**TWENTY-FIFTH SUNDAY  
IN ORDINARY TIME**

**A new priest in a parish means a chance to look creatively at what has been done in the past and what could be done in the future. When I arrived at St. Christina's at the start of August, some of you expressed a desire for an earlier Mass time on Sunday. As you know, in addition to serving at St. Christina's, I also have Mass each Sunday morning at St. Nicholas in Tea. So, if I change one parish's Mass time, it requires that I change the other parish as well. I would never change a Mass time without input from the parish so that is what I am requesting of you now. As I have thought about it, and discussed it with others, it seems like a potential Mass time change would be the following: St. Christina at 8:00AM and St. Nicholas at 10:am.**

**I see several advantages to this change. One, I think this would open many possibilities for community events at St. Christina's on Sunday mornings. I realize that right now, it is difficult to have much fellowship after Mass since it is so late. An 8:00am Mass time would allow for breakfast or other types of fellowship after Mass. I think it would also allow for other groups to meet on Sunday mornings after Mass if that would be desired. Another advantage would be the farmers who need Sunday afternoon for chores. I think an earlier Mass time would allow them to come to Mass, stay for fellowship and still have plenty of time for various chores or projects.**

**I also realize that going from 11:00am to 8:00am is a somewhat drastic change. And not all of you are morning people! So I am not trying to force the change. I want to hear from you. I will be conducting a simple survey to see where you all stand. If you are technically inclined, scan this QR code with your phone and take the survey. There are also hard copies available in the back of the Church. I am excited for the future of St. Christina's whether we change the Mass time or not!**

**God bless,**

**Disagreements are common in families. But what would you say if Jesus posed the same question “What are you arguing about?” Is it silly and petty? Is it an attempt to impose your will and control on another? Today Jesus tells us and his disciples to give it up. We are meant to serve each other, not control.**
