"LOVE GOD, LOVE YOUR NEIGHBOR, MAKE DISCIPLES"

*January 16, 2022*

## 2<sup>nd</sup> SUNDAY IN ORDINARY TIME

There was a wedding at Cana in Galilee, and the mother of Jesus was there. Jesus and his disciples were also invited to the wedding. When the wine ran short, the mother of Jesus said to him, "They have no wine."

## LIVE THE LITURGY

### Inspiration for the week

Relationships are hard to clarify. Determining whether people in our lives are simply acquaintances and associates or a deeper level of friend is a journey that takes time. Identifying and celebrating those people who really care about us is a lifelong adventure that involves both moments of intense elation and heartache. Some relationships are more easily definable than others. Two people who are in love must decide whether the love they share has the freedom and depth necessary for lifelong commitments. Other relationships may look like friendship but may harbor grave dysfunction and toxicity. Discernment is needed on all fronts. Our relationship with God also needs definition and discernment. God has taken creation as His spouse and human beings as His children. God delights in us and all that He has made. The wedding feast at Cana demonstrates God's investment in all of this, especially our happiness. Life is a time for celebration and great rejoicing!

FOR THE  
MONTH OF  
JANUARY

## LAPTOP DONATION DRIVE FOR AREA FOSTER KIDS

The Children's Guardian Fund (CGF) & Sarasota Technology Users Group (STUG) have teamed up to collect used computer laptops or tablets.

With a long history of recycling and safety, the STUG sanitizes the hard drive with a seven-step process that protects the donor's information.

The STUG employs software similar to that used by the U.S. Department of Defense to completely eliminate all data on the hard drives.

They then refurbish the laptop and install software that is typically required for school. Refurbished laptops are distributed to area students in foster or state care through the CGF and the Guardian ad Litem Program.

## It Is Never Too Late To Join Us!

Each year men and women embark on an exploration of the Catholic faith. Some are deciding if they are called to the Catholic Church; others have been Catholic all their lives and are now interested in discovering what this really means.

Together we witness to the fact that our search for God is a lifelong journey, a journey on which we make the most progress when we walk it with others and with intention.

Salt and fat are two culprits  
that increases the risk  
for high blood pressure

Salt causes tissue to retain fluid, putting the squeeze on your arteries. Fat creates masses of plaque that clog your arteries.

High blood pressure endangers your arteries (*their health and elasticity*) your heart (*how hard it works*), your brain (*how much nourishment it gets*) and your kidneys (*how efficiently they eliminate waste from your system*).

How high is your blood pressure? Have your blood pressure next week at the Blood Pressure screening on January 22 & 23 after all Masses except for the 5pm Mass.

## *Window Replacement Project*

Long before this year's rainy season arrived, it was obvious that our 30-year-old windows were beginning to fail and needed attention.

If you happen to be inside the Church during a typical afternoon summer shower, you will see the puddles of water form on the windowsills as the rain cascades down the glass. Several of the window openings also have visible drywall damage from years of slow leaks developing.

Additionally, our beautiful stained-glass windows in the Church, Chapel and Entrance areas are currently not protected from the elements. In the event of a hurricane or other local wind event, damage to these fragile windows would be inevitable.

Back in May of this year, we enlisted the involvement of the Diocese of Venice Building Department to determine the scope of the project and to recommend a course of action based upon an on-site walk through of the property.

At that time, it was decided that the most cost-effective way to proceed would be to replace all the current windows on the property (*Church, Chapel, Office, & Parish Hall*) with hurricane impact-rated glass windows as one large project vs. several smaller projects over the course of 3-5 years.

As part of the project, the stained-glass windows would be reset into a double frame with the stained-glass panel on the inside and the clear, hurricane impact-rated glass on the outside, forming a protective barrier.

Measurements were taken and formal quotes were provided. The Finance Council held a special

meeting on July 13, 2021 and recommended that we move forward with the window replacement project, including necessary fundraising to cover the associated costs of the project.

Fr Paul then sent a letter to Bishop Frank Dewane to request his approval of the project and to request a loan of up to \$300,000, which would only be used as a last resort – in the event the speed of the project exceeds the fundraising goals - as contractor payments become due.

Contracts were finalized and signed on September 9, 2021 totaling \$464,300 for all of the windows, plus the cost to repair window openings at a 'worst case' cost of \$1,569.30 per opening. We were fortunate to benefit from a 'bulk' purchase price, by placing our window order at the same time as two (2) other parishes in the Diocese of Venice.

***Update: Installation has been delayed and is now scheduled to begin by the end of January 2022 with completion expected within two (2) months.*** The Diocese of Venice Building Department will oversee the installation and inspections and will authorize progress payments according to the contract. The day-to-day supervision of the window contractor and scheduling will be handled by the on-site staff and select volunteers.

Fundraising for the project began October 1<sup>st</sup> and, in addition to the \$250,000 MATCH GRANT, proceeds of both the Jewelry Raffle and the Christmas Concert will be used 100% towards the Window Project. Our goal is to raise \$600,000 in order to complete the project, debt free.
