LIVE THE LITURGY – INSPIRATION FOR THE WEEK

Presumption can be a great sin. We can easily convince ourselves that as long as we do the bare minimum or master the basics, it is sufficient. Love doesn’t operate this way. If we are truly in love with God, then the basics are not going to be enough. That love is going to want to get expressed in going above and beyond, in leaving the comfortable and familiar, in stretching and growing and in following a voice other than our own. This is what those who are truly in pursuit of wisdom come to realize. Just like any human relationship worth achieving reveals, we never reach a plateau in following the Gospel or growing in wisdom and holiness. Wisdom is the rudder that guides us through all of life’s attractions and options. It alone determines what is worth pursuing and what must be left behind. That is why those who are only concerned about checking the boxes and doing the least amount possible often walk away sad when offered God’s gift of life eternal. They are not truly in love.
