Mass Attendance Guidelines

Attendance is limited to 25% capacity (275) and pews will be marked for social distancing of 6’ with every other row of pews unavailable for use.

Until further notice, attendees must first RSVP in order to be assured entry for Mass.

Anyone with a fever or flu-like symptoms should not come to Mass.

Parishioners should wait in their vehicles until the entrance doors have been propped open and Ushers are available to assist with an orderly entrance to the pews (approximately 30 minutes prior to Mass).

A facemask should be worn by all Parishioners.

Pews, door handles, and restrooms will be cleaned between Masses.

No physical contact during the Sign of Peace is allowed and there should be no hand holding or other physical contact during the recitation of the Lord’s Prayer.

All distributors of Holy Communion must wear a facemask and Communion is to be received ONLY in the HAND (no exceptions).

Communion lines will require social distancing – marked lines on the floor will assist you.

All Missals, prayer cards and envelopes have been removed from the pews and there will be no paper bulletins (available online only).

Offerity collection boxes will be available at the exits - collection baskets will not be passed person-to-person.

The celebrant will provide directions for dismissal so that an orderly exit with proper social distancing can be observed.

Until further notice, all Parish activities remain suspended. This includes group meetings such as Bible Study, Knights of Columbus, Youth Group, Rosary Groups and any other organized Parish activity other than the Sacred Liturgy.

There is a risk for anyone who attends a public Mass to contract COVID-19.
It has once again been brought to the attention of the Diocese of Venice that parishioners have received text/email messages from people pretending to be priests and requesting donations in the form of gift cards and/or wire transfers. The messages often greet the person by name and have the priests name in the closing signature of the message; this is a well-crafted and targeted attack on the Church across the country which has hit our Diocese again. These text/email messages are 'spoofed' fakes that should not be responded to or taken seriously by anyone. The best defense against this sort of scam is to raise awareness in the community and not respond or open any worrying attachments. It is Diocesan policy that no priest or staff within the Diocese request donations in the form of gift cards, PayPal, MoneyGram, etc.

There is already an established process in place on how parishioners can make donations and participate in the life of the Parish. Whenever a parishioner is worried about any request for money from the parish or a priest, they should immediately call their parish and under no circumstances should they respond to these scam requests.

This Memorial Day

In our land of the free.
It’s because of those who sacrificed
Whose graves you’re here to see.
They fought on foreign lands
And across the open sea,
And paid the ultimate price
To keep you and I free.
So put all things aside
And honor this important day,
Which we have dedicated
As our Memorial Day.
