ARE YOU FIT FOR KINGDOM OF GOD?

Sunday Reflection With Fr. Rafal

Dear Sisters and Brothers in Christ,

On this **13th Sunday in Ordinary Time**, in today's Gospel Jesus speaks about those who are "fit" and those who are "not fit" for the kingdom of the God.

The tiniest gesture of faith can save a person. A man who embraces a crucifix on his deathbed can gain the kingdom of God. Once a woman told St. John Vianney that she was devastated because her husband had committed suicide. In a moment of mystical insight that only a great saint can receive, John Vianney exclaimed, "He is saved!" The woman was incredulous so the saint repeated, stressing each word, "I tell you he is saved. He is in Purgatory, and you must pray for him. Between the parapet of the bridge and the water he had time to make an act of contrition."

God can save a person in an instant - by a single act of faith. That is very good news. But I must advise you. Once you have made that step, he will not rest until you have given all. He will settle for nothing less. You cannot give part to Jesus and hold back a part for yourself - or even for some other person.

We see Jesus' exigency in today's Gospel. A man says he will follow Jesus anywhere. Jesus reminds the man, that while foxes have dens and birds have nests, he promises no earthly security. Another man wants to follow Jesus, but only after he has buried his father. That's not a bad thing. In fact, to care for one's father is very good, but you cannot put even that duty ahead of Jesus. Family is the greatest good here on earth, but we cannot put family ahead of Jesus.

There's a paradox in all this. If a person makes family his greatest value, he will eventually lose his family. Do you remember the Godfather movies? They showed a man who would do anything for his "family," including even theft and murder. In the end the Godfather destroys his own family. Now, we may not be tempted to the same corruption as the Godfather, but if we put any person ahead of Jesus, we will lose that person. On the other hand, if we put Jesus first, we will do the very best for the ones we love.

Finally, this is what Jesus tells us today when he speaks about those who are "fit for the kingdom of God." The person fit for the kingdom says "yes" to God; he puts Jesus first. The bottom line is this: Jesus will accept the tiniest step, but he will not rest until we have given him our totality.

Have a Blessed 13th Sunday in Ordinary Time!

Rev. Rafal Ligenza
Pastor — St. Joseph Parish

"You are not a mistake for all your days are written in my book"

—Almighty Father—

On Pentecost Sunday (June 5, 2022) St. Joseph Parishioner Tara-Anne Beatty received the Sacrament of Confirmation at Epiphany Cathedral (Venice, Florida) conferred by the Most Rev. Msgr. Patrick Dubois. Also pictured is Tara-Anne's sponsor, Madonna Beatty. Please keep Tara-Anne in your prayers!

GUIDED BY THE SPIRIT

There will always be something behind us and before us. Time moves on and the world continues to rotate. Will we miss that which exists right before our eyes because they are shut while we are consumed by the past or worried about the future?

When we go about whatever work God has set for us this day, large or small, we cannot get it done if we are looking behind us. Being mindful means to live for the present. It sounds like the simplest thing in the world, but we forget it (I forget it at least once every day). We must be guided by the Spirit.

What I'm talking about here is a radical abandonment of ourselves to God — over, and over, and over again. We cannot put our hand to the plough, while our eyes are looking backward at what is left behind. We cannot turn back if we are to move forward.

When we take up the yoke of stewardship, we will never be able to bear it if we rely on our own strength. When we put our hands to the plough, we will never get the job done if we look backwards at our own track record for inspiration. There is no inspiration there. Let the dead bury their dead.

PRAY WITH THE HOLY FATHER IN 2022

Pope Francis Prayer Intention for June:

We pray for Christian families around the world; may they embody and experience unconditional love and advance in holiness in their daily lives.

The Parishioners of St. Joseph Catholic Church have once again shown their generosity and concern for unborn babies and moms in crisis. The Respect Life Ministry is pleased to announce that over \$2,700 was collected in the recent Pennies for Babies campaign. Words cannot express our thanks for your Lenten "sacrifice." The funds will go to one of the newer, smaller local pro-life organizations to help with their start-up expenses. Special thanks to Al Connizzo, the St. Joseph Knights of Columbus, and Bridget Olson for juggling all those baby bottles!

SCAM! Alert!

Please be careful when responding to requests for financial help from Diocesan/Parish priests and staff.

Some parishioners have received text/email messages from people pretending to be clergy, requesting donations in the form of gift cards and/or wire transfers. These messages often come from text/emails that look similar to official Diocesan/Parish numbers or accounts and often greet the recipient by name and have the priest's, Bishop's, or staff member's name in the from line and/or closing signature of the message. It is Diocesan policy that neither the Bishop, nor priests or staff may request donations in the form of gift cards, PayPal, MoneyGram, etc. It has been common that the email addresses used have been nearly identical to the actual Diocesan/parish email, but instead of being a .ORG email, it is from a gmail.com, yahoo.com or other common email service provider.

There is already an established process in place as to how parishioners can make donations and participate in the life of the Parish. Whenever a parishioner is worried about any request for money from the Parish or a priest, they should immediately call the Parish Office and under no circumstances should they respond to these scam requests.

If we don't teach our children to follow Christ, the world will teach them not to.

FRATELLI TUTTI

Call to Family, Community, and Participation

Social Justice recognizes that a person is a social being. It requires that citizens seek and support laws and policies that affect the ability of all persons to grow and participate in their community.

“If rules are considered simply as means to be used whenever it proves advantageous, and to be ignored when it is not, uncontrollable forces are unleashed that cause grave harm to societies, to the poor and vulnerable, to fraternal relations, to the environment and to cultural treasures, with irretrievable losses for the global community.” (FRATELLI TUTTI, Paragraph 257)
