The Gospel story is about a man who stumbled into the kingdom of God without knowing what was going on. He was an exile. He lived cut off from society and must have felt more like an observer rather than a participant in the world around him. Indeed, the deaf man was brought to Jesus without knowing where he was going or why.

Jesus takes him aside and communicates with him. The people begged Jesus to place His hands on the man, but Jesus chooses to do it His own way. Often, we are like that, going to God with preconceived notions on what to do, and how and when to do it. Jesus steps away from the noise of life and into the world of this man. He manages to communicate whether by basic sign language or the universal language of eye-contact and touch. He talks with finger-tips of love. He also does something strange. Jesus spat on his hand before touching the tongue of the man. This might sound disgusting to us, but saliva comes from the throat, and Jews believed the soul resided in that part of the body. Jesus shares not spittle, but soul-power to this man.

He calls on the powers of heaven. He groans and shouts the words “Ephphata”, which means “Be opened”. The man is free. Salvation breaks out among the people.

Jesus touched ears, tongue and heart. Help us to see how deaf we can be to the call of Christ in our lives. Help us to overcome the fear of speaking out and become voices of faith. Help us to believe salvation came from the loving heart of God, and he wishes to reside in our hearts also.

In Christ,
Fr. Aidan

Attention

In recent weeks, there have been several attempts made to scam parishioners by impersonating local parish priests and staff. Please note, a priest or staff member from our parish will NEVER contact our parishioners requesting monetary donations of gift cards or funding of any type via direct email or text messages. It has become evident that hackers are using emails and/ or phone numbers to disseminate messages soliciting money from members of our parish and they have almost been successful in several instances.

If you encounter this, please **contact your local police department** and provide them with all of the information you have.

NATIONAL COUNCIL OF CATHOLIC WOMEN

Next weekend, September 11 and 12, the Diocese of Palm Beach will have a special collection to benefit both our local Catholic Charities Respect Life Ministry and our diocesan parishes who minister to mostly migrant parishioners.

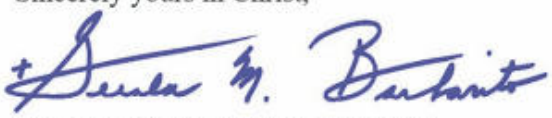
Half of next week's collections will benefit our local Catholic Charities Respect Life Ministry which promotes life from natural conception until natural death through prayer, catechesis, legislative action and pastoral programs. They actively promote respect for all life by advocating and raising awareness in such areas as: abortion, physician assisted suicide/euthanasia, death penalty, end of life and bioethics. This ministry promotes and implements the Respect Life Program and the Pastoral Plan for Pro-life Activities of the United States Conference of Catholic Bishops.

The other half of the collection will benefit St. Philip Benizi Catholic Church in Belle Glade, St. Mary Catholic Church in Pahokee, and Sacred Heart Catholic Church in Okeechobee. These parishes have large migrant communities, and your support assists them greatly in ministering to their pastoral and social needs.

Together let us prayerfully and compassionately respond in faith to those who cry out to God in desperation as they seek a safe place for themselves and their families.

With gratitude for your continued generosity and with every prayerful wish, I am

Sincerely yours in Christ,



Most Reverend Gerald M. Barbarito
Bishop of Palm Beach

Faith Formation

Sunday

Elementary Faith Formation:

This weekly classroom-style religious education is designed to follow the 9:30 am Sunday Mass so families can attend Mass together and then elementary-age students can attend Faith Formation sessions immediately after it. This year we will continue using St. Mary's Press Discover! Finding Faith in Life, weekly lesson plans. One of the best things about this program is The Catholic Children's Bible, which each student will receive. This Scripture text is translated into kid-friendly terms and accented with pictures and descriptions that bring to life the relevant Bible stories each week. Classes will begin Sunday, September 12, 2021

First Holy Communion Prep:

This class is designed for students entering into the 2nd grade to prepare for their First Holy Communion which will take place in the spring of 2022 and First Reconciliation, which typically takes place in January. Throughout the year they will work through the BLESSED: First Reconciliation and First Holy Communion Books with characters Ben, Sarah, and their pet gerbil Hemingway as they learn about how blessed we are to be members of the largest family in the world

