LIVING ROSARY

The Rosary is intended to bring us ever closer to Christ in humble devotion and sincere love. What makes this effective meditation on the mysteries so especially fruitful, however, is the fact that we combine it with prayer with Mary. We meditate about the Lord's life while walking through a rose garden with the Blessed Mother. If you have yet to develop a relationship with your spiritual mother, Mary, the month of May — devoted to Our Lady — is a great time to start or to increase your devotion. Here is a brief summary about the Living Rosary here at Christ Our Light Parish.

What is the Living Rosary?

The Living Rosary is a prayer group that requires a short, simple, daily commitment from the members. Parishioners form teams of five members, with each member individually praying one decade of the Rosary, so that each day the team completes a full Rosary. Each team will have one special intention for which they offer their decade in addition to prayer intentions of the members. Each member follows a calendar indicating the mystery to meditate on as they pray their decade, which can be prayed at any time. We have 13 Teams actively participating in the Living Rosary. Anyone may join our Living Rosary prayer group, and it would be best for younger children to be guided by an adult or older sibling.

Please contact me, Maria Duke, if you would like to join or know someone who has expressed interest in learning more about joining the Living Rosary.

"Show your love for Mary, opening your heart to her, confiding to her your joys and sorrows, asking her to help you recognize and follow Jesus."

You may call me at: 740-260-0489

Thank you - once again! Maria Duke

May Crowning: Also on Sunday, May 9th, at Sts. Peter & Paul Oratory 12:15 p.m. Mass, we are looking forward to celebrating Mother's Day with the Crowning of our dearly Beloved Blessed Virgin Mary. Hope you can join us in this beautiful "MAY DAY" celebration.

Congratulations to the students who made their First Holy Communion last Sunday. May they continue to grow and love Jesus more with each passing day.

St. Benedict School
Faithfully Educating God's
Children Since 1911

The school year is on the homestretch with just three weeks to go. Preparations are being finalized for end-of-year activities. We are excited that we will be able to have our 8th grade graduation Mass inside the Church this year.

We had a successful Kindergarten Screening this past Monday and enjoyed meeting our future Leps!

Our weekly school Mass was also held on Monday and we honored our Blessed Mother with the annual May Crowning at the end of Mass.

Congratulations to Mrs. Kelly McQuain who has accepted the Secretary position beginning next school year! Mrs. McQuain is very familiar with our school as all three of her children have attended here and she has been a vital committee chair for the Annual Auction in the past. Welcome Mrs. McQuain!

Please continue to pray for our students, staff and school as we journey through the remainder of this year with "Jesus as our Guide".

In His Name,
Sue Sanders

What IS Scrip?

You hear that Scrip is sold in the Marian Room each Sunday, but do you know what it is? Scrip is a gift card fundraiser for the school in which we have dozens of participating businesses. The gift cards are purchased by the Scrip Program at a discounted price and sold at face value. The money earned goes to the school families to help with tuition and to the school to help with operating expenses as well as scholarships. Some families earn hundreds of dollars each year just by using the Scrip gift cards to shop for groceries, clothing, gas, gifts, and restaurants. You can safely swipe your gift cards at gas pumps or at the cash register without the risk of compromising your credit or debit cards. You can purchase gift cards at the Scrip table each Sunday in the Marian Room. If you have questions, please contact Nicole Forbes at 740-338-9061.

SCRIPTURE READINGS FOR THE ASCENSION OF THE LORD

May 16, 2021

The Ascension marks the end of the age when Christ physically walked among us and heralds the promise of the Spirit to come. It is through the power of the Holy Spirit that we are called into discipleship and into mission.

The mission of the church is to evangelize.

The Gospel reading tells us that before Christ left his disciples physically, he commissioned them to preach and baptize in his name. This command is accompanied by the promise that Jesus will be with them always.

not an option for the church. We are commanded in the readings, “Go... you will be my witnesses...”

Acts of the Apostles 1:1-11

You will receive power when the Holy Spirit comes upon you.

When have you experienced being “inspired” by the Holy Spirit?

Ephesians 1:17-23

He puts all things beneath his feet and gave him as head over all things to the church, which is his body.

What teachings of the church do you find difficult to live with?

Mark 16:15-20

The Lord Jesus was taken up into heaven and took his seat at the right hand of God.

When the Lord returns, what will his judgement be for you?

Next week we will observe the Feast of the Ascension. Historically observing remembrance of Jesus’ ascension forty days after his resurrection was connected to the Jewish observance of Pentecost fifty days after Passover. That meant that the Ascension was usually observed on a Thursday. Recently, for practical reasons, we’ve been observing this feast on the 7th Sunday of Easter.

