LIVE THE LITURGY

Inspiration for the week

Expressing gratitude is a sign of a loving heart. When we have received a gracious gesture, the appreciation experienced forms a bond between the giver and receiver. This can only happen when abundance and kind gestures are seen as gifts and not something to which we are entitled. The power of gratitude is more profound when we realize all that we are and all we are given do not have a human source but are of God. Walking around believing that our glass is only half full leaves us always wanting more. We are never satisfied. We become nothing more than entitled pursuers of whatever we can get. Instead, the one who is eager to count their blessings and appreciate the wonder and beauty of the gift of life itself is at peace. Before they take another step or venture off on another journey, they bow in gratitude to the presence of God himself. They are most keenly aware that all would cease to be without God.

SUNDAY, OCTOBER 9, 2022 | 28TH SUNDAY IN ORDINARY TIME

SAINT OF THE WEEK

Saint John XIII was born Angelo Giuseppe Roncalli on November 25, 1881, in a small village in Italy. He was ordained in 1904 and later earned a doctorate in canon law. During World War I he served as a stretcher-bearer and chaplain for the Italian army. Beginning in 1925 he served as a Vatican diplomat, first in Bulgaria, then in Greece and Turkey. From 1935 through the Second World War he helped save thousands of Jewish people. In 1944 he was named papal nuncio to France. He was named cardinal and appointed patriarch of Venice in 1953. A quiet pastoral life passing into retirement, however, was not in God's plan for the saint.

Angelo Giuseppe Roncalli was elected Pope in 1958 and took the name John. His papacy was short, but full of action. He transformed the Vatican, calling for openness, a spirit of ecumenism, and the setting aside of politics. He called the Second Vatican Council in the fall of 1962, the first meeting of its kind in almost a century, setting the agenda to work for the spiritual regeneration of the Church. His efforts changed the face of the Catholic Church. At the same time worked diligently and publicly to ease tensions during the Cuban missile crisis, pleading with leaders for the end of the Cold War.

Saint John XIII's kindness, sense of pastoral care, and works of reconciliation and peacemaking made him beloved not only to Catholics but to people around the world. He died on June 3, 1963. He was beatified in 2000 by St. John Paul II, and canonized by Pope Francis in 2014.

### Use Your Envelopes or On-Line Giving

We encourage everyone to use their envelopes or On Line Giving. Think of your envelopes / on-line giving as a gift to God. You take the time to thoughtfully, prayerfully choose your gift, wrap it & present it eagerly to our Lord. Many times families will ask for a letter stating that they are registered, participating members of San Sebastian in order to become a Godparent, Confirmation Sponsor or to enroll in Catholic Schools. Using your envelope or Online Giving makes our job easier and allows us to say, Yes! this family is registered and participating here at San Sebastian.

### SSCC PARISH COUNCIL STATUS UPDATE ON RECTORY RENOVATION PROJECT

Our Pastor, Fr. John and the project team have met with the architect to review the concept for the elevator and design drawings. The team agreed that the plan looks very good. Next step in the process is to secure cost estimates from the elevator providers. The design concept and cost estimates will then be presented to the diocese for review and approval. Bids are out to building contractors for the actual construction. We anticipate receiving proposals from the contractors by September 30. The goal is to begin construction by Christmas.
