**LIVE THE LITURGY**

**INSPIRATION FOR THE WEEK**

God is love. These three simple words deserve a great deal of attention. They have the power to transform our relationship with God from something that is static and distant to one that is personal and real. We all know the power of love and how important it is to completing all of the human and divine circuits of our lives. But we do not often consider the awesome fact that it is given to us as a gift and is not simply part and parcel of the human package. God is the author of love and love itself. When we truly love another human being, it is really God being God in and through us. The love to which we are called and the love of which the Gospel speaks is a selfless love that seeks the wellbeing of not only our significant others but of all of our brothers and sisters. This love, which is of God, is a love that will endure all things and bring immeasurable joy when experienced. It is the most sincere form of friendship. ©LPi
