THE HOLY FAMILY

He went down with them and came to Nazareth, and was obedient to them; and his mother kept all things in her heart. And Jesus advanced in wisdom and age and favor before God and man. – Lk 2:51-52

LIVE THE LITURGY

Inspiration for the week

It was the best of times and it was the worst of times. Our families can bring out the best and the worst in us. This is true of our families of origin, the current family of which we are a part, the family of our church, our society, and the like. In all of our family experiences, what stands out as our most challenging memory? Everything human can be found on the pages of family life. But there is also a Divine story to be discovered as well. When life gets difficult and perplexing, today's Feast of the Holy Family stands to remind us that it is not just by human effort that we tread treacherous waters. We have to remember and learn from the Divine effort too. We need this perspective if our love lessons are going to be learned completely and well. We are all works in progress and we all come from homes that are broken by imperfection. In whatever life brings us and in whatever family we find ourselves, may the promptings we feel toward faith and hope lead us to greater love.

Christ the Savior is Born

Friday, December 31 & Monday, January 3

Dear Beloved Parishioners,

It is that time again we celebrate the birth of our Lord Jesus Christ.

Our nation has begun to ease the restrictions of the Pandemic. Now we can travel, gather, and visit our family and loved ones. Therefore, let us make this Christmas a very special and meaningful one.

Meaningful does not mean that COVID restrictions are loosening up so that we can do more shopping, but it is for us to reflect on the mystery of the incarnation, especially, while we are still facing the Pandemic.

God becomes one of us so that we don't have to face the difficulties of life alone, but God is always with us (Emmanuel) in the midst of this difficult world.

We have faced the very difficult year of 2020, and 2021 seems to give us a little brighter future as we are slowly getting out of the Pandemic, but not completely.

We must remember, Jesus was born in an earthy, raw, foul stable, not in a temple or royal palace.

God chose to come to us in such a lowly place and condition is God's way of showing that Jesus comes to us in all sorts of human conditions: earthy, foul, broken, and accomplished.

No matter what we have done or haven't done, God comes to be with us in Jesus Christ regardless of our current human condition.

Let us welcome Christ into our hearts and home this Christmas and make our hearts and home a worthy dwelling of God.

On behalf of Father Russell, Deacon Kim, and the entire Parish Staff, I wish you and your family *a Merry Christmas and a Happy, Healthy New Year.*

\$250,000 MATCH GRANT

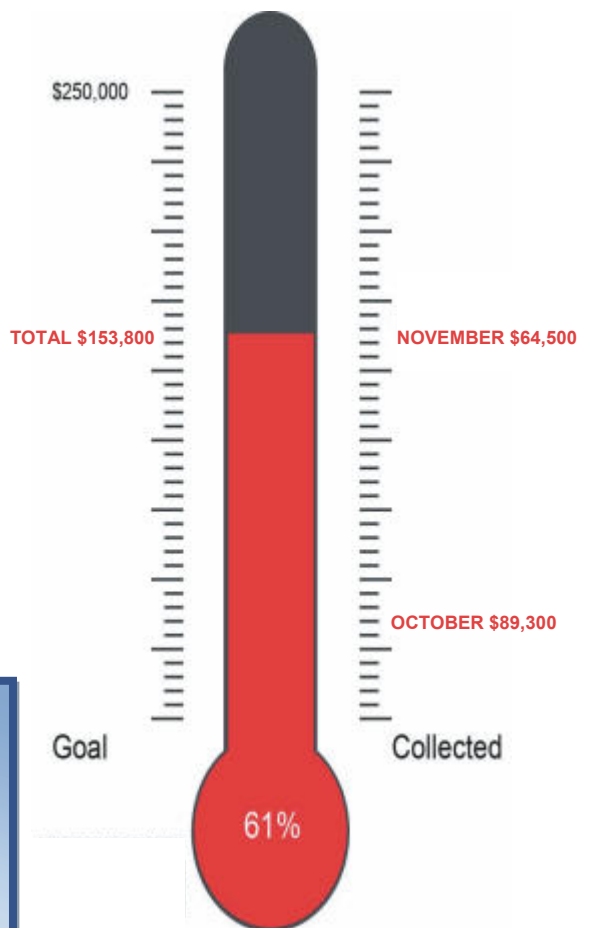

Now through the end of March 2022, all funds collected via the BLUE Capital Fund Envelopes will be used 100% for the Window Replacement Project. A generous parish family has offered a \$250,000 Match Grant during this same period, so all funds will be matched dollar-for-dollar.

If you wish to gift funds to the church above and beyond your regular Offertory contribution, we ask that the funds be directed to the Capital Fund so that we can remain DEBT FREE while completing this major construction project on our property.

As part of the overall Window Replacement Project, we have decided to add six (6) new stained-glass windows in the back of the Church where there is currently clear glass. As of this writing, four (4) of the six (6) new stained-glass windows have been spoken for, with only two (2) remaining.

The cost for each window has been set at \$30,000 which will pay for the cost of the stained-glass window and also contribute funds to support the overall Window Replacement Project.

The style and colors of the new stained-glass windows will blend with all existing windows in the Church and the themes / scenes will be predetermined and approved by Fr. Paul. Donors will be recognized with a plaque located near the window purchased.

If you are interested in purchasing one of the remaining stained-glass windows, or have specific questions, feel free to reach out to:

RITE OF CHRISTIAN INITIATION OF ADULTS

It Is Never Too Late To Join Us!

Each year men and women embark on an exploration of the Catholic faith. Some are deciding if they are called to the Catholic Church; others have been Catholic all their lives and are now interested in discovering what this really means.

Together we witness to the fact that our search for God is a lifelong journey, a journey on which we make the most progress when we walk it with others and with intention.
