Off to College! What's a Parent to Do?

EXCERPTS FROM REBECCA SONTAG'S ARTICLE
 THE CATHOLIC TELEGRAPH, AUGUST 2019

A child heading off to college for the first time is a milestone for the whole family and uncertainty, anxiety, excitement and worry are all completely normal feelings. Here is some good advice for parents navigating this momentous change for the first time.

1) Trust Yourself and Your Child. You've done your best to prepare yourself and your child for this next stage of life. Now is the time to let your child figure it out and learn to be an adult.

2) Be There When They Stumble. At the same time, be their safety net if they fail. Don't necessarily let them know you'll be there to catch them. Expect them to really need your help at some point, and be there for them when they do.

3) Help Them Be Their Best Selves. Know that all majors readily lead to good jobs, and it's your son or daughter's responsibility to choose. Encourage your student to go "all in" on college and get the most out of the experience.

4) Do Something You've Been Putting Off.

A big part of your life and your heart now live somewhere else. Instead of filling that newly available time with fretting and sending "just checking in" texts, find something for YOU. Take up gardening, join a bowling league, volunteer more at church - the options are endless.

We Welcome Back Fr. Ray Larger

Fr. Ray Larger will be the presider at all three Masses this weekend. Welcome back Fr. Ray!

Introductions to Sunday Readings

by Bishop Ken Untener, in collaboration with Catherine Haven and Fr. Bill Taylor

First Reading - Wisdom 18:6-9

The book of Wisdom was written by a teacher who lived in Alexandria, Egypt, a center of learning for the ancient world. He addresses his writing to a group of Jews in that city who were being tempted to abandon their religious practices and beliefs. To bolster their faith, the author speaks of the memorable night of the Passover when the angel of the Lord destroyed the enemies of the Jews.

Second Reading - Hebrews 11:1-2, 8-19

Today and for the next three Sundays, the second reading will be from the letter to the Hebrews. This document was written by an author we do not know, to a community we cannot identify. In today's section, the author encourages the community, whose faith is faltering, by calling to mind Old Testament heroes such as Abraham and Sarah.

Feast of the Assumption of Mary

Thursday, August 15th

Mass at 12:10 & 7 PM - Holy Trinity Church

This is a holy day of obligation unless it falls on a Monday or Saturday. It is a feast of the highest significance. It celebrates Mary's welcome into heaven. It is a feast for all of us because Mary, the Mother of the Church, has accomplished what each of us hopes and expects to happen.

As we believe that Jesus was the first to rise from the dead, so we believe he has also received his mother first into eternity. Eastern traditions called this event the "Dormition" or the "sleeping" of Mary indicating that she did not die but was taken to heaven as if asleep. Pope Pius XII declared the bodily assumption of Mary a dogma of the church in 1950.

SVDP Outreach Ministry - A Personal Story

A client in Trenton had just completed drug rehab and was moving into a new apartment. She was in need of most everything, so she was referred by us to New Life Furniture Bank. An application was submitted and delivery was made the next day. The client was thrilled with the quick turnaround and the quality of the furnishings. New Life Furniture Bank is a valuable asset as we try to help those in need in our area. Thanks to your generosity, it is one more tool we can use when our requests are many and volunteers are overtaxed.

SVDP Outreach Ministry Feature Need for August - DRESSERS

This month we find ourselves in need of dressers. They can be new or used. Please give the church office a call 422-0602 and we'll pick them up. Thanks!

TRADITIONAL VALUES. EXCEPTIONAL EDUCATION.

St. John XXIII represents 150 years of Catholic Education dedicated to encouraging and developing well-rounded, self-confident and compassionate children and young adults who lead successful, mindful, service-driven lives. Our school community is the foundation on which our core principles of faith and hard work bind us together as a family.

If you are interested in a Catholic education that provides a challenging, structured and thoughtful learning environment led by highly qualified and experienced teachers, contact Principal Dawn Pickerill.

ADVANCED MATH

Once again this year, we offered high school level math classes for those students who showed an aptitude in this subject area, and once again this year, these students excelled according to the State of Ohio End of Course Exams.

These courses, Algebra I and Geometry, are taught by a high school certified teacher using the same curriculum, as well as the same text books, that are used in the high schools. In order to get high school credit for these courses, all students must take and pass an end-of-course exam.

Our students in grades 7 and 8 are not judged against their peers; rather they are held to the same standards as the high school students taking the test.

The state average for all students taking the Algebra I exam was a 704. Our grade 8 students taking the exam averaged a 718, and our grade 7 students taking the exam averaged a 710.

The state average for all students taking the Geometry exam was a 696. I am ecstatic to report that our student average for the Geometry exam was a 735!! We are so proud of our students and all of the effort and hard work they put into their studies!
