Elaine Hanania representing the **Bethlehem Christian Families;** a nonprofit organization through Land of Peace will be with us and selling Crucifixes, religious art work, and rosaries- all made of olive wood which is native to Israel and Bethlehem. Since tourism has greatly depleted, Christian families in the Holy Land, who depend on tourists, have been greatly affected. The goal of this mission is to help many organizations and Churches in the Middle East. Sale of these goods will help them very much and also give you the opportunity to have "something" authentic from the Holy Land. Please browse & buy some articles. It is for a good cause & also a help to your personal devotion. For more info please see our Website: www.landofpeace.org

## Year of St. Joseph

**St. Joseph—Pt 5**

By: Fr. William Saunders

Popes through the ages of the Church have also recognized the importance of St. Joseph: Pope Pius IX declared him the Patron of the Catholic Church (1870).

Pope John Paul II in "Redemptoris Custos" (1989) exhorted the faithful to look to St. Joseph in our troubled age: "This patronage must be invoked and it is always necessary for the Church, not only to defend it against dangers ceaselessly cropping up, but also and above all to support it in those fearful efforts at evangelizing the world, and spreading the new evangelization among nations where the Christian religion and life were formerly the most flourishing but are now put to a difficult test...may St. Joseph become for all a singular master in the service of the saving mission of Christ that is incumbent on each and every one of us in the Church: To spouses, to parents, to those who live by the work of their hands or by any other work, to persons called to the contemplative life as well as to those called to the apostolate."

## WHY DO WE DO THAT? - CATHOLIC LIFE EXPLAINED

**Question:** Why do some sacraments leave a character or mark on the soul? Don't all sacraments affect the soul?

**Answer:** All sacraments mediate grace and connect us to Christ and to the Church. Some sustain us in our faith journey, while others help us heal from the effects of sin. Each one offers a share in God's life, giving us what we need to be faithful followers of Jesus. But some sacraments change us in ways that are irreversible. The three sacraments that leave a character are Baptism, Confirmation, and Holy Orders. We are literally different people because of the effect of the grace of those sacraments. We are changed at the core of our being in such a fundamental way that we can not go back to what we once were.

In Baptism, we are freed from original sin, initiated into the Body of Christ as adopted sons and daughters. In Confirmation, we are given the fullness of God's Spirit, sealed in his grace and gifted with what we need to live a Christian life. In Holy Orders, a priest is marked as an 'alter Christus,' another Christ, and is once and forever a priest who offers sacrifice, forgives sin, and acts in the person of Christ. In these three sacraments, we are conformed more closely to Christ, reflecting his love and truth.

## There is hope after abortion.

It's common but often unspoken - to grieve the loss of a child by abortion. It may seem that nothing can fill the emptiness of one's heart. Be assured that there is forgiveness, hope and healing. Many women and men have participated in diocesan Project Rachel Ministries and been transformed by God's merciful love.

If you or someone you know is suffering after abortion, confidential, non-judgmental help is available from Project Rachel Ministry.

For more information on abortion healing and find help for you or someone you know, visit "Hope After Abortion" or in Spanish www.Esperanzaposaborto.org.
