LIVE THE LITURGY

Inspiration for the week

Jesus stood in line with everyone else and was baptized. There is something incredibly humbling about how this must have played out. Then, God did something truly awesome and inspiring. Through a very gentle and simple action he let the world know about the special relationship He shares with Jesus. That's exactly what is so incredible about our baptisms as well! Through those holy waters God announces to the world the special place we also occupy in His heart. We no longer have to wonder about the purpose of our lives or struggle to find our way. We do not need to fumble around, tripping over ourselves and wondering why we are even here. The answer has been given. All we have to do is live out the vocation we have received, to live the Gospel in fidelity to our Creator. There is nothing to fear and worry has no place. Standing in line with other sinners, we have our anchor and God is very pleased.

OLD LAPTOP OR TABLET? USE IT TO HELP OTHERS

FOR THE
MONTH OF
JANUARY

LAPTOP DONATION DRIVE FOR AREA FOSTER KIDS

The Children's Guardian Fund (CGF) & Sarasota Technology Users Group (STUG) have teamed up to collect used computer laptops or tablets.

With a long history of recycling and safety, the STUG sanitizes the hard drive with a seven-step process that protects the donor's information.

The STUG employs software similar to that used by the U.S. Department of Defense to completely eliminate all data on the hard drives.

They then refurbish the laptop and install software that is typically required for school. Refurbished laptops are distributed to area students in foster or state care through the CGF and the Guardian ad Litem Program.

It Is Never Too Late To Join Us!

Each year men and women embark on an exploration of the Catholic faith. Some are deciding if they are called to the Catholic Church; others have been Catholic all their lives and are now interested in discovering what this really means.

Together we witness to the fact that our search for God is a lifelong journey, a journey on which we make the most progress when we walk it with others and with intention.