Why did Jesus ascend to Heaven after appearing to numerous people after his resurrection? Let us consider Jesus’ words to St. Mary Magdalene, the first person to see Jesus after his resurrection, and, let us consider Jesus’ command to his Apostles in next Sunday’s Gospel from Mark 16.

When Mary Magdalene discovered that the person she thought was the gardener in the cemetery where Jesus had been buried was actually Jesus, she grabbed a hold of him with frightened joy! Perhaps it was the opposite of not wanting to be pinched lest we wake up in the middle of experiencing something surprisingly and truly good. Mary Magdalene did not want to let go of him who had given her new hope through his mercy and who now had so clearly conquered even the grave and death itself.

Jesus then told her not to cling to him. Why? “For I have not yet ascended to the Father... I am going to my Father and your father, to my God and your God” (John 20:17). After Jesus’ ascension, he sent the Holy Spirit upon the disciples. By this, they could have an even more profound relationship with Jesus. They, including St. Mary Magdalene, could have an interior relationship with Jesus.

So, it can be for us. Through the Holy Spirit we can have a relationship with Jesus that is more profound than if it was only an exterior relationship. One of the ways we can tap into the depths of that interior relationship with Jesus is by tapping into the level of who we are in Jesus, at the level of our identity. This can connect us with the Gospel for next week, from Mark 16, and Jesus’ command for us to “go into the whole world and proclaim the Gospel to every creature” (Mark 16:15).

To put into practice the command of Jesus just before his ascension, let us bear in mind the relationship between who we are— as human beings and as Christians — and what we do. These thoughts echo commentary from Emmanuel, May-June 2015, p. 183, which is a journal with an emphasis on Eucharistic spirituality.

Sometimes in life it's easy to fall into the trap of valuing what we do as more important than who we are. In reality, the opposite is true: who we are ultimately determines what we do! Discovering who we are, in light of Jesus' resurrection, is a central theme of the Easter season.

These seven weeks of Easter teach us about who we are: God's beloved daughters and sons. We have been bought back from slavery to sin and from the culture of death,

redeemed through the sacrifice of Jesus on the cross and given new life through the sacraments. In Baptism we are born again into life in Jesus, and we are also both adopted and grafted into the family of God. This new life is healed and strengthened through the Sacrament of Reconciliation and Penance and nourished for growth through the Eucharist. We ask that by these gifts we may experience an interior relationship with Jesus that we can invite others to experience as well.

Pastor's Letter

Congratulations to Fr. Bob who a week ago, on May 1st, observed his 45th Anniversary of ordination to the priesthood. I feel a little embarrassed but grateful that one of his chief ways of celebrating that anniversary this past week was to be available to cover parish responsibilities while I participated (as the main organizer) in the annual Diocese of Steubenville priests retreat at a retreat center near Akron. I'm continually grateful that Fr. Bob typically offers one or two of the weekend Masses each week and is there when I try to observe Fridays as a "day off." It's a tremendous blessing that we had that continuity of simply two pastors over 50 years with Msgr. Maher and Fr. Bob (with the parallel with Msgr. Yontz at Holy Trinity). Again, thank you, Fr. Bob, for your continued generosity to all of us here at Christ Our Light Parish in Guernsey County.

The annual retreat is often for me a welcome transition point from a busier schedule in the late autumn through just after Easter, especially when we have a Confirmation year. This year's retreat has had that effect, too. It was tremendous being able to have several days in a row of waking up without an alarm clock! I'm looking forward to being able to devote better attention to following up on requests and ministry – in addition to continuing to express gratitude to Pat Farley and Sue Sanders for their generous ministry in our parish as well.

This past week was also Teacher (and Administrator) Appreciation Week throughout the country. What a gift to encounter so many in our parish who have that gift of being educators, truly focused and enthusiastic (and persevering!) about handing on the spiritual gifts of knowledge, understanding, wisdom and counsel – truly focused on students ultimately "getting it" about various areas of study. Education is so different these days not only because of the pandemic but also from trying to

adapt to so many sources of knowledge and formation through mass media and social media. God bless!

More appreciation, of course, goes to our mothers and maternal figures in our lives, as we observe Mother's Day this Sunday.

I was blessed to have several on-going conversations with my own mother this past week, in part due to the passing of one of her sisters, my Aunt Reenie. My mother was able to be there in Virginia supporting my aunt, my cousins and her family at the time of her passing. It is bittersweet to have those circumstances. My Aunt Reenie was a fun person to be with and had a genuine "southern hospitality" way of caring for us. That's a side of maternal care everyone should all be able to experience. That unconditional love and way of making you feel like you are always welcome and never a burden is a tremendous gift.

May the Lord help us to experience the transforming power of God's love and mercy! May we all experience continued Easter Season blessings!

*Happy Mother's Day
to all who have given
a Mother's Love.*

Thank you.
