ADULT FAITH FORMATION

LIT BIT - DID YOU KNOW?

There is a specific rite book for Sunday Celebrations in the Absence of a Priest. It is published by the United States Conference of Catholic Bishops. Acknowledging the fact that priests are not always available in all places at all times, this rite provides for a Liturgy of the Word with a Communion Service, if consecrated hosts are available in a tabernacle from a previous liturgy.

This service can be led by a deacon or by a lay person. It includes most of what we experience at Mass on Sunday except the Eucharistic Prayer and consecration. It is not an ideal situation, but does provide for a liturgical community celebration when a priest is not available.

TO SIGN IN GO TO: www.sumtercatholic.formed.org

Two great theologians endeavor to recover the centrality of Marian doctrine and devotion for the contemporary Church, offering a spiritually rich approach to Mariology that brings into new relief the Marian contours of ecclesial faith.

Ratzinger and von Balthasar show that Mary is both the embodiment of the Church, and the mother who co-operates in giving birth to the Church in the souls of believers. At once profound and yet readily accessible, *Mary: The Church at the Source* offers a theologically balanced and biblically grounded presentation of traditional and contemporary thought on Marian doctrine, spirituality and shows why it is a matter of sound reason as well as faith to affirm what the early Church proclaimed: Jesus is risen.

'HOUSE CHURCH'

For the first three centuries, Christians did not have churches." They gathered in homes. They came together there for instruction, celebrated baptism, and broke bread in the Eucharist.

Larger homes were chosen as gathering places, with a dining room that could accommodate a fair-sized group. These would also have a fountain with a small pool for baptism, and a courtyard for teachings and discussion.

Excavations have uncovered examples of these "house churches." In the fourth century, when the peace of Constantine "legalized" Christianity, membership increased, creating a need to construct and/or take over large buildings which became the first permanent "churches." These were patterned after the public buildings of the time — the basilica (a Greek word meaning "royal house"). It was a large rectangular hall, rounded at one end (the apse) from which the ruler presided over meetings. When Christians took over or constructed such buildings, they simply placed the altar in the rounded part at the end of the hall. The use of such buildings influenced church architecture for centuries, even down to our own day.

But early Christians never lost the sense of the "house church" They prayed in their own homes, had religious symbols there, and in some places it was a custom to bring home a portion of the Eucharistic bread so that they could partake of it each day during the week — their "daily bread" We need to recover this sense of the home as a holy place, the "house church." It is one of our oldest traditions.

FAMILY FAITH FORMATION

CHILDREN'S FAITH FORMATION

Faith Formation for grades Pre-K--8th has ended for this year. Information on the 2019/2020 classes will be released in the near future. Due to the construction of our new Life Center, we are looking at our options for an undistruptive education program for our students in September. Registrations for the 2019/2020 classes are now being accepted. For more information, contact Frank Webber or Sheryl Sharry in the Faith Formation office.

Liturgy of the Word for Children will continue through May 26th and will resume again in early August. Liturgy of the Word for children is celebrated on Sundays during the 10:00 am Mass.

Confirmation

Next Sunday, May 26, 2019, fifteen of our youth and two adults will receive Confirmation from Bishop John Noonan here at St. Vincent de Paul Church at a 2:00 pm mass along with approximately 40 youth from other Northern Deanery Parishes.

Practice is this Thursday, May 23 at 6:00 pm in St. Vincent de Paul Social Hall.

Confirmation is one of the seven sacraments of the Catholic Church. It is one of the three sacraments of initiation into the Catholic Church, the other two being Baptism and Holy Communion.

HELP WANTED

We are looking for volunteers to help with our Liturgy of the Word for Children periodically on Sunday mornings at the 10:00 am Mass.

For more information, please contact Frank Webber at (352) 643-7017 or faithformation@sumtercatholic.org

Answer for the Question of the Week

B is correct

This is where the Lord instructs the Israelites to adorn the Ark of the Covenant with statues of angels. He seemed to have no problem with images, if they were used in the right way.

CYBER SECURITY NEWS

New Surge of Phishing Attacks

There has been a new surge of “phishing” attacks and internet scams. Many parishioners may have noticed texts or emails purported from a priest, deacon or ministry leader, asking for sensitive data. Responsible parish leaders would never ask for assistance in this manner. Our clergy will never request monetary favors, especially in the form of gift cards, direct deposits or requests for credit card information.

