THE NATIVITY OF THE BLESSED VIRGIN MARY

23RD SUNDAY IN ORDINARY TIME

And people brought to him a deaf man who had a speech impediment and begged him to lay his hand on him. He took him off by himself away from the crowd. He put his finger into the man's ears and, spitting, touched his tongue; then he looked up to heaven and groaned, and said to him, "Ephphatha!"—that is, "Be opened!" - Mk 7:32-34

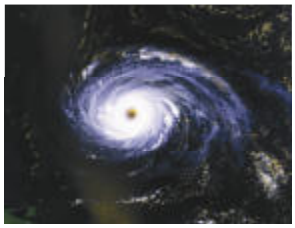
Prayer for Protection During Hurricane Season



God, our Father, Creator of the Universe and Lord over all creation, we humbly stand before you as your children in thanksgiving for your loving care and protection. We ask that you keep us safe from all hurricanes which may threaten us in the coming seasons. Protect us from all fear and anxiety of storms and give us an ardent trust and hope in your love and mercy. You alone have the power to command the sea, the wind and the rain. You alone bring peace, calm, and safety. Father, we thank you in advance, for you are our only refuge. We ask this through the name of the Lord Christ Jesus.

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Choosing Deafness

If you're a parent, you know that hearing evaluations are usually done at a child's annual physical exam starting around age four. The little person gets hoisted up onto the exam table, fitted with a pair of special headphones, and then they need raise their hand when they hear a sound.

I bet all of us parents who have sat through one of these tests with a preschooler — especially a particularly strong-willed one — have experienced a moment where we ask ourselves: I wonder if there's something wrong with her hearing. Is that why she doesn't listen to me? 'Come here, put on your shoes, pick up your toys, finish your carrots, don't touch that' — she isn't being naughty, she just can't hear it!

And then that moment, for those of us whose kids passed the hearing test with flying colors, comes crashing down into a realization that, yep, they can hear just find. They're just choosing deafness.

But how can we really get mad when we remember that we do the same thing to God day in and day out? I often wonder if God, sitting in His Heaven, tires of calling to us in the same way young parents tire of calling out unheeded directions to their small children. Help that person. Hear My voice. Open your heart. Give of yourself here. Talk to Me. What is the call He wishes you to hear today?
Can you hear it?
Are you listening?

Sharing Your Faith

Question:

My friend has never heard of Christ and I want to share the Gospel with her but I'm afraid to. How do I share my faith?

Answer:

There are a lot of ways to bring up the topic of religion, without being judgmental or pushy. Begin by asking what her thoughts are about religion, or what her experience was growing up. Finding common ground is often easier than you think, because the questions and problems we have about God, the presence of evil, our purpose in life, and our relationship with God are universal concerns.

Why are you afraid? If you do not want to insult or offend someone, don't be pushy or judgmental. If you are uncertain about how to explain your own faith, do a little reading or practice with a friend. If you measure success only by this person converting, focus your attention more on beginning the conversation, not on bringing it to a perfect close! Faith is a journey of many acts of belief, many discussions about God, and many choices about how we practice what we preach. In some we will have great success; in others we will need forgiveness and perseverance. The most important thing to keep in mind is that the Holy Spirit is always at work and our most humble efforts can bear great fruit. Have faith in God because he has faith in you! ©LPi
