4º Domingo de Adviento

Tomar decisiones siempre es difícil; por muy simples que sean, lleva su tiempo de discernimiento. Hoy, la Liturgia se centra en María, y el Evangelio nos dice que: "Por entonces María tomó su decisión y se fue, sin más demora, a una ciudad ubicada en los cerros de Judá" (Lucas 1:39). Hacer la voluntad de Dios, como lo hizo la Madre del Señor, no fue cosa fácil. Al pronunciar su "sí", trajo consecuencias de fidelidad y servicio. "¿Cuáles eran sus pensamientos durante los meses de espera?" La respuesta proviene del pasaje de la visita de María a su pariente anciana, Isabel. "Entró en casa de Zacarías y saludó a Isabel". María estaba feliz por su maternidad, y a su vez, Isabel saludó a María diciendo: "¿Cómo he merecido yo que venga a mí la madre de mi Señor?" (Papa Francisco 12-23-2018).

Un diálogo de amor, entre estas dos mujeres, estalla en las montañas de Judea por el Mesías esperado. María acudió con prontitud, no con ansiedad, sino actuando como una verdadera discípula a su corta edad. La visita de María a su parienta Isabel debe ser un ejemplo vivo para prepararnos a vivir una Navidad de dinamismo, fe y servicio hacia el más necesitado. Un encuentro de alegría auténtica, que manifieste la compasión y la ternura de Dios hacia los que nos rodean a través de nosotros. ¿Cuántos miembros de la familia sufren por falta de una visita, de un saludo? A tan solo unos días del nacimiento del Salvador, es el momento oportuno para las obras de caridad. ¡No pierdas la oportunidad! Camina presuroso al encuentro del Señor.

## FROM THE PASTOR'S DESK

Dear Friends,

I would imagine that you have heard through the years, maybe by friends who are Jehovah's Witnesses, that December 25th is not the day Jesus was born. While they probably were trying to dissuade you from making a big deal about that date, the fact of the matter is, we don't know the exact date of Jesus' birth.

In some early traditions it was thought that Jesus' birth and death occurred on the same day in March. A spring date could make sense if what Luke says about shepherds being on the hills watching their flocks by night is correct. Generally shepherds will stay with their sheep in the spring when the new sheep are being born. They do this to protect the lambs from wolves. In the Eastern churches the traditional date to celebrate Jesus' birth was January 6th. This later became the date to celebrate Epiphany, the coming of Christ to the nations.

In the Church it was typical to anticipate times of feasting by periods of fasting. It is for this reason that Advent took on something of a mini Lent. The vesture at Mass is similar to Lent, the Gloria is not sung, and flowers and music were to be kept minimally so that Christmas could be celebrated with more solemnity and joy.

The problem that we encounter today, which is not so dissimilar to the early centuries of the Church, is that the secular culture is already feasting and celebrating. It is common to have "Christmas parties" in December preceding December 25th. We have been hearing Christmas music for awhile and homes and buildings are decorated with festive colors.

The Roman pagan celebration of Saturnalia occurred between December 17-23. Sacrifices were offered to Saturnalia, god of agriculture. It was typified by gift giving, feasting, and excesses. The Church encouraged a more somber time dedicated to Christ. It was precisely during these days that the Church sang the "O Antiphons" to God. These antiphons are still used as the Alleluia verse during these days. They have become part of the popular Advent hymn O Come, O Come Emmanuel.

O Sapientia	Come, Wisdom of our God...
O Adonai	Come, Leader of Ancient Israel...
O Radix Jesse	Come, Flower of Jesse's stem...
O Clavis David	Come, Key of David...
O Oriens	Come, Radiant Dawn...
O Rex Gentium	Come, King of all nations...
O Emmanuel	Come, Emmanuel...