Confirmation Prep:

This program is designed for students who are in 8th -12th grade. Like all Sacraments, there is not a correct age or time to receive a Sacrament but there is some preparation that needs to be completed before taking on the responsibility of the Sacrament. Here at St. Patrick's we do require students to be at least in the 8th grade before they begin preparing for Confirmation, but the program is open to anyone in 8th - 12th grades. "Chosen: Your Journey Toward Confirmation" takes young people on a journey through the entire Catholic faith in all its richness and vitality. Teens will be captivated by the story, from Creation through salvation history, and they will come to see how the Sacraments, prayer, and discipleship are the keys to a happy life.

Monday

Middle School Faith Formation:

This year we are excited to launch a hybrid model of faith formation which blends both the educational classroom methods with interactive and relationship-building youth group methods. We will be following Lifeteen's EDGE curriculum with the middle school students as it provides a safe fun place for youth to find a solid Catholic community, to get answers to their questions about faith, and, most importantly, to experience Jesus in a profound and personal way.

A Family of Faith:

We are excited to continue with the Family of Faith program for those families who wish to participate. We will meet monthly on the first Monday of the month with both parents and students having their own sessions. Parents will then take homework to complete with their children before returning the following month. This year we will be going over the Sacraments and how they reveal God's love to us.

Tuesday

Women's Bible Study:

Join the Women of our parish as we come together to explore and grow deeper in our faith. This fall we will be meeting weekly on Tuesday evenings from 7:00 – 9:00 pm. We will begin after Labor Day in the Fall.

Young Women's Study Group:

Endow (Educating on the Nature and Dignity of Women) seeks to educate women toward a more profound understanding of their God-given dignity through study in small group communities of faith and friendship. Rooted in the teachings of Pope St. John Paul II, Endow affirms the genius of women – the feminine genius – and empowers them to fulfill our culture's desperate need for an authentic feminine presence in every aspect of life and society. We meet Bi-Weekly on Tuesday evenings from 7:30-9:00 pm. Ongoing.

Homeschool Scripture Class:

This year I am looking forward to hosting God's Plan in Scripture (GPS) which is based on "The Great Adventure Kids Bible Timeline" for students who are homeschooled. God's Plan in Scripture (GPS) is a parish program designed to take children on an amazing journey through the story of salvation. The Storybook helps children and families learn the Bible together using the same color-coding and chronological approach as the adult Great Adventure Bible Timeline®.

FAITH FORMATION

The School of Christian Formation:

The School of Christian Formation for the Diocese of Palm Beach is offering a series of classes and programs here for adult Catholics who wish to learn more about the rich traditions of their Faith. Each course meets on Tuesday evenings from 7:00- 9:00 pm for a total of six classes. Two courses are taught during the fall and two during the spring. You may attend individual courses for credit or follow the entire three-year program. This year we will be doing an overview of the Bible with four courses over the academic year. They will include:

Introduction to the Bible with Diane Kent – **August 17th - September 21st**
Old Testament with Fr. John D'Mello – **October 12th – November 16th**
New Testament with Patti Amann – **January 4th- February 8th**
Christology with Andrea Cook – **Feb 22nd – Mar 29th**

Men's Morning Bible Study:

The Parish Bible Study for men provides an opportunity for increased spiritual growth. The study will focus on the upcoming Sunday Mass readings and how they might apply to our love today. Our meetings last approximately one hour and will be held on Wednesdays at 9:30 am. There is no cost and nothing to purchase. The studies are being coordinated by Deacon Joe with assistance from others. We hope all men of the parish will take advantage of this hour to grow in faith and fellowship as we continue to build up the community of St. Patrick. Ongoing

Adult Virtual Faith Formation:

After this past year many of our parishioners enjoyed participating in an online group session and so we are going to continue offering one this next year. Join us as we learn more about our faith through dynamic video presentations and small group discussions. This fall we will be diving into Augustin Institutes' "Symbolon". "Symbolon: The Catholic Faith Explained" is a systematic presentation of our Catholic Faith. It will lead you through the "big picture" of the Catholic Faith and our Creed is the guide. "Symbolon" brings together some of the most trusted Catholic teachers in the world to guide you through the breadth and richness of the Catholic faith.

