” of sick individuals by priests in poorly-ventilated rooms. In each case, they said, the sick individuals avoided infecting other people.

“During a July 3 Funeral Mass (45 attendees, capacity 885), two members of one household notified the parish that they had tested positive for COVID-19 and were infected and pre-symptomatic during the Mass,” they said.

“During a July 11 Wedding (200 attendees, capacity 908), fresh air circulated from multiple open windows with the aid of fans. The following day, an attendee developed symptoms of COVID and on July 13 tested positive. The attendee was almost certainly contagious with pre-symptomatic infection during the wedding.”

In April, the Thomistic Institute’s Working Group on Infectious Disease Protocols for Sacraments & Pastoral Care released guidelines for reopening churches for Mass and other sacraments. These guidelines were incorporated by numerous dioceses into their protocols for reopening. The guidelines were built on a multi-phase proposal for resumption and expansion of public Masses while remaining in conformity with public health guidelines in force in different places.

In “Phase I” of the proposal, the institute encouraged the “Sunday obligation” to be dispensed, the elderly and those at high risk of COVID-19 to stay home, and those with symptoms to stay home from Mass. The institute also promoted social distancing, masks requirements, and the regular use of hand sanitizer.

The few churches that have reported a COVID-19 outbreak did not follow these regulations and in some cases engaged in discouraged actions such as congregational singing. In some cases, these isolated incidents have led local government officials to restrict church services more than activities in restaurants, movie theaters, and casinos. This has prompted lawsuits alleging religious discrimination, which have often been successful.

The doctors said in their article that **there is NO EVIDENCE that church services are higher risk than similar activities when guidelines are followed.** “To date, **the evidence does not suggest that Church attendance - following the current guidelines - is any more risky than shopping for groceries.**

**And the spiritual good for believers in coming to Church is immeasurably important for their well-being,”** they said. **“Indeed, for Catholics, the Mass and above all the Eucharist are central to the Christian life. In a time like this, it is even more important that the faithful be able to come to Church and receive Holy Communion.”**

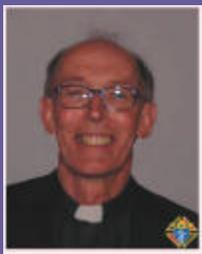

## Welcome Visitors!

Father Farrell, the staff and parishioners of Holy Family Catholic Church welcome you!

Whether you are here for a few days, weeks, or months - we are happy that you have chosen us to be your parish away from home. Those of us who reside here permanently are few in number - perhaps fifteen percent of those who attend our weekend liturgies.

We are inspired by the many thousands who join us in celebrating Mass, both on Sunday and during the week. The beautiful example of faith you give us by your presence strengthens our commitment to serve your spiritual needs. We especially invite you to worship Our Lord in our Eucharistic Adoration Chapel located to the right of the Church as you leave.

We hope your stay on our lovely island is enjoyable, we pray that your journey home is safe and we look forward to your return visit to us - your parish away from home.

## Prayer & Worship

**PLEASE PRAY:** For the Sick: For all ill members of our parish.

For the Deceased: Joe Doyle, Lane Ehmke, Tom O'Leary, Father Robert Sayer and for all deceased members of our parish. **Intentions for the sick are taken from PARISHIONERS for IMMEDIATE FAMILY, with permission from the infirmed, and remain on the list for one month. Call the office to return the infirmed to the sick list.**

### MASS READINGS (Optional readings may be substituted at the discretion of the Celebrant)

Lent is the special season for the ascent to the holy Mountain of Easter. Through its twofold theme of Repentance and Baptism, the season of Lent disposes both the catechumens and the faithful to celebrate the paschal mystery. The faithful, listening more intently to the Word of God and devoting themselves to prayer, are prepared through a spirit of repentance to renew their baptismal promises. Lent runs from Ash Wednesday until the Evening Mass of the Lord's Supper on Holy Thursday, which then begins the Sacred Paschal Triduum. "Alleluia" is not sung nor said from the beginning of Lent until the Easter Vigil. During Lent the altar should not be decorated with flowers, and musical instruments may be played only to give necessary support to the singing.

## Stewardship

### Last Week's Collection

The financial update for February 13/14 were not available for publication at the time of printing.

This data will be updated in next weekend's bulletin of February 27/28.

### PRAY THE ROSARY EVERY DAY!

At all times and especially in this time of great distress and uncertainty Our Blessed Mother Mary is a wonderful safe haven. Father Gabriel Amorth, chief exorcist of the Vatican writes: One day a colleague of mine heard the devil say during an exorcism:

*"Every Hail Mary is like a blow on my head. If Christians knew how powerful the Rosary was, it would be my end."*

What makes this prayer so effective is that the Rosary is both prayer and meditation. It is addressed to the Father, to the Blessed Virgin, and to the Holy Trinity, and is a meditation centered on Christ. Beg Our Mother Mary's intercession for peace for yourself, your family, your community, your state, our nation, and the entire world!

### LENTEN SCHEDULE:

The Sacrament of Reconciliation is available following most 8am Masses , Monday - Saturday and from 4:00-4:45pm Saturday evening & on Wednesdays during Lent from 5:00-6:30pm.

**Friday Stations of the Cross at 5:30pm**

**Friday Spanish Stations of the Cross at 7pm**

Please note: The Stations of the Cross devotion may be prayed at anytime, in Church or outside at the Stations of the Cross walkway, located next to the Our Lady of Guadalupe Shrine.

