Reflection on Sunday's Readings

Third Sunday in Ordinary Time

Jesus is declaring His mission and identity to His people. He clarifies that He is not simply another itinerant preacher, healer, or miracle worker. Jesus is the One for whom the people have been waiting for many centuries. He is the Anointed One of God, who is to bring glad tidings to the poor.

The poor are those who know that they need God in their lives. Material wealth is not the only measure of poverty. It is not a matter of who is rich and poor with material resources. The poor are the people of God, the faithful ones, and they are to receive the glad tidings, the Good News. God, Himself, will show them that it is in their poverty, their need for God that opens their hearts to experience the joy of Christ. Jesus' promise is alive everywhere through the presence of the universal Church that He founded.

The Catholic Church has always responded to the call of serving those who find themselves in material poverty. The Church has one of the largest charitable organizations in the world, which includes hospitals and health care facilities, orphanage centers, and many more. For many centuries, the Church has been addressing the material needs of the poor. The Church also has brought hope, friendship, and inspiration to many. It's a community that builds people by extending God's grace, mercy, and forgiveness to the poor in spirit. Many faithful offer their lives to those who are most in need.

Among those who knew what poverty is all about, material and spiritual, was Mother Teresa of Calcutta. Mother Teresa dedicated her life to serving the poorest of the poor in many countries, including those in the West. She explained that people experience different types of poverty, and we should meet everyone wherever they are. She admitted that the hunger for love is much more difficult to remove than the hunger for bread. She explained that "the spiritual poverty is much greater than the physical poverty of our people. Millions of people suffer such terrible loneliness and emptiness. They feel unloved and unwanted. These people are not hungry in the physical and material sense, but they are in another way. They know they need something more than money, yet they don't know what it is. What they are missing, really, is a living relationship with God."

What would it take for us to address the different kinds of poverty that beset our world?

We have to start by opening ourselves up to the One who promised to bring glad tidings to those who believe, to the poor in spirit. We will receive the Good News if we dedicate valuable time to God in prayer, in reflection of His Words, and in the celebration of the Holy Mass. We need to create a community where we journey with faith. Our faith plays an essential role in our lives to face the challenges of our modern society.

We live in a world where we seem to be isolated from one another. We have modern communication facilities that have the potential to bridge gaps. But instead, they make human relationships becoming more superficial and fluid. Researchers have studied that contemporary society has increased feelings of loneliness and isolation. Many have forgotten the authentic meaning of being truly human and a man and woman for others.

The message of Jesus is clear, "Today this Scripture passage is fulfilled in your hearing." The Word of God is alive, dynamic and timeless. His promise is given not only to one group of people, but to all.

God bless you!

Reverend Dennis Gonzales

FLORIDA CONFERENCE OF CATHOLIC BISHOPS

STATEMENT ON *ROE V. WADE* DAY OF PRAYER FOR THE LEGAL PROTECTION OF UNBORN LIFE January 22, 2022

On this tragic 49th anniversary of the U.S. Supreme Court's decision in *Roe v. Wade* that legalized abortion and stripped the unborn of their fundamental right to life, we mourn the heartbreaking loss of over 62 million victims. The Catholic Church stands emphatically and unreservedly for the rights of the unborn. We look forward with the hope that God will soon bring our nation to a profound awareness of the dignity of human life and a recognition that all lives deserve protection under the law.

We are especially encouraged that the U.S. Supreme Court has heard arguments in the Mississippi abortion case, *Dobbs v. Jackson Women's Health Organization*. This case addresses whether banning abortions after 15 weeks gestation is constitutional. Although difficult to predict, this could very well be the case that overturns *Roe* entirely or in part. We are steadfast in praying that there will be a monumental shift in the Court's abortion precedent in favor of protecting unborn children. We entreat the faithful to commit to daily prayer and fasting along with other believers across the country for a decision that honors the sanctity of unborn life through the Pray for Dobbs campaign (www.prayfordobbs.com).