Adult Faith Formation - THE SEARCH:

As Catholics, we know life is a beautiful mystery. Now explore the depths of that mystery and what it means for you. What is this journey in between the event we call "birth" and the one we call "death"? Is the journey taking you somewhere, or are you leading yourself to some kind of destination – a destination that could extend beyond your last breath? What do you want from your life during the in-between? The questions are there. And, the answers are too. Join us on Wednesday evenings from 7:00-8:30 as we explore life's big questions.

Thursday

The Rite of Christian Initiation for Adults (RCIA):

Are you looking to join the Catholic Church? Do you want to receive the Sacraments of Initiation? (Baptism, Holy Communion or Confirmation) Or are you a cradle Catholic looking to learn more about the Catholic Church and grow deeper in your faith? If you fit any of these, RCIA might be a good place for you to start. It is a journey in which you experience support, discovery, and fellowship. It is for any adult who is looking to start or deepen their faith journey by preparing to receive any of the Sacraments of Initiation or for anyone who is looking to learn more about their Catholic faith and grow deeper in it. Classes at St Patrick's are held on Thursday Evenings from 7:00 - 8:30 pm September – May.

Saturday

Panorama of the Old Testament:

Explore the sweeping saga of God's people and their sacred journey. Panorama of the Old Testament surveys the variety of books found in the Old Testament. Uncover interwoven themes, the background of familiar characters, and God's overall plan of salvation. A perfect way to begin a great adventure or step back and see where you have been in your study of the Bible. Commentary, study and reflection questions, prayer, and access to online lectures are included.

Presented by Deacon Bob Rodriguez,
a guest teacher from a local Diocesan Parish.
This class will be Saturday mornings
from 9:00 am—11:00 am

Families with Tots:

All families with children under 6 years old are invited to join us for a time of family fellowship. We hope this new Faith Formation session will be an opportunity for families to bond and grow healthy, fun, and supportive relationships for our parish home! We will meet on the second Saturday of each month at 9:30 am. Each session is for the whole family and we will be diving deeper into ways to grow in our faith for tots to parents.

Dear Parishioners,
My name is Sandra Francis and my special needs son and I have attended the 11:15 Mass weekly ever since we moved to this area three years ago. I would like to ask for your vote as I am currently running in a Nationwide competition called "Fab over 40". This contest represents women who inspire other women with the caring of their health and lifestyle. If I win, I will use the cash prize to pay for my special needs son's adult day care expenses and other needs. I'm hoping that the National Beauty Magazine Spread would give me national attention and help with acquiring major health and beauty contracts for my brand. Please follow Sandra J Francis, @sandrajfrancis, on Instagram to get to the link to vote for me. Through the link, you can vote for me by donating to One Hope Charity, which helps women in need with the National Breast Cancer foundation, or with free daily votes. PEACE—ST. PATRICK JUSTICE MINISTRY

Another Victory for PEACE—Community IDs

For the last 4 years PEACE has been advocating for Community IDs for those that cannot get a driver's license or a state ID. On August 17th, members of PEACE spoke at the County Chambers and won a narrow victory. 4 of the 7 Commissioners voted for an ID to be funded by the County. Victory! Hurray!

Without an ID, a person is a "nobody", even though s/he may work and live here. Our ***immigrant*** brothers and sisters - good enough to maintain our lawns and build our homes - but not good enough to be treated as equals. We heard stories from several women, who cleaned houses in a gated community for years, but when the management changed, they were asked for ID, and no longer allowed to enter the community.

People, who have lost their documents, such as our ***homeless*** brothers and sisters, as well ***released prisoners*** are denied services at food banks; and when stopped by law enforcement they cannot provide ID.

Even ***Seniors who cannot drive***, find too many obstacles to overcome to get a state ID. These hurdles seem like mountains to scale and especially to the undocumented are scary and frightening.

