**GOSPEL MEDITATION -Longing for His Coming**

Andrew, after having stayed with Jesus and after having learned what he did, did not keep the treasure to himself but hurries and races to his brother in order to let him know the good things Jesus has shared with him. But why hasn't John mentioned what they talked about? How do we know this is why they "stayed with him"? Observe what Andrew says to his brother, "we have found the Messiah, which is, being interpreted, the Christ". You see how, in a short time, he demonstrates not only the persuasiveness of the wise teacher but also his own longing that he had from the beginning. For this word, "we have found," is the expression of a soul that longs for his presence, looking for his coming from above, and is so ecstatic when what he is looking for happens that he hurries to tell others the good news. This is what brotherly affection, natural friendship, is all about when someone is eager to extend a hand to another when it comes to spiritual matters. Also see how he adds the article, for he does not say "Messiah" but "the Messiah". They were expecting the Christ who would have nothing in common with the others.