*(Holy Week, Triduum and Easter Celebrations will be announced at a later date.)*

### LENTEN REGULATIONS:

**FASTING REGULATIONS:** Catholics between the ages of 18 and 60 are obliged to Fast on Ash Wednesday and Good Friday. **ONE FULL MEAL IS ALLOWED.** Two lesser meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal another full meal. Eating between meals is not permitted. It should also be pointed out that water is the drink of the day (not soda, etc) and that desserts would be un-necessary (even at the "full meal").

### ABSTINENCE REGULATIONS:

**ASH WEDNESDAY, ALL FRIDAYS of Lent and GOOD FRIDAY are days of Abstinence.**

Meats should not be taken at any meal. The law of abstinence binds all Catholics who are 15 years old and older. It should be noted here that young children, while not obliged to abstain from eating meat, could most certainly participate in this Lenten observance. Children are usually happy to eat Peanut Butter and Jelly or Grilled Cheese and the younger we teach them this Lenten Discipline the better.

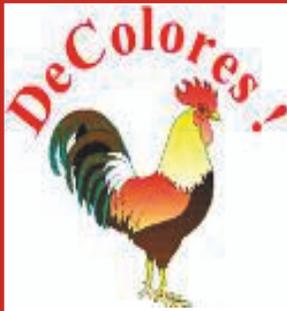

### ADDITIONAL OBSERVATIONS:

In reference to these penitential days, Canon Law states: "On these days (of Penance), the faithful are in a special manner to devote themselves to prayer, to engage in works of piety and charity, to deny themselves, by fulfilling their obligations more faithfully and especially by observing the fast and abstinence..."

**Dear Blood Donors: Blood Drive at Holy Family Catholic Church - Saturday, February 27, 9am -3pm.** In order to maintain proper sanitary conditions & adequate social distancing, the blood bank will be using the following procedures and schedule to control the

donor flow during the drive. NO more than 4 donors anywhere on the bus at anytime. The temperature of each prospective donor will be taken upon arrival. **Walk-ins will be accommodated only** after those who have scheduled an appointment have completed their donation and vacated the bus. Anyone arriving while there are four donors on the bus will be instructed to remain outside, preferably in their own vehicle until called. Beds will be disinfected after each donor. If you are able to donate and wish to schedule an appointment please contact me. If you prefer, appointments may be made directly with the blood bank at OneBlood.org. **A free Covid-19 Antibody Test will be available to all successful donors.** Thank you. ## 2021 BISHOP'S ANNUAL APPEAL FEBRUARY 20-21, 2021 - FOLLOW-UP WEEKEND

I would like to thank everyone for their participation and support of the 2021 Bishop's Annual Appeal. I also would like to thank all of those who volunteered their time to help make this effort the success it has become. As we've talked about in recent weeks, the Bishop's Annual Appeal supports many diocesan programs and ministries that accomplish critically important work throughout our state. Much of the support is also carried out here locally in our own region.

If you have not yet made a gift to the BAA, I encourage you to do so today or as soon as possible. Remember, our challenge this year is to once again surpass 25% parish and diocesan participation. When we surpass our goal of \$54,823, we then receive back 50% of funds raised beyond our goal.

***HOLY FAMILY RECEIVED \$5,507 BACK FROM OUR PREVIOUS BAA CAMPAIGN.***

I, along with Bishop Guglielmone, would like to thank you for your help in making this year's Bishop's Annual Appeal a success.

**May God bless you and your families for your sacrifice and generosity.**

## THE BISHOP'S ANNUAL APPEAL & BICENTENNIAL CAMPAIGN DIFFERENCES EXPLAINED

Support generously offered in response to this mailing will be applied to the **Bishop's Annual Appeal**. We will continue to collect Bicentennial Campaign payments through previously established methods.

**PRIMARY GOAL:**  
Funds raised through the Bishop's Annual Appeal support the daily operations of critical programs and ministries throughout the Diocese of Charleston.

**PRIMARY GOAL:**  
Funds raised through the Bicentennial Campaign support initiatives specific to each parish as well as more strategic, comprehensive, long-range, and larger scale initiatives in both our parishes and in the Diocese of Charleston.

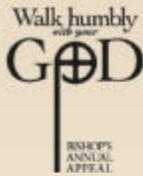

# The Bishop's Annual Appeal and the Bicentennial Campaign

## BUILDING OUR CHURCH FOR TODAY WHILE PREPARING FOR THE NEEDS OF TOMORROW

The Church's mission is advanced in important ways through both the Bishop's Annual Appeal and the Bicentennial Campaign. In some areas, the Annual Appeal supports the daily operation of critical ministries throughout the Church of South Carolina while the Bicentennial funds more strategic, comprehensive, long-range, and larger scale initiatives to help the Church serve its people and prepare for doing the Lord's work in the future.

### BISHOP'S ANNUAL APPEAL AND BICENTENNIAL CAMPAIGN SIDE-BY-SIDE COMPARISON

#### BISHOP'S ANNUAL APPEAL

**PRIMARY GOAL:** to provide necessary annual operating support for pastoral ministries, education programs, and vocations throughout the Diocese of Charleston.

#### BICENTENNIAL CAMPAIGN

**PRIMARY GOAL:** to strengthen our existing Diocesan programs and parishes/missions, while taking strides toward sustaining our growing Diocese into the next century.
