LIVE THE LITURGY Inspiration for the week

What prevents us from seeing the Lord? We are not used to seeing Jesus in the ordinary, everyday events of our lives. We expect some kind of startling, extraordinary revelation to occur that definitely and unmistakably sends a signal that God wants our attention. We don't expect a visit from Jesus while we are having breakfast, doing the dishes, running after the kids, negotiating a deal at work, or taking a shower! Sometimes when God simply stands on the shore of our lives casually looking for us, we don't recognize him. Did we ever stop and think that God is really and truly interested in the routine, run of the mill events of our lives? So, "what did you do today?" God may ask. Maybe we don't think that God is concerned about such things, or we are so consumed with life's demands that we give it little if any thought. Perhaps we are determined to achieve our own success, desire to control things ourselves or not really sure what God cares about. God is there. One day, out of the blue, God will get our attention and ask, "Do you love me?"

SAINT OF THE WEEK

The story of St. Rose of Venerini (February 9, 1656 – May 7, 1728) is one of having faith in God and his calling in your life. Born in Italy in 1656, she was the daughter of a doctor. Following the death of her fiancé, she entered a convent in the hopes of becoming a nun, but soon returned home to care for her mother after the death of her father. In an effort to keep up her spiritual side, St. Rose invited women of the neighborhood to recite the rosary in her home, and together they formed a sodality.

Unsure of where her life was headed, she sought the spiritual guidance of a Jesuit priest. After much contemplation, she admitted to feeling called to be a teacher in the world, rather than a nun in a convent. Eventually, she moved ahead and opened a free school for girls in 1685. Eventually, she was invited to oversee the training of teachers and the administration of schools in the Diocese of Montefiascone, which then led to being called upon to organize schools in many parts of Italy, including Rome.

St. Rose died in Rome in 1728 amid a number of miracles that many credit to her. The group of women she first prayed with in her home eventually became known as the Venerini Sisters, found in the United States and working among Italian immigrants. St. Rose was beatified in 1952 and canonized in 2006.

Use Your Envelopes or On-Line Giving

We encourage everyone to use their envelopes or On Line Giving. Think of your envelopes / on-line giving as a gift to God. You take the time to thoughtfully, prayerfully choose your gift, wrap it & present it eagerly to our Lord. Many times families will ask for a letter stating that they are registered, participating members of San Sebastian in order to become a Godparent, Confirmation Sponsor or to enroll in Catholic Schools. Using your envelope or Online Giving makes our job easier and allows us to say, Yes! this family is registered and participating here at San Sebastian. ***Reminder Please write your envelope number on any donations that are not in the preprinted contribution envelopes**
