PHIL MCEVOY

1. How long have you been a member of St. Matthew parish?

Marylou and I have been a Parishioner since day one. I was on the first Parish Pastoral Council

2. What is your occupation? Retired for over two years.

3. Tell us about your family:

Marylou and I got married in 1981 at St. Bernadette Catholic Church in Bellevue. We have two married sons. Shannon and Erin live in Ft. Collins and have three children. Pete and Nancy live in Bennington, Nebraska and have two children. We babysit these two at least every Thursday, often on other days. I had the great joy of taking care of the youngest, now 2-1/2 right after her mother went back to work. I found out quickly why God designed us to have babies when we are young and not at age 65.

4. Name some gifts/talents you may have to offer our parish: I have a great love for the Holy Eucharist; this is shown by the Ministries I am involved in. When the Veteran Home opened Father Stolinski asked me to set up and coordinate the Sunday Communion Service. Since that I have also done the same at Mable Rose. We also take Holy Communion to the homebound of our Parish and to Bellevue Medical Center all of which I recruit, train and schedule. During a planning meeting in 2016 we became aware, through a survey of our Parishioners of a desire for Eucharist Adoration. Father Leo asked me to make this happen. In January of 2017 we started 1st Friday Exposition of Jesus in the Monstrance for 24 hours. Through efforts of others we have added Exposition during the day on the other Fridays. Since retiring I have become involved in the Funeral Services, helping the families plan the Scripture Readings and to take the load off of the families in their time of need.

5. What do you see as some of the strengths of our parish currently? We are a truly a Parish Family, many of us know each other's children, grandchildren and even great-grandchildren. We visit each other when there is an illness, taking meals and also the Bread of Life (Holy Communion). We take each other to doctor and PT appointments. Along with this we have a strong prayer life which can be seen in numerous Bible Study groups, Vespers, daily Mass preceded by the Rosary and Divine Mercy Chaplet, prayer chains for people in need.

6. If elected, what areas of parish life do you see as a particular focus of your interest? As we grow to welcome in the new Parishioners and make them part of our Parish Family. Introduce the new members to others and encourage them to get involved in the many groups of the Parish. I encourage people that if they have an idea to make our Parish better to run with their idea and to assist in any way I can. My dream is to have Exposition of the Holy Eucharist 24/7/365.

7. Any other comments or information you would like to include? Being a member of the Welcoming Committee I would like to do more than just welcome people to our Parish. I have the desire to keep getting more people involved. For way too many years I fulfilled my Sunday requirements by going to Mass. Through my years at St. Matthew I have found that there is much, much more and fulfilling Ministries to assist the People of God. Most that does not involve a huge amount of time but build up the Body of Christ.

AL BRUNNER

1. How long have you been a member of St. Matthew parish?

Cardinal Spellman School (CSS) Parents 1991-1995; 9+ yrs (2001-2009) & Feb 2020 to present.

What is your occupation? Aviation Safety Inspector for the Federal Aviation Administration

Tell us about your family:

My wife Suzi & I have two children and four grandchildren. Our children attended CSS and that is when our commitment to get a parish began. Aaron lives in Florida with his wife Theresa and daughters Lola and Valentina. Teri lives here in Bellevue with husband Abram and sons Asher and Elon. We moved back to the St. Matthew's area from Texas since my job would allow it and to be near family.

2. Name some gifts/talents you may have to offer our parish:

My talents and abilities include problem solving, organizing and functional relationships, leading, public speaking, singing (choir), handyman/fix-it chores, and most importantly a willingness to serve.

3. What do you see as some of the strengths of our parish currently?

St. Matthew's has very strong sense of determination built on communal unity. I have seen the church sprout from Cardinal Spellman School, to a parish determined to establish itself in a proper church building. When the church is occupied, St. Matthew's will be fully established, but it must grow in terms of programs and ministries to become more mature.

4. If elected, what areas of parish life do you see as a particular focus of your interest?

My future interest for the parish lies in its growth. That is growth in all aspects; growth in active members, finances, evangelization, outreach ministries, liturgy and worship. In short, help St. Matthew's be the best version of itself.

5. Any other comments or information you would like to include?

Since Suzi and I first moved to the Bellevue area in 1987, and our children attended CSS for several years, we have embraced the school, and subsequently St. Matthew's parish. We have remained attached to this church and school despite the times my job took us elsewhere. Hence when asked if I would consider serving on parish council, I decided to say yes since God provides opportunities to serve him. This is one of my opportunities.

ROBERT BLACK

1. How long have you been a member of St. Matthew parish?

My family and I have attended St. Matthew's for 2 years.

