LIVE THE LITURGY

Inspiration for the week

God does not set things in motion or create something and then step back to attend to other matters. When God creates, God remains connected. God's continued and constant presence is necessary for everything we see to exist. Without God, life as we know it would cease. God's imperishable spirit is in all things! Being the author of love, God cannot despise or hate Himself. Therefore, God cannot despise or hate anything or anyone. How can God be repulsed by the image of Himself reflected in a human soul? Jesus goes to the homes of sinners. His very presence there is enough to change even the most conflicted and self-serving of hearts. The soul who realizes its utter dependency upon God is a soul who knows salvation. The beginnings of salvation's blessings are discovered when we understand who God is, who we are, and how we are to act relative to our brothers and sisters. We find what our selfishness lost.

SUNDAY, OCTOBER 30, 2022 | 31ST SUNDAY IN ORDINARY TIME

SAINT OF THE WEEK

Saint Wolfgang of Ratisbon (now Regensburg) was born around 934 in Swabia, Germany. The son of a wealthy family, he was tutored in the home before he studied at the Monastery of Reichenau and Wurtzburg. In 956 he elected to go to Trier with his friend, Henry, who was appointed archbishop there. Wolfgang served as a teacher in the cathedral school at Trier.

After his friend's death, he became a Benedictine monk joining a monastery in Augsburg. There he led the school which flourished under his hand and was ordained in 968. In 972 he was sent to be a missionary to the pagan Magyar tribes (Hungarian clans). The Christmas of 972 he was appointed Bishop of Regensburg, near Munich, by Emperor Otto II, the post he would hold until his death.

The new Bishop continued to wear his Benedictine habit and held to the austerities of monastic life. He preached and worked at reform and took such care of the poor he was called "the Great Almoner." The saint also tutored the future Holy Roman Emperor, St. Henry II.

Saint Wolfgang died in 994 while traveling Austria, in the town of Puppington near Linz. He was canonized in 1052.

### Use Your Envelopes or On-Line Giving

We encourage everyone to use their envelopes or On Line Giving. Think of your envelopes / on-line giving as a gift to God. You take the time to thoughtfully, prayerfully choose your gift, wrap it & present it eagerly to our Lord. Many times families will ask for a letter stating that they are registered, participating members of San Sebastian in order to become a Godparent, Confirmation Sponsor or to enroll in Catholic Schools. Using your envelope or Online Giving makes our job easier and allows us to say, Yes! this family is registered and participating here at San Sebastian.

**\*Reminder Please write your envelope number on any donations that are not in the preprinted contribution envelopes**

### National Vocation Awareness Week is Nov. 6-12

Information to help  
foster an apprecia-

tion for vocations, especially to the priesthood and consecrated life, was distributed to all parish priests. To further prepare your parish and school to foster vocations for those discerning, it is encouraged to use these free digital resources from Vianney Vocations. Bulletin inserts, prayers of the faithful, homily ideas, communications resources and more are available. The encouragement of our parish priests and accompaniment of our faith community greatly influences vocational discernment. FREE online resources at <https://vianneyvocations.com/>
