LIVE THE LITURGY - INSPIRATION FOR THE WEEK

God calls us to bring His Word to all corners of the earth. What does that mean for you and me? We are just simple and humble folks trying to find our way through the Gospel and our world. After all, we are not professional preachers but gentle servants. Jesus summons us to take his message on the road and bring it from the pew to the pavement. We cannot keep the joy of the Gospel to ourselves but must bring it into every aspect of our lives: our families, our schools, our work, our corporations, our politics, our social circles, and our philosophies. We cannot just accept the wisdom of the world as true and conduct our lives as if the Good News is a separate matter. They are one. Jesus never asked his friends to go and construct buildings where people could come to hear the truth. He asked them to go to their homes and meet them one on one, face to face. When the rubber meets the road and the message is challenging, rejection is quite possible. That's the litmus test for whether we're really doing what we have been asked.

WHY DID THE BISHOPS VOTE TO DRAFT A DOCUMENT ON THE MEANING OF THE EUCHARIST IN THE LIFE OF THE CHURCH NOW???

For some time now, a major concern of the bishops has been the declining belief and understanding of the Eucharist among the Catholic faithful. This was a deep enough concern, that the theme of the bishops' [strategic plan](#) for 2021-2024 is *Created Anew by the Body and Blood of Christ: Source of Our Healing and Hope*. This important document on the Eucharist will serve as a foundation for the multi-year Eucharistic Revival Project, a major national effort to reignite Eucharistic faith in our country. It was clear from the intensity and passion expressed in the individual interventions made by the bishops during last week's meeting that each bishop deeply loves the Eucharist. **Did the bishops vote to ban politicians from receiving Holy Communion?** No, this was not up for debate. The bishops made no decision about barring anyone from receiving Holy Communion. Each Catholic – regardless of whether they hold public office or not – is called to continual conversion, and the U.S. bishops have repeatedly emphasized the obligation of all Catholics to support human life and dignity and other fundamental principles of Catholic moral and social teaching. **Are the bishops going to issue a national policy on withholding Communion from politicians?** No. There will be no national policy on withholding Communion from politicians. The intent is to present a clear understanding of the Church's teachings to bring heightened awareness among the faithful of how the Eucharist can transform our lives and bring us closer to our creator and the life he wants for us. **Did the Vatican tell the bishops not to move forward on drafting the document?** No. The Holy See did encourage the bishops to engage in dialogue and broad consultation. It is important to note that collaboration and consultation among the bishops will be key in the drafting of this document.