This is happening nationwide and is becoming more problematic as scammers are developing new and unique schemes to deceive people.

In many cases, the scammers will typically manipulate the “from” email address and name so that it appears to be coming from someone the recipient knows.

The email often asks immediate help in order to get a task done (such as purchasing a gift card or wiring money). Nationally there have also been calls and texts that claim to be the IRS, utility companies, and other institutions, as well as requesting money to avoid going to jail or other penalties.

They can also claim that your loved one is in danger or they are in dire need for charity.

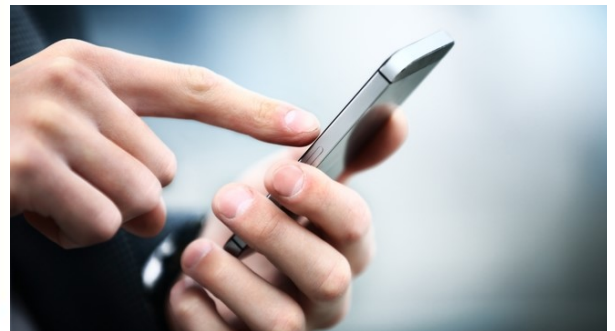

Preventing Scam Texts from Reaching you

Use your cell provider's text alias feature: Almost all major cell providers allow you to set up a text alias that you can use to receive texts.

The texts still come to your phone and you can send texts, but anyone you text sees your alias instead of your actual number. You can then block incoming texts from your real number and give all your friends and family the alias you are using.

Enable the “block texts from the internet” feature if available: Most spammers and “smishers” (those that use sms text phish scams) send texts via an internet text relay service, which helps hide their identities and doesn't count against their text allowances (scammers are notoriously frugal).

Many cell providers will let you turn on a feature that will block texts that come in from the internet.

Protect Yourself: What You Can Do

- Be vigilant in how you use your computer, other devices and software.
- Check sender details carefully. Any suspicious email message should be investigated before replying. Pay attention to the message content, including attachments and URLs.
- Do not open email you think might be suspicious or just seems odd. You can always call the sender to find out if they had sent you something.
- Do not click on links embedded in an email.
- Do not open attachments if you are not sure of the email's veracity.
- When in doubt, call: If there are questions about any email, do not open it or reply. Instead, pick up the phone and call the parish or the diocese.
- Parish leaders will never solicit funds by email. Any request can be verified with the Parish Office.
- Review and regularly update your own passwords. Do **NOT** reuse passwords or use the same password on more than one site. Make sure passwords contain a variety of letters, numbers and special characters.

If you receive any suspicious emails regarding the church, you can notify the Parish Office and the United States Computer Emergency Readiness Team, or US-CERT, part of the Department of Homeland Security. Information and links are below.

Report Phishing Attacks: the United States Computer Emergency Readiness Team has an Incident Reporting page to report email phishing, as well as an email to forward them to: <https://www.us-cert.gov/report-phishing>.

Forward all emails to the Anti Phishing Working group at phishing-report@us-cert.gov.

Your donations help us relieve hunger in the Wildwood Area. According to statistics, 1 in 5 children go to bed hungry every night. Inadequate nutrition can permanently alter a child's brain, stunt health and development, and impact their cognitive process. Without food, love and support, a child can lose motivation and suffer physically. We are showing God's love by contributing to their wellbeing.

Our Blessed Mother appeared to children and devout people. Her messages are universal: pray, love, and return to God. May we continue to follow her instructions and remember to help others who are in need.

The food pantry is currently seeking those who would like to join us in serving in this ministry. Please contact Thom Horning at (352) 748-0078 if you are interested in joining this very important ministry that serves our community.

FOOD DONATIONS NEEDED!

Our Parish Food Pantry is currently serving over 350 families each month. On average, the Pantry serves over 25 new families every month. Please continue your generous food and monetary donations that make it possible for us to help the many people in our area who are in need of food.

Food Pantry Requests include the following: canned meats, pasta, side dishes, canned pasta w/meats, spaghetti sauce, pork & beans, pinto beans, canned fruit, canned tuna, canned vegetables, potatoes (canned or boxed,) cereal, soup, peanut butter, jelly, pasta, mac & cheese, corn muffin mix, cake mix, pancake mix, crackers, cookies, condiments, white rice, coffee, tea, paper products, cleaning supplies and toiletries.