2. What is your occupation? Attorney

3. Tell us about your family:

Kristi and I have been married for 16 years. We have lived in 4 states, moving around with law school and the Air Force. Along the way we have been blessed with 6 children, currently aged 14 to 2. We have one special needs child, who has given our entire family a different perspective on the mystery of God's work in our world. Our Lord Jesus is the center of our lives and our relationships. Kristi and I hope to grow with the parish for many years. We are excited to be a part of St. Matthew's as it moves through this time of renewal, symbolized in the new church building.

4. Name some gifts/talents you may have to offer our parish:

I have a background in theology and philosophy from formal learning, but more important from the practical working out of my salvation in the daily living of a married vocation. I hope to be a lay resource to my fellow parishioners and to Fr. Leo and our deacons.

5. What do you see as some of the strengths of our parish currently?

St. Matthew's greatest strength is its current leadership, both lay and religious. It is inspiring to see where the parish has come from to where it is now.

6. If elected, what areas of parish life do you see as a particular focus of your interest?

My particular focuses of interest are liturgy, marriage preparation, and family outreach.

7. Any other comments or information you would like to include?

I feel blessed to be part of the parish and would feel blessed to assist on the Parish Council.

ED RAUSCH

1. How long have you been a member of St. Matthew parish? 17 years (arrived here in 2003)

2. What is your occupation? Retired (from the USAF)

3. Tell us about your family: My wife, Diann, teaches part time at St. Matthew Catholic School.

I am retired from Air Force active duty (30 years) and 12 years of civil service at USSTRATCOM Headquarters. I coach basketball at St. Matthew Catholic School. We enjoy spending time with our four grandchildren, two of which live in town and we see every day. Both of them attended/attend St. Matthew Catholic School. I am a lector, Eucharistic minister, and a member of the Knights of Columbus. Diann sings in the 8:30 Mass choir. Our grandson, Clay, attends Gross Catholic High School and will be a senior in the fall, and our granddaughter, Taylor, will be a fourth grader at St. Matthew in the fall.

4. Name some gifts/talents you may have to offer our parish:

I enjoy working with people for common goals and good of the community. I have been in the St. Matthew Catholic Community long enough to have a pretty good idea of the parish's needs, goals, and outlook for the future. I am a good communicator and I can help set a path for the parish as we enter the next phase of growth with the new church.

5. What do you see as some of the strengths of our parish currently?

I believe the strengths of our parish are the following: first, there is a tremendous core of families and individuals who are willing to work amazingly hard to make the parish successful. Second, the parish has some outstanding organizations that support the parish in outstanding ways, such as the Knights of Columbus, Women Working for God, the Parent Teacher Organization, just to name a few. Third, we have a tremendous pastor in Father Leo, who is guiding us, leading us, and inspiring us to be the best Catholic Community possible. Lastly, the parish is very welcoming and makes people want to join and contribute to the common good.

6. If elected, what areas of parish life do you see as a particular focus of your interest?

I don't have any specific areas of parish life as a focus, but I would be very excited to help the parish move forward and grow as we transition to the new church facility and all the inherent changes that will bring to the entire parish life.

7. Any other comments or information you would like to include?

My family has thoroughly enjoyed the St. Matthew Community for the past 17 years, to include the parish, the school, the various ministries and organizations we have participated in, and we eagerly look forward to the bright future that lies ahead.

SANDI LOCKWOOD

1. How long have you been a member of St. Matthew parish? St. Matthew Parish became our home in November of 2002, upon completion of our Air Force assignment in Aviano, Italy.

2. What is your occupation?

I am a part time grocery clerk at Target Supercenter in Papillion and a newly blessed full-time Grandma.

3. Tell us about your family:

My husband, Mark, and I have been married for 36 years. He is a retired Air Force Master Sergeant, so we have had many interesting and enlightening life experiences along the way. We have raised 2 sons, Eric and Brandon who are both alumni of St. Matthew School and Daniel J. Gross Catholic High School. Eric celebrated his second anniversary with his beautiful wife Jen earlier this month and in April they were blessed with their first son, Beckett. Brandon and his beautiful best friend, Michelle, celebrated their first anniversary earlier this month as well. They are in the midst of moving into their first house as I write this. FUN TIMES!!!

4. Name some gifts/talents you may have to offer our parish:

I have been blessed with the fire of the Holy Spirit, since my initiation to full communion in the Catholic faith in March, 1997. I am a great listener, very perceptive, have tremendous love and thirst for knowledge of Our Faith and willing to offer my time to assist God's will to be done in this great parish community.

