**CAPITAL FUND**

While it is necessary to fund our parish expenses through the weekly Offertory collection process, we ask that any ‘additional’ funds you can contribute to the Church of St. Patrick during the coming days, weeks, or months, be specifically directed to our CAPITAL FUND.

Due to COVID-19, we have had to remove the envelopes which were located in our pews. Please use a standard envelope and clearly mark “CAPITAL FUND” on the outside, as well as in the MEMO section on your check. Please include your name / address / amount / envelope # (if known) on the front of the envelope as well and we will record your contribution so that it is reflected on your annual statement from the parish.

Anyone wishing to contribute a significant gift, or who would like to fund a specific project, is invited to reach out to either Fr. Paul or Fr. Russell to privately discuss your contribution. Please call our office at 941-378-1703 to make an appointment.
GOSPEL MEDITATION - Encourage Deeper Understanding of Scripture
12th Sunday in Ordinary Time

There are many things of which we can be afraid: being rebuked, rejection, anger, being challenged, having to defend ourselves, standing alone, insecurity, failure, and even death. For some, identifying and overcoming their fears is a daunting task. Regardless of how much they may want to break the cycle of fear, they find that they remain close friends with old and dysfunctional behavioral habits and norms. Maybe what they really fear is change. There are many who gravitate to the familiar and comfortable, and find safety and security in doing so, even if they remain mired in mediocrity. Human beings have to learn that there is life beyond the “what has always been” and that happiness and depth are possible when old structures and systems have to be left behind.

Can you leave the near and dear, the comfortable and familiar, the safe and secure, and discover new opportunities? The sheer thought of doing so can bring on feelings of apprehension, intense anger, resentment, defensiveness, reluctance, resistance, and even apathy. If we have to be responsible for making the change, cowardice can creep in. If someone else is to blame for making the change, any number of possible negative reactions are possible. In the end, only one thing is required and that is God. If I can rely on and deepen my relationship with God, especially in the Eucharist along with a community of believers, then little else is of great concern. We have to figure out what is really important. It is not always what we think.

The Gospel calls us to stretch ourselves and try new things, not to remain stuck and stagnant in familiar ways. We are asked to live life more deliberately, radically, and intentionally. We are asked to leave the familiar behind and learn to live with changing, and often limiting, human structures. We cannot get too caught up in the physical, ideological, or structural systems we are used to. The Holy Spirit always leads and guides us. If we trust this, we will find ourselves doing things we never thought we could do. Always seek the path to joy and love. They keep us from falling victim to our fears and from seeking the nostalgic crutches we think we need to achieve a sense of well-being and happiness.

Although our monthly Outreach program is temporarily suspended due to COVID-19, We are still accepting non-perishable food and toiletries items which will be distributed to those most in need in our Community.

You can drop off your donation prior to any of our Masses at our collection area by the water fountains or to our office Monday through Friday 8:30AM to 4PM

Food items needed include: canned foods, pasta, rice, beans, peas, macaroni & cheese, pasta sauce, peanut butter, baby diapers, baby wipes, personal hygiene items, hand sanitizers, disinfectant wipes.

(Please note, we currently unable to accept Clothes, Toys and other personal items)
Father’s Day is an occasion to mark and celebrate the contribution that your own father has made to your life. Many people send or give cards or gifts to their fathers. Common Father’s Day gifts include sports items or clothing, electronic gadgets, outdoor cooking supplies and tools for household maintenance.

Father’s Day is a relatively modern holiday so different families have a range of traditions. These can range from a simple phone call or greetings card to large parties honoring all of the ‘father’ figures in a particular extended family. Father figures can include fathers, step-fathers, fathers-in-law, grandfathers and great-grandfathers and even other male relatives. In the days and weeks before Father’s Day, many schools and Sunday schools help their pupils to prepare a handmade card or small gift for their fathers.

There are a range of events, which may have inspired the idea of Father’s Day. One of these was the start of the Mother’s Day tradition in the first decade of the 20th century. Another was a memorial service held in 1908 for a large group of men, many of them fathers, who were killed in a mining accident in Monongah, West Virginia in December 1907.

A woman called Sonora Smart Dodd was an influential figure in the establishment of Father’s Day. Her father raised six children by himself after the death of their mother. This was uncommon at that time, as many widowers placed their children in the care of others or quickly married again.

Sonora was inspired by the work of Anna Jarvis, who had pushed for Mother’s Day celebrations. Sonora felt that her father deserved recognition for what he had done. The first time Father’s Day was held in June was in 1910. Father’s Day was officially recognized as a holiday in 1972 by President Nixon.

**Roman Catholic tradition**

In the Roman Catholic tradition, Fathers are celebrated on Saint Joseph’s Day, commonly called the Feast of Saint Joseph, March 19, though in certain countries Father’s Day has become a secular celebration. It is also common for Catholics to honor their “spiritual father,” their parish priest, on Father’s Day.

Due to the impact of COVID-19, many of our Diocese of Venice Parishes in the Sarasota/Manatee County area were forced to postpone the Life Planning Seminars originally scheduled for this spring. In response, we have now scheduled a virtual seminar that you can attend from wherever you are located. The interactive webinar will feature local, Catholic professionals who will provide participants with the knowledge they need to make critical health, legal and financial decisions.

Presenters:

William Yaegers, CFP®, MBA—Partner, Yaegers Financial Services. MBA and Bachelor’s degree in Finance from University of Florida. Specializing in Estate, Insurance, Investment, Retirement and Wealth Planning. Securities offered through LPL Financial, Member FINRA/SIPC. Michael Morse, MS—Executive Director, Catholic Community Foundation. Master’s degree in Business and Bachelor’s degree in Communications from University of Florida. Over 15 years of executive leadership experience overseeing the development & philanthropic efforts of not-for-profits.

This seminar is essential for those approaching their senior years, already in their senior years, and those who care for senior relatives or friends. Attendees will obtain important information on:

- Making a Will can be difficult, but dying without one can make it even more difficult for your loved ones left behind.
- Who will make my health care decisions if I cannot?
- How will I take care of my financial obligations when I am incapacitated?
- How do I avoid guardianship?
- Should I have a Will even though I don’t have any assets?
- Is my Will from another state valid in Florida?
- How can I best leave my assets to my family?
- Why do I need a financial plan?
- Is there a more beneficial way to make donations?
