Matthew 25:40

A request from our local School District

We are fortunate to have 60 international teachers joining the Richland Two family for the first time this year! As you can imagine, they will add a rich diversity to our staff, but coming from a new country to the United States is a big step which brings tremendous change.

These teachers come to us through partnering agencies, and those agencies provide housing for them for a few weeks. However, as you can imagine, many of them are finding it challenging to quickly find rental housing that is affordable. The teachers usually do not come to us with much, but they do make the same salary our teachers do, so they will have consistent income with which to pay their bills. They just need some help to get started.

Here is where you can help!

If you or someone you know owns any rental properties, or if any of them are willing to rent a room in their home, will you please let me know? Please provide the person's name and contact information, what type of housing they have available, and how many people their room or rental can accommodate. This information is shared with the teachers, and they will reach out directly to the person.

A few of these teachers have already started to attend SJN, and at least one has asked if we know of any rental housing. If you can help, forward the information mentioned above to Fr. McDonald amcdonald@sjnchurch.com or call the parish office at 803.788.0811.

We will forward the info to the district office. THANK YOU!
