THE ETHOS STORY

Ethos Home Care was formed in February of 2014 by Bethany Retirement Living (Fargo, ND), Eventide Senior Living Communities (Moorhead, MN) and Knute Nelson (Alexandria, MN). Ethos Home Care & Hospice provides personalized care and services to individuals in a 30 mile radius of the Fargo-Moorhead area.

Each partner organization, on its own, is widely recognized for providing innovative services to aging adults throughout a continuum of care.

Additionally, and more importantly, each partner possesses similar values and is committed to achieving the highest quality of care for their organizations to successfully accomplish their nonprofit missions.

Partnering for Your Health

Our Mission

Enrich the quality of living
for those we serve.

BUILDING RELATIONSHIPS

At Ethos Home Care, we focus on building personal and lasting relationships with our patients and their families. The more we know about patients, the better we are able to individualize care and services to enhance their overall well-being.

HOME CARE SERVICES

Ethos Home Care provides personalized health care to our patients in their home. Our services include, but are not limited to:

Skilled Nursing

- medication education
- case management

Home Health Aide

- assistance with activities of daily living, such as bathing and dressing

Therapy

- physical therapy
- occupational therapy
- speech therapy

Home care offers skilled care and admissions seven days a week. We have a Registered Nurse on-call 24/7. Individuals can count on us to be here when they need us most. We pride ourselves on building relationships with our patients and their loved ones. With great teamwork and communication, we have a perfect combination to achieve the best outcomes.

HOME CARE CRITERIA

Being homebound is not a choice. You may be considered homebound if it requires a taxing effort to leave your home.

Ethos Home Care is committed to help you during a time of need, and will work with you to determine if you are considered homebound.

IN-HOME TECHNOLOGY

Ethos Home Care strives to be the leader in innovative and quality services. We offer home based technology to promote safety and well-being in the home for as long as possible.

Our in-home technology options include:

- **Personal Emergency Response Systems:** A personal pendant can be pressed when help is needed
- **MedSmart:** An electronic medication dispenser that simplifies medication administration and reduces errors
