

What is the Communion Antiphon?

Where can I find it?

The Communion Antiphon can be found at the end of the readings in your Lumen Christi Missal.

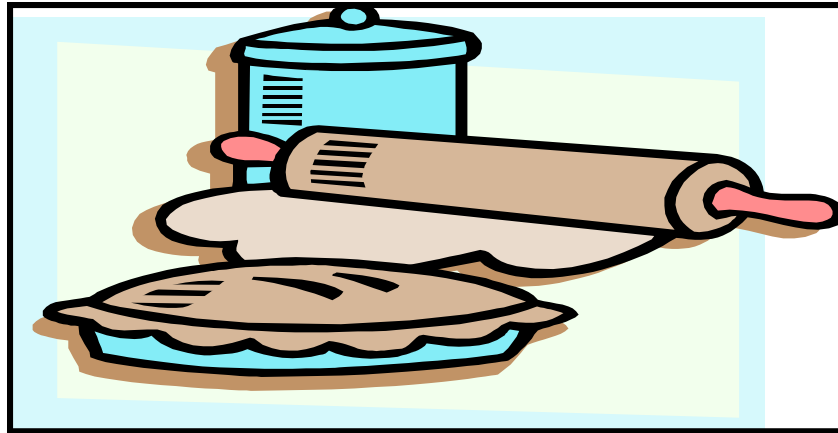

You will notice that this Sunday the 28th Sunday in Ordinary Time Year C, there are three options to choose from. This is often the case with the Communion Antiphons. However, there also are several optional antiphons in the back of the missal. Whenever one of these is chosen, the page number where they can be found will always be posted on the hymn board.

The Communion Antiphon is sung just like the Responsorial after the first reading. The only difference is that the verses are not listed for you in the missal for the Communion Antiphon. This is because you (the congregation) are processing to the front to receive the Eucharist and so the only words you need are the refrain.

Should you wish to review the verses that we sing for your own personal reflection, they can be found on the Illuminare Publications website <https://illuminarepublications.com> in the Score Library.
