### **GOSPEL MEDITATION ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE**

#### **The Assumption of the Blessed Virgin Mary**

They are courageous, wise women who ground us, focus us, and inspire us. They are the good mothers who walk with us and light our way. They teach us life lessons and help us heal and navigate through challenges and difficulties. We need people to point the way. Sometimes, these wise ladies are not our biological mothers but women in our lives, who through their strong and faithful presence, anchor us and remind us that we are loved. We need these women. Human beings do their best when they have cheerleaders in their lives. They show us that even when facing despair there is always a brighter tomorrow.

Jesus needed his mother. She had to be that faithful anchor, that guiding presence, in his life. Jesus needed to be affirmed and encouraged just like any other human being and Mary had to be there, right by his side, doing precisely that. Even when her heart was pierced as he was nailed to a tree, she did not give up hope. Most certainly, she continued to wait, watch, hope, and love until he took his final breath. That's what mothers do. Even when their heart breaks, they persevere.

Today, our Blessed Mother is our cheerleader once again. Taken up to heaven in body and soul, she points to and directs us toward our final destiny. Life eternal waits! Any disappointment, fear, or anxiety can be set aside as she gently reassures us of God's love and promise. Always a mother filled with grace and hope, she calls us to reaffirm our faith in God and in the gifts we have each been given. We can persevere and do what we need to do to live life well, with faith, hope, and love as our guiding lights. Knowing who we are and who we will one day become helps us to better chart the course and direction of our earthly lives. Looking to the example of our Blessed Mother, we receive the assurance we need.

### Mission Co-Op Appeal "Missionary Sunday"

#### NEXT WEEKEND

August 21 and 22 our parish will participate in the Propagation of the Faith's annual Mission Cooperation Plan. This is the Holy Father's way of updating parishioners on overseas missionary activity and also assuring that missionaries have the funding necessary to continue their ministry.

Sister Mary Dietz, a School Sister of Notre Dame, will make an appeal for her congregation's pastoral, educational, and medical missions in Africa.

Sister Mary served as a missionary teacher in Sierra Leone, West Africa. Please welcome her and show your generous support for our brothers and sisters in mission lands.

### A MESSAGE FROM OUR BISHOP

Restrictions lifted, but caution prevails

(Updated Aug. 4 2021)

Since mid-June, when COVID-19 positivity rates fell to .7% (their lowest rate since the beginning of the Pandemic) and Bishop McElroy was able to lift all the Mass restrictions put in place to prevent the spread of the disease, two things have happened: The highly contagious COVID-19 Delta variant has become the dominant strain of the disease in California and positivity rates have increased more than 10 times, topping 7.2% at the end of July. **Health authorities in San Diego and Imperial Counties are following CDC guidance that recommends everyone wear a face covering in indoor public settings, whether they have been vaccinated or not.**

The Diocese continues to urge that anyone medically able to receive the COVID-19 vaccine do so and that anyone unvaccinated continue to use a mask around other people.

The COVID-19 rules currently observed in our diocese are:

- **Masks are recommended at Mass and other indoor diocesan functions for everyone, regardless of vaccination status;**
- All restrictions on capacity and spacing for worship have been lifted;
- All limitations on meetings and social activities have been lifted;
- Distribution of the Eucharist on the tongue is now allowed, although it will continue to be available in the hand. The reintroduction of the shared cup will be determined sometime in the future;
- The dispensation from the obligation to attend Sunday Mass has ended. Some members will continue be exempt, however; It is recommended that non-family members bringing the Eucharist to the sick be vaccinated. Children under the age of 14 in formation classes and students in Catholic schools will have to continue to wear masks because is there no vaccine yet available for the bulk of these youngsters.

**The Church of Saint Luke** welcomes all who seek to enrich their faith life and explore the possibility of becoming a Catholic Christian. Our community joyfully shares and celebrates this journey with them in **"The Rite of Christian Initiation of Adults" - RCIA.**

This journey includes both a discernment process where we spend prayerful time contemplating the movement of the Holy Spirit in our lives and our response to that calling, as well as learning about the Catholic faith.

If you or someone you know is interested in learning more about the Catholic faith – or perhaps you are an adult already baptized in the Catholic Church and would like to become fully initiated – you are cordially invited to enter the RCIA process.

***RCIA Inquiries will be held Wednesday evenings at 7:00 pm beginning August 25th.***
