LIVE THE LITURGY

Inspiration for the week

To be humble means to see ourselves as we are. It comes with the recognition that we are never perfect, better than another, or free of sin. The humble person knows their faults and failings as well as their successes and triumphs. They also realize that they are nothing without God, especially God's mercy. The humble one knows who they are, who they can be, and how they have fallen short. Being desperately in love with God, they know how they have sometimes given in to their desires rather than God's will, almost with a sense of embarrassment. Being justified in our relationship with God is not about a list of the good things we do and the bad things we don't. We are vindicated when we realize how totally dependent we are upon God's gratuitous, abundant, and unconditional love. It is a gift we often take for granted and is often unappreciated.

SUNDAY, OCTOBER 23, 2022 | 30TH SUNDAY IN ORDINARY TIME

SAINT OF THE WEEK

Saint Anthony Mary Claret is also known as the "spiritual father of Cuba." He was born in Salient in Catalonia, Spain, in 1807. He became a weaver, like his father, and was very talented. But he studied in his spare time to become a priest and was ordained in 1835. In 1849 the saint founded the Claretians, a religious institute of missionaries, and a companion order of women religious who served as teachers for girls.

From 1850 to 1857 he served as Archbishop of Santiago de Cuba, Cuba, where he worked diligently to reform both clergy and laity. He opposed concubinage and instructed black slaves, and championed family-owned farms instead of the mass farming of a sugar cash crop. These stances were vehemently opposed by many, and Saint Anthony was the target of assassins.

He was recalled to act as Queen Isabella II's confessor, a duty he reluctantly agreed to, with the exceptions that he would reside away from the court, attending the household only to hear confessions and instruct the children. While in Spain he founded the Religious Publishing House and wrote or published 200 Catholic books and pamphlets. He went into exile to France with the Queen's household during the Spanish Revolution of 1868.

The saint returned to Rome to participate in Vatican I where he defended the infallibility of the Pope. He died in France in 1870 and was canonized in 1950 by Pope Pius XII.

### Use Your Envelopes or On-Line Giving

We encourage everyone to use their envelopes or On Line Giving. Think of your envelopes / on-line giving as a gift to God. You take the time to thoughtfully, prayerfully choose your gift, wrap it & present it eagerly to our Lord. Many times families will ask for a letter stating that they are registered, participating members of San Sebastian in order to become a Godparent, Confirmation Sponsor or to enroll in Catholic Schools. Using your envelope or Online Giving makes our job easier and allows us to say, Yes! this family is registered and participating here at San Sebastian.

**\*Reminder Please write your envelope number on any donations that are not in the preprinted contribution envelopes**