All these people live in fear, angst, and trepidation – they have nothing to show ***who they are***... afraid of the police, afraid to go to a bank, afraid to go to a doctor's office, afraid to visit a loved one in the hospital, afraid to drop off or pick up their children at school, unable to visit a library. This "**not a life**."

Hearing such stories, PEACE, after due research, suggested the Community ID, based on a model used in 7 or 8 states of the country. While it is not a driver's license, this program has brought thousands of people out of the shadows.

We are grateful that the Commissioners, listening to PEACE, said "Yes" to funding $75,000 so that Legal Aid can continue issuing Community IDs for people to access ***basic services***.

St. Patrick's HEARTS AND HANDS Ministry

Our parishioners who are homebound, sick, or alone, miss being reached out to, which can lighten their day; simple human contact. The purpose of this ministry is to reach out to these parishioners to let them know we are here for them as part of their parish family. If you would like to help us to make weekly calls or send out cards (reach out with your hearts and hands), please join us for our first meeting to start this important ministry! Please call the office 561-626-8626 and talk to Laura for more information or to register for the meeting.

We will have two opportunities to meet **Wednesday September 15th** (Feast of Our Lady of Sorrows) **9:00 am** in the Parish Hall or **6:00 pm** in Marian Room (upstairs).

Thank you for your prayerful consideration.

This will also be an opportunity for parishioners to let us know if they are aware of someone who would benefit being contacted by this ministry.

ST. VINCENT DE PAUL

SVdP assisted a grandfather with his seven grandchildren. His daughter is the mother of the children and lives with him and all the kids. His daughter is recovering from COVID. The grandfather was laid off from his full-time job and found part-time work at a dog rescue, but the reduction in hours leaves him financially strapped. He has been able to stay current with his rent and utilities, but has absolutely nothing left over. SVdP supplied the grandfather with Wal-Mart gift cards to buy clothes and school supplies for his grandkids.

To join the Vincentians at the SVdP - St Patrick Conference
Call: Bobbi Perry - President or Robin Mahan - Secretary for more information

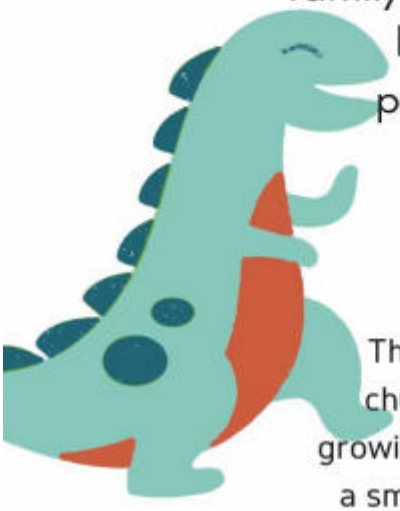
MAY WE SUGGEST. . .

God put the wiggle in your children.
Don't feel you have to suppress it in God's house.
All are welcome!
Please consider sitting towards the front where it is easier for your little ones to see and hear what is going on during the Mass.
They tire of seeing the backs of others.
Quietly explain the parts of the Mass, and actions of the priest, altar servers, lectors, choir, and others.
Help them find the hymns and prayers.
Sing the hymns, participate in the liturgy, and pray!
Children learn about worship and liturgical behavior by copying you.
If you feel your child is significantly out of hand, we would like to remind you that we have a family room in the back, and if they truly cannot handle being inside, there is a small playground next to the office building.



<u>To Those without Young Children:</u>
The presence of children is a gift to the church and a reminder that our parish is growing. Please welcome our children and give a smile of encouragement to their parents.

Statement from Most Reverend Gerald M. Barbarito on the Earthquake in Haiti, August 17, 2021

We join in prayer and support for our brothers and sisters in Haiti who are currently suffering overwhelming loss through natural disasters. Many within our Diocesan family have close ties to Haiti through their background and family presently living there. We join with them in a special way. We support the work of Catholic Relief Services now assisting in Haiti and encourage financial support of its efforts through our Diocesan website. Your help, no matter what it may be, will provide relief. Above all, our prayers for the people of Haiti are paramount at this time.

Please go to the bottom of the homepage on our website to find the link to donate. It can also be found on our Facebook page.
