## THE HOLY FAMILY

After three days they found him in the temple, sitting in the midst of the teachers, listening to them and asking them questions, and all who heard him were astounded at his understanding and his answers. - Lk 2:46-47

Al tercer día lo encontraron en el templo, sentado en medio de los doctores, escuchándolos y haciéndoles preguntas. Todos los que lo oían se admiraban de su inteligencia y de sus respuestas. - Lc 2, 46-47

# WELCOME!

### THE HOLY FAMILY PRAYER

**Jesus, Son of God and Son of Mary, bless our family.  
Graciously inspire in us unity, peace, and mutual love.**

**Mary, Mother of Jesus and our Mother,  
nourish our family with your faith and your love.  
Keep us close to your Son, Jesus, in all our sorrows and joys.**

**Joseph, foster-father to Jesus, guardian and spouse of Mary,  
keep our family safe from harm.  
Help us in all times of discouragement and anxiety.**

**Holy Family of Nazareth, make our family one with you.  
Help us to be instruments of peace.  
Grant that love, strengthened by grace,  
may prove mightier than all the weaknesses and trials  
through which our families sometimes pass.  
May we always have God at the center of our hearts and homes  
until we are all one family, happy and at peace  
in our true home with you.  
Amen.**

### WESHARE DONOR MATCH PROGRAM

The holiday season is one of the largest giving seasons for our church. Our online giving provider WeShare is generously providing a donor match program to help us increase recurring giving. Online gifts help reduce costs and our time spent handling other forms of payment.

For every first gift from a new recurring donor that is added between **November 1 and December 31, 2021**, WeShare will match that first gift, up to \$50, with a maximum match of \$1,000 for our church. To be eligible for the matching gift, more than one installment must be set-up and the first recurring gift must be transacted by December 31, 2021.

*We appreciate your generosity and your support of our church. We prayerfully ask that you consider helping us meet this goal by creating your recurring online gift today.*

**December 26, 2021**  
**The Holy Family of Jesus, Mary, and Joseph**

“Whenever I think I’m a bad mom, it makes me feel better to remember that Mary lost Jesus for a whole three days.”

My mother said this a lot while I was growing up. So, it is no surprise that whenever I find myself feeling defeated and hopeless, I reflect on today’s Gospel and the fifth Joyful Mystery of the rosary. I come to this Gospel in moments of confusion, because to me, this is the most confusing passage in all of divine revelation. I cannot understand why Jesus would commit an action that he knew would bring pain and fear to the hearts of his parents.

God is all-powerful, so His hand is never forced. Even in situations that are not of His own devising, like the fall of Adam, He remains in control. God is also all-good, so we know that when He does make a decision, like the decision to remain in the temple, it is with the well-being of mankind in His heart. So why did Jesus stay behind in Jerusalem, knowing it would put his parents through three days of hell?

I don’t have the perfect answer; I do not speak for God. But I suspect that I know other questions that have the same answer as this one. Questions like: Why is there so much pain in the world? Why is there so much death? Why is there so much despair? Why does God allow bad things to happen to those who love and serve Him?

I am sure that this passage was selected as the Gospel reading for today, the Feast of the Holy Family, because it is the only Biblical account of interaction between the three members of that family. In that way, it is not the perfect Gospel for this feast, but rather the only Gospel for it.

But I contend that it is also the perfect Gospel for this feast — that there could be no better passage in all of Scripture to convey the complexity of life and love.

Today is the feast, after all, that reminds us that God could use any mechanism in the whole world to communicate His message — but He chooses to do so, mainly, through the stories of family relationships. Complicated ones, no less. Families who experience poverty, pain, and exile. Families who betray one another and forgive one another. Families that fall apart and are put back together.

Today is the feast that reminds us that love is not only a choice (Joseph did not have to accept Jesus as his son, at the outset of Mary’s pregnancy) but it is also a risk. If Joseph had walked away from the pregnant Mary, he never would have been in this position — out of his mind with worry, combing Jerusalem for any sign of the boy he now loved as his own and could not live without. Love has a price. That price, so often, is pain.

Today is the feast that reminds us that even Mary, who had perfect faith, once asked God: “Why have you done this?”

Today is the feast that reminds us that so often when we stare at God, our eyes blurry with tears, and ask “Why?” we are, in fact, asking Him: “Where?”

*Where were You? Why couldn’t we find You in this mess? We were looking so hard.*

And finally, today is the feast that reminds us He is here. In the midst of the confusion and the despair and the anxiety. He is always here, waiting.

**Solemnity of Mary, the Holy Mother of God**

**Feast day January 1**

Way back in 431, there was a bitter controversy among theologians over the role of Mary in the Catholic Church. They debated the question: Who is Mary in God’s plan?

In the end, the bishops declared that Mary is really the mother of Jesus and Jesus is really God. So it must be said that Mary is the Mother of God. The oldest Christian greeting of Mary was proclaimed when Mary’s relative Elizabeth called her “Mother of my Lord.” When Elizabeth welcomed Mary, she recognized both the great privilege God had given Mary and Mary’s great faith in accepting it.

For centuries, Mary has been praised because she believed. She is Mother of God because of her faith in God. The Solemnity of Mary, Mother of God, celebrates Mary’s faith and trust in God alone. The Church wants us to imitate her faith.

## Going Beyond Teen Chastity

*Theology of the Body for Teens: Middle School Edition* is a dynamic faith formation program for teens and pre-teens based on St. Pope John Paul II's revolutionary Theology of the Body. It goes beyond traditional chastity programs by connecting the two hottest topics on the planet—God and sex—and discussing them in a language sixth through eighth graders can understand. Using a great mix of stories, real-life examples, activities, prayers, and references to the culture that teens understand, the Middle School Edition answers the questions middle school students have about their own bodies, issues on sexual morality, and how they were uniquely created for greatness.

### SAVE THE DATES in 2022!

### ¿Por qué celebramos la solemnidad de María, Madre de Dios?

Apenas después de celebrar la Navidad, la Iglesia concluye la octava de Navidad honrando a María bajo su mayor título, Madre de Dios. Sobre el hecho de su Maternidad divina dependen todas las dignidades y prerrogativas que tiene.

El Catecismo de la Iglesia Católica, en su párrafo 509, nos enseña: “María es verdaderamente ‘Madre de Dios’ porque es la madre del Hijo eterno de Dios hecho hombre, que es Dios mismo”.

La solemnidad de María, Madre de Dios, es día de precepto y se celebra cada 1º de enero en su honor.

### Más allá de la castidad adolescente

*Teología del cuerpo para adolescentes:*

*Edición para Secundaria es*

un programa dinámico de formación en la fe para adolescentes y preadolescentes basado en la revolucionaria Teología del Cuerpo de San Juan Pablo II. Va más allá de los programas tradicionales de castidad al conectar los dos temas más candentes del planeta -Dios y el sexo- y discutirlos en un lenguaje que los alumnos de sexto a octavo grado pueden entender. Utilizando una gran mezcla de historias, ejemplos de la vida real, actividades, oraciones y referencias a la cultura que los adolescentes entienden, la edición para la escuela media responde a las preguntas que los estudiantes de la escuela media tienen sobre sus propios cuerpos, cuestiones sobre la moral sexual y cómo fueron creados de manera única para la grandeza.
