

Adult Education Notes

- ✠ Forty is a number used in the Word a lot. Moses and Israelites wandered in the desert for forty years. Moses was on Mt. Siani for forty days to receive the Ten Commandments. Noah spent forty days riding out the flood. These all ended with covenants with God.
- ✠ Jesus went into the desert for forty days to pray preparing for a New Covenant with His people—us. The Mass tells us “This my blood, the blood of the New Covenant”. Now we are into the forty days of Lent to pray, fast, and give alms.
- ✠ Are you ready to be transformed by this Lent like you never have before? The pandemic has changed the way we worship dramatically and we need to be faithful. Do not become “lukewarm “ in your faith, for God dislikes those the most. Make this Lent a better chance to renew your prayer life and give back to God what you have been “lacking”.
- ✠ It doesn’t matter HOW you pray; just that you DO.
- ✠ Every day do something to move your heart closer to God. Happy Lent!!

The Gospel of Life

This Troubled World

We are living in a very troubled world! Nature itself is even trying to warn us to change our ways, but do we listen? No! We ignore the signs.

Back in the time of Moses, God gave us the Ten Commandments to live by. They are the same today as they were then. God has never changed them, because God never makes mistakes. But we human beings have! Money, power and greed have replaced God. We make our own laws that allow sinful deeds to become legal such as abortion.

Abortion is the greatest sin against God there is! With abortion we are refusing His precious gift of Life. We have allowed over 63 million innocent babies to be killed! Yet, we are appalled when the terrorists ISIS kill innocent people. Since when do we have the right to kill?

This whole war is a battle between good and evil. The devil is having a field day with us. He wants us to keep him company in hell! We can put a stop to this. We need a spiritual awakening. We need to turn back to our God for forgiveness. We need to change our hearts and minds. We need to uphold the dignity of all human life, young and old. It can be done.
