Fourth Sunday of Lent March 29, 2020

Dear Members of St. Margaret and St. James Parishes,

Greetings in Christ I believe that most of us are affected in many ways by the Corona Virus known as COVID-19. Firstly we are overwhelmed by the numbers of people around the world who became victims of corona virus. We know by faith that God does not abandon us. What is important for all of us in this time is to concentrate our attention on faith and family. From the early days of history our Church articulated the importance of domestic Church. Many of you probably heard the expression: “*The family which prays together stays together*”. Let us draw closer to one another in our love for God and rediscover what is truly important. I want you to know that every day I offer the Holy Sacrifice of the Mass for the intentions of every one of you and for my family, alternating between St. James and St. Margaret. I hope, that open to the love and mercy of our Lord we will be blessed with protection from all evil and reaffirmed in the faith we profess.

With love and prayers,

Fr. Andrew

CORONAVIRUS COVID-19 USCCB Responds to Coronavirus

Archbishop Jose H. Gomez of Los Angeles, president of the U.S. Conference of Catholic Bishops, has issued the following regarding Coronavirus (COVID-19):
With the worldwide outbreak of the coronavirus, we are confronted once more with the fragility of our lives, and again we are reminded of our common humanity; that the peoples of this world are our brothers and sisters, that we are all one family under God. God does not abandon us he goes with us even now in this time of trial and testing. In this moment, it is important for us to anchor our hearts in the hope that we have in Jesus Christ. Now is the time to intensify our prayers and sacrifices for the love of God and the love of our neighbor. Let us draw closer to one another in our love for him, and rediscover the things that truly matter in our lives.
United with our Holy Father Pope Francis, let us pray in solidarity for our brothers and sisters here and around the world who, are sick. Let us pray for those

who have lost loved ones to this virus. May God console them and grant them peace.
We pray also for doctors, nurses, and caregivers, for public health officials and all civic leaders.
In this time of need, I invite all the faithful to seek together the maternal intercession of Our Lady of Guadalupe, and I share this prayer with you:
Holy Virgin of Guadalupe, Queen of the Angels and Mother of the Americas.
We fly to you today as your beloved children.
We ask you to intercede for us with your Son, as you did at the wedding in Cana. Pray for us, loving Mother,
and gain for our nation and world,
and for all our families and loved ones,
the protection of your holy angels,
that we may be spared the worst of this illness.
For those already afflicted, we ask you to obtain the grace of healing and deliverance. Hear the cries of those who are vulnerable and fearful, wipe away their tears and help them to trust. In this time of trial and testing,
teach all of us in the Church to love one another and to be patient and kind. Help us to bring the peace of Jesus to our land and to our hearts. We come to you with confidence,
knowing that you truly are our compassionate mother, health of the sick and cause of our joy. Shelter us under the mantle of your protection. Keep us in the embrace of your arms, Jesus. Amen.
