## SHOWING OUR GRATITUDE CAMPAIGN

"Therefore, we who are receiving the unshakable kingdom should have **gratitude**, with which we should offer worship pleasing to God in reverence and awe"  
*Hebrews 12:28*

*Gratitude is the act of giving thanks for something in our lives that brings us joy.*

### DID YOU PLEDGE ALREADY? THANK YOU!

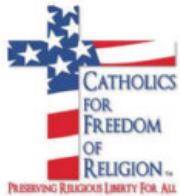

*If not, pick up a pledge card in the gathering space this weekend and show your gratitude!*

### SACRAMENT OF THE SICK

This is the proper name for what is sometimes mistakenly called "Last Rites" or "Extreme Unction." It is meant for anyone who has a serious illness, is facing surgery, or even is dealing with the effects of old age. It should not be limited to the dying. As the Letter of St. James says clearly, "Are there any who are sick among you? Let them send for the priests of the Church, and let the priests pray over them, anointing them with oil in the name of the Lord..." It is a sacrament of healing for spirit, mind and often body. It is administered at a monthly Mass, usually the first Wednesday, and anytime on request.

**PLEASE NOTE THAT FR. OSCAR WILL NOT BE AVAILABLE DURING THE WEEKENDS FOR THIS SACRAMENT.** Please call the church office and schedule this anointing during the week.

Please join Catholics for Freedom of Religion for our monthly ROSARY FOR AMERICA on SUNDAY, NOVEMBER 3, 2024 at 3PM as we pray with the special intention of our upcoming presidential election at Warbird Park in Market Common. Please bring your folding chairs. Come for "prayer in the public square"!

For more information contact Carol Jean Walters at #631-926-0995 or #843-236-0162 or by email at [cjwalters@catholicsforfreedomofreligion.org](mailto:cjwalters@catholicsforfreedomofreligion.org)

Hoy Dios está hablando claro a través de los signos de los tiempos: apunta a la necesidad de fortalecer la familia como célula básica de la Sociedad y de la iglesia. No ignoramos que la realidad familiar está amenazada en nuestra cultura y que las leyes de divorcio imperantes en los países económica y técnicamente más desarrollados, son uno de los tantos signos de desintegración familiar que cada día se van imponiendo más y más en nuestro ambiente.