We also remain hopeful that the Florida Supreme Court will have an opportunity to reconsider its 1989 ruling that interpreted our state constitution's privacy clause to find a right to abortion in Florida. We are closely following a case currently on appeal, *Gainesville Woman Care, LLC v. State of Florida*, addressing the constitutionality of a common-sense Florida law requiring a 24-hour reflection period prior to abortion. Though this good law is being challenged on the basis that it violates the state constitutional right to privacy, we pray for a judicial outcome that upholds the pro-life law so that women have more time to deliberate undergoing an abortion. Additionally, we urge Florida's Agency for Healthcare Administration to strengthen enforcement of existing abortion regulations.

As a Church, we are committed to accompanying all women, including those experiencing unplanned pregnancies or considering abortion. One way that we have been serving pregnant women and their families is through the U.S. Conference of Catholic Bishops' initiative *Walking with Moms in Need*, which connects parishioners with volunteer opportunities at community pregnancy resource centers. We wholeheartedly support this ministry that offers tangible, life-affirming support for vulnerable families – fathers, mothers and their babies. As Pope Francis has said, "And among the most fragile are children who do not see the light because their mothers suffer economic, social and cultural conditioning that drives them to give up that wonderful gift that is the birth of a child." (Address of His Holiness Pope Francis to the Hospital of the Innocents Institute, May 2019)

The Church seeks to be a beacon in a dark world and desires to serve as a field hospital to all who are contemplating or have been harmed by abortion. Even while we recommit to highlighting the great good in embracing life so that abortion is unthinkable, may the Lord continually renew our collective passion to advocate for the protection of unborn children from harm. We ask that the Lord would guide and strengthen our elected and appointed officials in Florida and pray that the legislative and judicial branches at both the state and federal levels come to respect the sacredness of each human life, including the unborn. Let us continue to fight for a culture of life in all spheres so that our society may appreciate the truth that every person—no matter their size, ability, or location—is worthy and worth protecting.

My Brothers and Sisters in Christ:

I am pleased to share with you the 2022 Diocesan Services Appeal theme: *"As the Father has sent me, so I send you"* (Jn 20:21). Jesus speaks these words to His apostles after the Resurrection as He places the mission of spreading the Good News in their hands.

Like the apostles, we are also called to go forth and spread the Good News by showing our faith and good deeds to the world. One way to show our faith is by supporting the Diocese of Palm Beach's offices and ministries underwritten by the Diocesan Services Appeal. Donations to the DSA stay local, financing 47 Catholic initiatives within our five counties. The funding protects the most vulnerable among us, from the unborn child to the elderly, provides food for those in our community who are hungry, sustains our Catholic schools, supports our seminarians preparing for the priesthood, and much, much more.

By supporting the DSA, you will help make a great difference, for which I would be deeply grateful. Your generosity will sustain our tradition of sharing and bringing hope to others. I prayerfully ask you to consider a gift to the DSA. Your participation in the appeal is a vital part of our ability to provide services for our diocese and for those in need. Above all, I ask for your prayers for the success of the DSA, even if you are not able to contribute at this time. As we are sent, we are all part of the family of faith.

With every prayerful wish, I am

Sincerely yours in Christ,

Thanks to everyone who came to our membership meeting. It was good to see everyone and we are off to a good start for the New Year! Also, thanks for bringing copy paper and other office supplies for the school. We really appreciate everyone's generosity towards our school.

If you haven't paid your dues, please make sure you do so as they need to be turned in for the January meeting. If you are not planning to attend the meeting, you can mail them in.

There is an upcoming Chapter Meeting on Saturday, February 5th that we are hosting. Everyone is welcome, so if you plan to attend, please contact Gail to let her know. We will need volunteers to help set-up. If you haven't been to a Chapter Meeting, this is a good time to see what other Chapters in the area are doing.

The Columbiettes continue to offer Holy Water at the east church doors. To help offset the cost, the suggested donation is \$1.00 per bottle and is set up for self-service. From The Power of One Drop of Holy Water: "No matter how distant be the person who is prayed for, *the effects of the prayers of the Church in that tiny drop of holy water, reach them instantly!* Shouldn't parents and friends be doing this repeatedly for those they love. *It is careless, and even a lack of love, not to do so.*"

Answer a prayer and remember the poor as many people are still in need. Donations of food and money are down and the Care Ministry needs our help. Poor boxes and baskets are located near the church doors. Your generosity towards those who are less fortunate is greatly appreciated.

