Health Ministry: Five Tips for Beating Loneliness from St. Ignatius

Excerpts from the article by Rebecca Ruiz

St. Ignatius Loyola knew from his experience of extreme penitence at Manresa that isolation is not healthy. By turning inward and focusing only on his own thoughts and the parts of himself that he despised, he neglected to recognize God's love for him. Years later, when he founded the Society of Jesus, he ensured that his brothers would always remain in community so as to avoid this pitfall. What wisdom might Ignatius share with us today as we contend with this epidemic of loneliness?

- 1. Know your worth.** Reflect upon self-worth in light of God's unconditional love for us.
- 2. Discern your mission.** In Spiritual Exercises, St. Ignatius offers effective methods to help us discern our mission in life, which will lead us to living with more joy and encountering others with similar missions as we work together.
- 3. Maintain a support network.** We all need a trusted circle of friends and mentors who will keep us on track. And we need to invest time in these relationships.
- 4. Build bridges.** When we come into dialogue with a mutual respect for the other, listening deeply, we build bridges of trust and make our lives fuller and our communities stronger.
- 5. Live generously.** When we serve others, it helps us to gain perspective, inspires gratitude, and nourishes both giver and receiver, bringing us closer together. ignatianspirituality.com

Introductions to Sunday Readings

by Bishop Ken Untener, in collaboration with Catherine Haven and Fr. Bill Taylor

First Reading - Malachi 3:1-4

The book of Malachi was written after the Jews returned from exile in Babylon. The prophet expresses God's displeasure because the people have grown lax in their religious practice. (It may be helpful to know that the term "Sons of Levi" describes temple priests and functionaries.)

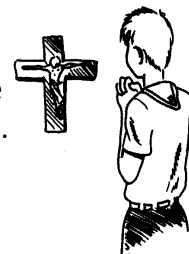

Second Reading - Hebrews 2:14-18

Death was thought by biblical people to be the work of the devil, and not intended by God. Today's passage from the letter to the Hebrews tells how Christ entered fully into human life even to the point of suffering and death.

Maintenance Update

In 2016 when the retaining walls, sidewalks, and lots of concrete were repaired or replaced on First Avenue at St. John, we installed new lighting. Fast forward to 2020 and we found that the front of Holy Trinity was too dark for safety, so we were able to repurpose the old lampposts from St. John.

1. (d) One sacrament, many names and graces. Most parishes hear confessions on Saturdays and have communal penance services once or twice a year. Private appointments may also be made.

5. (c) Sorrow for our sins and a firm purpose of amendment are parts of an Act of Contrition.
