From Father's Desk

Dear Friends,

I so love our Parish Nativity Scenes, both indoor and outdoor. They help me, perhaps just for an instant, be transported back in time and place, and I am in Bethlehem, and peace, what peace do I feel!

At the same time, how much I miss both Nativity Scenes when they are removed, like today, removed for another year. Good reason, however, why they have been removed, because even though it is still the Christmas season (*the very end of the Christmas season*), our focus is no longer on the newborn infant. Instead, on this feast of His Baptism, our focus remains on Jesus but on the grown-up Jesus, newly Baptized and going out to the waiting world to spread His Word and spread the Kingdom of God.

And so with us. May we look upon the past few weeks of Christmas as opportunities to become filled again with His Spirit and His Peace. May our trust in God be strengthened through the example of both Joseph and Mary. And then let us begin again, spreading His Kingdom to a waiting world.

Have a wonderful week!
Father Victor Ulto, Pastor

Spirit-Energy

Today, Jesus' baptism by *John*, was a special moment—the real coming of God's Spirit upon Him. The Spirit had come on Mary at the moment of Jesus' conception, and would come to Jesus at His last moment on the Cross. The Spirit brings Him new energy. This feast marks that something new is happening and that Jesus is the beloved Son—from eternity and into all time. Yes, the Spirit came upon Him, but not just for Himself. He would send the spirit later to us; the Spirit of forgiveness, the Spirit of perseverance in doing good. We know that we can get stuck. We need new infusions of the Spirit to give us new energy. Be open to the Spirit of God. Be open to new life, new love...being really fully the person you were meant to be!

Father Donal Neary, SJ

Stewardship...Live It!

**Stewardship: a way of life for our
St. Bernadette Parish Family...**

*“You are my beloved Son;
with whom I am well pleased.”*

Luke 3: 22

STEWARDSHIP & HUMILITY...

As we celebrate this feast of the **Baptism of the Lord**, we can study His actions at the *Jordan River* as a powerful example of servant leadership. We see in Jesus a type of leadership that is characterized by humility and leading by example.

Certainly, the sinless Savior did not need a baptism of repentance! But Jesus humbly made Himself one with his people to draw us to Him and create a relationship with us so that we would be open to His teachings and influence. As a servant leader, we also see that Jesus leads by example. He doesn't just tell the people they need to be baptized. He shows them how and does it Himself to teach them. To lead like Jesus, we, too, must “walk the walk” and not just “talk the talk.” If we want those whom we lead to be generous and hard-working, then we must show them how to do this by demonstrating generosity and hard work ourselves.

Immediately after His baptism, we learn of the powerful affirmation of the Father who opens the heavens, sends the Holy Spirit upon Jesus in bodily form, and says audibly, *This is my beloved Son with whom I am well-pleased.* Let us be filled with gratitude for our amazing God, and be reminded that when we are grateful followers of Jesus and servant-leaders in imitation of Him, the Father will be well-pleased with us, too. Ω

STEWARDSHIP OF TREASURE FOR THE MONTH OF DECEMBER 2021...

We provide these reports on a monthly basis to give people an understanding of how we did as a community in the terms of *Stewardship of Treasure*. Find below the month of December with a comparison to the same period last year.

Church finances are confusing to many people. There are three calendars at work here—the one to which we are most accustomed, as that year has just begun a short time ago. The Church calendar on the other hand begins with the *First Sunday of Advent* and goes until the First Sunday of the next Advent. Finally, there is our fiscal calendar, our financial year so to speak. It begins on **July 1** each year and goes to the last day of June of the next year. We are more than half way through that fiscal year, 2021-2022. The parish is always grateful for your support.

Great gifts for the New Year!

Our parish will begin having our parking lots repaved and striped, **beginning this Monday, January 10th**. This will be done over a period of three weeks, necessitating the closing of certain areas of the parking lot.

The following is the schedule given to us by the paving contractor:

January 10-14 - the lots behind the chapel and the west side of the church (*rear*)

January 17-21 - the lot on the east side of the church
(*by the covered side entrance*)

January 24-28 - the lot in front of the church

Many thanks for your patience and understanding.