We welcome you to become part of a great group of women who are active in community services and our church. We are caring and sharing in all that we do, and in the process, we form great friendships. If you are interested in becoming a Columbiette, or would like more information, please contact Gail Colvin at (516) 314-4440.

Tax Acknowledgement 2021 Letters for Registered Parishioners

Your deductible donations are recorded throughout the year for those who use tithing envelopes or electronic giving. Please note that yearly tax acknowledgement letters will be available upon request only. When requested, letters will be mailed before January 31, 2022. Please allow sufficient time for your letter.

St. Vincent Ferrer Care Ministry

Thank you for your generosity and please continue to pray for us in our mission to help others. Sometimes the Care Ministers get asked, "what is it that you do?" In the next few weeks, we will let you know some of the things we do. We have a 24/7 hotline that people can call for help. All our calls are confidential as is the help we give. Our Care Ministers receive and respond to these calls every day. The calls we get can be for anything and everything. Most calls are for help with bills, food, and sometimes clients don't know what to do and where to turn so our Care Ministers provide guidance and hope. Most are upset that they need to call us to help as they never had to ask for help before. We help Seniors get hot meals delivered and/or food for their pantries at home. Some need assistance with FPL bills, water bills, and other bills. Some need temporary rent assistance. This last year has been difficult for many Seniors. Health issues, and fixed incomes make it difficult for them to make ends meet. We are here to help them and give them counsel and sit with them to go over a budget to get them back on their feet. Always remember, helping one person might not change the world, but it could change the world for one person.

The mission of the Care Ministry is to be a channel of God's love by providing solutions to area citizens for the many issues they call for. It could be the need for a utility payment to avoid disconnection, rent help in the event of an eviction notice, grocery store cards to purchase food, and help with other unforeseen events affecting them.

If interested in joining our ministry or attending one of our meetings, please call 561-272-7580 and leave a message for Jackie expressing your interest and we will return your call.

Respect Life Ministry

Prayer for Life

Lord Jesus Christ, son of God, in you we adore the eternal origin of all life. Born of the Father before all time, you were born of the Virgin Mary in time. In your humanity and person you sanctified motherhood from the first instant of conception through all stages, for our salvation. Recall all people to these divine blessings, to appreciate the unborn as persons and to enlighten every human being coming into this world. In your mercy avert your just anger from the enemies of life, to allow God's infants to give him glory and to be crowned with the heavenly life of grace. From the cross you called, "Behold your Mother." Amen.

- The unborn
- Expectant mothers
- Those healing from abortion
- The elderly, lonely, and homebound
- The sick
- Those at the end of life
- Those with special needs
- Those affected by human trafficking

The mission of the Respect Life Ministry at St. Vincent Ferrer is to encourage a culture within our parish and community that cherishes every human life, from conception to natural death. Through prayer, service, and education we aim to cherish, defend, and protect those who are most vulnerable, including:

- **Please join us for our Rosary for Life and Divine Mercy Chaplet in the church every Monday thru Friday at 7:35 am.**

If you are interested in learning more about our ministry and/or how you can help the groups listed above, **our next meeting will be March 12, Wednesday morning at 9:30am in Guadalupe Hall (Bldg. G). No meeting is planned in February.** You may also email respectlife@stvincentferrer.com for information and I will return your call. Phyllis Trainor

We are currently looking for Altar Servers to serve at the weekend Masses. Anyone who has received their First Holy Communion is eligible to join.

Please visit our parish website at www.stvincentferrer.com - Ministries & Organizations - Altar Servers to register.

Do you feel called to serve our Lord and the Parish?

We are always in need for volunteers to launder and press the Altar Linens that are used each week during the Holy Sacrifice of the Mass. These are cleaned on a weekly basis. Special attention to reverence when handling the purificators, corporals and hand towels is required and special instructions will be given. This ministry is time-flexible and performed at home. Currently, the time commitment of our volunteers is once every three months. If you are interested in this ministry, please contact the parish office at (561)276-6892. This is a great way for parents to earn school service hours.
