Health Ministry:

5 Sundays in August - 5 Short Stories

That May Change the Way You Think

Story 1 - The Black Dot

A professor gave his students a surprise test – one without questions – just a black dot in the center of the paper. He said, “Write about what you see there.” At the end of the class, the professor took all the exams and started reading each one of them out loud in front of the students. All of them, without exception, defined the black dot, trying to explain its position in the center of the sheet. After all had been read the professor explained: “I’m not going to grade you on this, I just wanted to give you something to think about. No one wrote about the white part of the paper. Everyone focused on the black dot – and the same thing happens in our lives. We often insist on focusing only on the black dot – health issues that bother us, lack of money, complicated relationship with a family member, disappointment with a friend. The dark spots are very small when compared to everything we have in our lives, but they are the ones that pollute our minds. Take your eyes away from the black dots in your lives. Enjoy each one of your blessings, each moment that life gives you. Be happy and live a life filled with love!” *Author Unknown*

When we fill our days with gratitude it reduces the significance of the negative aspects of our lives and allows us to focus on what's truly important. www.consciouspanda.com

Introductions to Sunday Readings

by Bishop Ken Untener, in collaboration
with Catherine Haven and Fr. Bill Taylor

First Reading - Exodus 16:2-4, 12-15

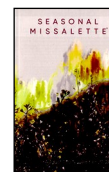

The book of Exodus tells of the Israelites' escape from Egypt and their journey to Mount Sinai some 1,200 years before Christ. The bread described in today's reading is called *manna*, a word derived from the ancient Hebrew words for "what is this?"

Second Reading - Ephesians 4:17, 20-24

In our series of readings from the letter to the Ephesians, we have come to a part of the letter which gives advice for daily living. Today's reading describes the effects of baptism. In the waters of baptism, we symbolically die to one way of living and rise to a new way of life.

Missalettes Are Back!

In accordance with the May 13, 2021 *Worship Together Safely Guidelines* published by the Archdiocese, missalette are back in the pews. There you'll easily find the readings, hymns, and Mass prayers.

Answers to the Special PRAYER Quiz

1. (d) Music is a priceless treasure in the Church. The Scriptures include praise and worship songs that date back to the days of Moses and King David (see CCC 1156-8).
2. (c) Catholics pray the Act of Contrition after they confess their sins in the sacrament of Penance and Reconciliation
3. (b) The Rosary was revealed in 1208 to St. Dominic by the Blessed Virgin Mary. Dominic's preaching conversion to heretics was greatly aided by this powerful prayer. In time, "Medieval piety ... developed the prayer of the rosary as a popular substitute for the Liturgy of the Hours" (CCC 2678). Thus the Rosary served as a popular prayer for illiterate Catholics of the day who couldn't pray with the psalms like the monks.
4. (d) "Rejoice always. Pray without ceasing" (1 Thessalonians 5:16-17).
5. (c) Many Protestant denominations pray the Our Father, as they rely exclusively on the Bible for their traditions, because all the Gospels describe how Jesus taught the Our Father to his disciples.
6. (b) Distractions show us what occupies our hearts and minds. These distractions make clear what we need to let go of so that God can be number one in our hearts. We cannot serve two masters (see CCC 2729).
7. (a) God wants us to talk to him, but he also wants to speak to us so we know how much he loves us.