Among the ways that Jesus' heritage is remembered and celebrated throughout the season of Advent is by recalling God's providential plan throughout the scriptures. The Jesse Tree depicting the biblical ancestors of Jesus is sometimes used to remember that Christ is intimately related to us and our history. Jesus is related to us through Adam, Noah, Abraham, Isaac, Jacob, Moses, Jesse, David, Solomon, Mary and Joseph. This can be a useful tool in learning the scriptures while anticipating the birth of Christ.

Another variation on this is the Advent calendar. Sometimes it is formed as a house or stable with 24 windows. Each day of December another window is opened. Often a scripture passage would be read from the prophets and there might be a suggestion on how best to prepare for Christmas by sacrifice and good works.

Advent is nearly complete; I hope that your season of Advent has been a fruitful time as you prepare your hearts and minds to receive the Lord anew in your life.

Peace,

*Fr. Chris*

**Question to ponder: Luke only gives us limited details of the visitation of Mary to Elizabeth. What do you imagine occurred during the rest of their time together?**

## **WE ARE GOD'S INSTRUMENTS**

St. Augustine tells us that a "Christian is a mind through which Christ thinks, a heart through which Christ loves, a voice through which Christ speaks and a hand through which Christ helps." As we look around and out at the world, we do not have to search too far before we come face to face with inequity and injustice. There is so much unfairness, prejudice, anger, hatred, violence, and want. The stories of human heartache, people being hurt, deprived of life's necessities, loneliness, and sickness are far too commonplace. For many of the world's ills, the vices of greed, lust, pride, gluttony, and jealousy are clearly among the more significant root causes.

Why doesn't God just step in and fix this mess? After all, God created this world, and one would hope that he would step up and take some measure of responsibility for it! Once we sit with this thinking for a while, we can begin to realize just how flawed it really is. God did take responsibility and God did fix the problem! God sent us Jesus Christ as the divine solution to the world's ills. It is not God who has shirked responsibility, we have. We are the ones who continually fail to set our own personal needs, wants, and securities aside so that One more powerful than us can use us.

Mary had to set her needs aside in order for the Son of God to come into the world. Put simply, Mary listened and believed. Having opened herself to being an instrument of the Divine, God could use her as his mind, heart, voice, and hand. She became God's vessel so that God's greatness could reach the ends of the earth and peace could come upon the world. God's fix for the world's difficulties is you and me. We are the ones who confess that Jesus Christ came into the world as the Son of God, the Prince of Peace, and herald of justice. All we have to do is believe, as did Mary, that what has been spoken to us by the Lord will be fulfilled. Then, we can step aside and be the Christians we claim to be. What a difference it would make if every person who professed to be Christian truly understood that their one and only vocation is to be God's instrument. What a beautiful, equitable, and just world it would be.

### **Baby Jesus' Wish List**

Odds are you've got a Christmas list going by now – gift ideas for everyone from your nephew to your goddaughter to your mailman. But what about the birthday boy? What's the gift Jesus gets from you this Christmas?

If you've ever read the Book of Leviticus, you know all about the sacrifices God asks of the Israelites, referred to in the reading from Hebrews today. Leviticus can be a chore to read – a little repetitive, a little intimidating. There's a lot of very specific actions that God asks His Chosen People to complete to make up for whatever they have done wrong. In essence, it's a bit of a wish list for gifts.

But it's a wish list that can really confuse you. What's God going to do with a cereal offering? The kidneys of an animal? If you look closely, what God is doing here is beautiful. He's customized his wish list to only those things He knows the Israelites can give. It's God saying, in what amounts to theological baby-talk for folks who barely know of Him and His ways, exactly how they could be stewards. "Do this, but don't do that. If you do that, do this and you will find My mercy."

Our guide to stewardship – the Gospels of Christ – is less precise because by the time of Christ, God's people have grown in understanding of love and mercy and relationship with the divine. Through Christ, we find out that God's real wish list didn't really consist of cereal offerings and the kidneys of various animals. It's far simpler, but luckily, it's something we still have on-hand. All He wants is our whole heart.