5. What do you see as some of the strengths of our parish currently?

The heart and soul of St. Matthew Parish are our parishioners. We come from various backgrounds and experiences, allowing us to overcome any obstacles to ensure the success of our parish. With the tremendous leadership of Father Leo, we are finally achieving what has been "on the horizon" since we joined in 2002..... our new and beautiful church!!! This is a testament to the members of this parish and I am so proud of this accomplishment and would like to assist in continuing to build this community of faith.

6. If elected, what areas of parish life do you see as a particular focus of your interest?

Liturgy, prayer, missions, anything to help bring the Many Parts of this One Body of Christ together to honor and praise Our Lord.

7. Any other comments or information you would like to include?

St. Matthew is my home. I have been involved in the school over the years as lunch room assistant, teacher assistant, and extended care provider. We have been on a setup team for our current worship environment since we joined the parish and with that going away (finally) I would be honored to continue to provide my limited talents to this outstanding parish in the capacity of Parish Council member. Thank you!!!

JEANNIE GOBLE

1. How long have you been a member of St. Matthew parish?

I have been a member of St. Matthews since it was established, we were the 56th family to register. It has been wonderful to support St. Matthew's as it has changed and grown over the years and I am hoping to help influence important decisions as we continue to evolve and grow in the future.

2. What is your occupation?

I have worked at Mutual of Omaha for over 30 years in many different positions throughout the company. I switched from full to part time to spend more time with my family throughout my career as work and home situations allowed. My current position is Sr. Business Systems Consultant in the Finance division and I am a Product Owner on a car of an Agile Release Train. I also took 9 months in 2016/2017 to be a Special Education Para with the Bellevue Public Schools and continued to sub at Fairview Elementary when I could for several years after returning to Mutual of Omaha in 2017.

3. Tell us about your family:

I was raised in a Catholic family and have always enjoyed the Catholic faith and its traditions. I attended St. Bernard's parish in Omaha until I moved to Bellevue. I attended St. Mary's until St. Matthews parish was established. I have three children, ages 32, 21 and 17. My oldest received his first sacraments at St. Mary's and once we moved to St Matthews, all have participated in CCD and have received their sacraments. I enjoyed helping them prepare for and celebrate those achievements. We like to travel when we can, I was fortunate to travel to Italy with Father Ron and our family was able to take a trip to Ireland, but mostly, we like to travel to spend time with family.

4. Name some gifts/talents you may have to offer our parish:

I began college pursuing a degree in science and mathematics and ended up with a bachelor's degree in Management. I have worked with actuarial science, development, analysis, process improvement and project management among other things at Mutual of Omaha. I run a household and have a wonderful family. I believe in giving back to the community through the ministries of the church as well as through charities in the area. I have volunteered to beautify Bellevue, Brush up Nebraska, Kid's Cruisin' Kitchen, delivered food to families at Thanksgiving, helped with our CCD program for 12 years and have been a Eucharistic minister at Bellevue Medical Center and for our parish to name a few. I helped with the last capitol campaign and I also previously served on the parish council for a short time until it was reorganized. I have enjoyed all of my church and community involvement.

5. What do you see as some of the strengths of our parish currently?

Our parish has many caring and talented people that are willing to share their time and abilities for the benefit of our church and the community around us. I am so proud to be a part of that. We worked together to build a wonderful place to meet, have successfully (almost!!) built a beautiful new church and have established many ministries and events for our parishioners to share their faith with others.

1. If elected, what areas of parish life do you see as a particular focus of your interest?

I believe that I can help with many areas of the parish based on my work and life experience. I will continue to support the work to share our time and talents with our community and ensure we remain a strong, thriving and financially secure parish.

JANE LUKASINA

4. Name some gifts/talents you may have to offer our parish: Since I am retired, I have the ability to volunteer my time assisting in the parish office when asked. I have general office and organizational skills that I have used to assist in planning the parish picnic, Monsignor's celebration and Mardi Gras. During my current term on the parish council, I have been able to contribute constructive opinions on parish issues. I am willing to serve wherever I am needed.

5. What do you see as some of the strengths of our parish currently? One of our parish strengths is that we are very accepting of anyone who wants to join our parish. I hear all the time from new parishioners that our members are very friendly. Our parish liturgical services are strong and relate well to our daily living experiences.

6. If elected, what areas of parish life do you see as a particular focus of your interest? I am currently finishing a 3 year term on the Parish Council. I'd like to see more emphasis put towards offering youth programs as the youth are the future of our parish. I've enjoyed my time as a council member and would be honored to continue. I feel the parish council has had many accomplishments over the past year. I would like to see the parish continue to grow and add more members.

7. Any other comments or information you would like to include? I have been a Religious Education teacher. I have been a Eucharistic Minister of Holy Communion for over 20 years. I volunteer at the school weekly to read to the pre-K students. I previously served on the Parish Council in Kadena, Okinawa.
